My Dear Sir

I send you herewith the
certificates relative to the two Jacks & his
Journals which I informed you a few days
ago had arrived here in good condition. They
will be shipped on board the American ship
New Orleans to sail in a few days. By the
next Packet I will give you further partic-
ulars.

You will notice by the papers
that Bibber has been received by the troops
of the Queen which is a great blow to the
cause of Don Carlos & may not speed
the later attempt upon the

King's life may with success to strengthen
his Government.

The message of our Presi-
dent has been received & is highly
