

Triangle A. B. C between Smith and Pollard by continuing Smith's S. W. line until you strike the Pollard line will include in said triangle 1.27 Acre ±

The field notes will read assuming the original course on the line A. C. to be correct and taking the lengths of that and the line A. B. by plat - Beginning at an Ash stump corner to Bellamy's 50 Acre thence with the Farmer line N 28° E 28 poles to two Beeches where Geo Poage original corner ("a Walnut and Beech") stood thence with the line of Pollard S 58° W 29 Poles - thence S 51 1/2° E 15 Poles to beginning
