ABOUT THE LIBRARIES

Art Libraries Society Election:

At the May 14th meeting of the Kentucky-Tennessee Chapter of the Art Libraries Society (ARLIS), Wanda Dole, Architecture Librarian, was elected chairperson of the chapter for 1977-1979 term.

Government Documents Workshop:

Twenty librarians from the designated U.S. depositories in Kentucky met on May 20, 1977, at the University of Kentucky for a one-day workshop.

Rebekah Harleston reported on the meetings she attended in Boulder, Colorado in April, which dealt with changes in the law (44 USC) which governs the federal depository system. The morning discussion included the new Monthly Catalog, with its entries cataloged according to AACR, and use of Library of Congress subject headings instead of earlier indexing terms. The approximately 1500 documents entered each month can now be accessed by OCLC. Information on methods of arranging collections, circulation and interlibrary loan policies, and "the public" of the depositories was exchanged. Sources of acquisitions of and bibliographic control of Kentucky documents was another subject of concern to the group.

Following lunch in the President's Room of the Student Center at which Paul Willis made welcoming remarks, the group moved from the Government Publications Department to the King Library North Gallery.

Publicity and problems, Special Libraries and GODORT were also addressed. Class instruction of documents and one-on-one teaching--methods and materials--are of concern. Samples of audio-visual materials and other types of teaching and reference helps were illustrated.

A time schedule for duties devolving upon the selective depositories and the Regional (University of Kentucky) was developed. Continued efforts at cooperative acquisitions among the various libraries are being formalized, and stated policies for serving areas surrounding the libraries are being studied.

This workshop was one way that the Regional library may serve as a clearinghouse for the state.

Staff Picnic Planned:

The Library Staff Organization is planning a picnic for all library staff and their families to be held Friday, June 10, 5PM at Jacobson Park. Sign-up sheets will be sent to all departments within the next week. If you have not yet paid your LSO dues, now is the time to do so; full-time staff--\$1.00 for the remainder of the year and part-time staff (associate members) who work less than 32 hours per week--50¢. Dues should be paid to Mary Welch, Cataloging Department, MIK-North.
