DEATH OF MRS. McVEY SADDENS UNIVERSITY AND ENTIRE COMMUNITY

Faculty and Students Show Sympathy in Many Expressions of Respect

STUDENTS AT FUNERAL

Memorial Service Held in Chapel Tuesday

The death of Mrs. Frank LePard McVey which occurred at the Good Samaritan Hospital Wednesday evening came as a distinct shock to her many friends on the campus. Although she has been at the hospital since March 16 and had undergone an operation April 11, her condition was greatly improved until Wednesday when she suffered a relapse and at 7:15 passed away.

Before her marriage Mrs. McVey was Miss Mabel Moore Sawyer, a daughter of the late James Sawyer, for years general traffic manager of the Soo Lines Railway system. Mrs. McVey was married to Doctor McVey September 21, 1898, while he was professor of economics at the University of Minnesota. While a student at this University she became a member of Alpha Phi sorority.

Active in Kentucky Clubs

Mrs. McVey has long been active in club and educational circles, identifying herself readily with those organizations at the various institutions with which Doctor McVey has been connected. In February she retired as president of the Fayette County League of Women Voters, to which position she had succeeded Mrs. Desha Breckenridge. Mrs. McVey was also a member of the Woman's Club of Central Kentucky, the University Woman's Club and in past years had served on the Political Science department of the Kentucky Federation of Women's Clubs.

She was also vice-president of the American Association of Collegiate Alumnae, chairman of the program committee of the State League of Women Voters and of the department of applied education of the Kentucky Federation.

She is survived by her husband, Dr. Frank L. McVey; three children, Frank, and Virginia, students at the University of Michigan, and Janet, a student at Model High School; her mother, Mrs. J. M. Sawyer who has made her home with the McVey's for several years; and a brother, M. G. Sawyer, who is now en route to the United States from Africa.

Honor Guard Formed

The funeral was held from the residence, "Maxwell Place," Saturday morning at 11 o'clock. Officers of the University R. O. T. C. stood in open rank in the pergola leading to the home during the service, while the battalion and sponsors were on the lawn. The battalion preceded the cortege across the campus and formed an honor guard at the main gate as the procession passed through.

A wealth of flowers testified the love and sympathy of the faculty of the University of Kentucky, of the University of North Dakota, every fraternity and class organization on the campus as well as that of her many friends both in and out of Kentucky.

(Continued on page 5)

LAMBDA PHI, LOCAL SORORITY FORMED

A new sorority has recently been formed in the University and is now existing as a local under the name of Lambda Phi. They are petitioning Delta Delta Delta and hope to have their petition granted sometime in the next year.

The charter member of the sorority are Mary Barnard, Corinne Cowgell, Gwendolyn Purdom, Sara Thorne, Anneteele Taylor, Gertrude Collins, Virginia Duff, Lora Banta, Lillian Rasch, Mary Stallings, Annie Russell Moore, Ann Mary Risen, and Olivia Smith.

DR. LIPSCOMB ADVISES TYPHOID VACCINATION

Possibility of Infection Great in This State; Inoculation a Preventative

Students are invited to visit the Dispensary with reference to vaccination against typhoid fever. This is important. There are quite a number of typhoid cases occurring in Kentucky each year, especially in relation to other states, and this is notably true of the rural districts. Typhoid is an expensive disease, averaging about one death to ten cases, and a high percent of permanent and partial disability. Typhoid fever ranks fourth in mortality diseases in the United States.

Rosenau, one of the greatest health authorities in the country, states that an active immunity is produced by the vaccination or inoculation. "The procedure," he says, "is harmless, rational and effective. The reactions are usually moderate and never serious." Many students are familiar with the remarkable results from this work in the army. The typhoid fever records in 1911 among maneuver troops at San Antonio are remarkable. The division there had a strength of 12,801 men. All were treated with typhoid vaccine, the result was that in the next three months of maneuver duty there, only two cases developed. One patient was a private of the hospital corps who had not completed his immunization, having taken only two doses. His case was very mild and probably would have been overlooked but for the rule that blood cultures were made of all fevers over forty-eight hours duration. The other case was that of a teamster who had not been inoculated.

Typhoid fever prevailed at that time in the neighborhood; there were forty-nine cases with nineteen deaths in the city of San Antonio. The Surgeon General's office is authority for this statement. Anti-typhoid inoculation is one of the great steps forward in preventive medicine. Of course the army during the world war was protected against this disease. If the typhoid rate had been the same during the World War as prevailed during the Spanish-American War every bed in every hospital in France would have been occupied by a typhoid fever patient.

To summarize, the result of typhoid inoculation cannot long be questioned. It lowers morbidity and mortality rates and involves no risk. The opportunity of receiving these inoculations should not be lightly passed by; neither should a silly fear of a sore arm counterbalance sane judgment in a State where the possibility of infection

'THE THIRTEENTH CHAIR' ON SUCCESSFUL TOUR IN KENTUCKY TOWNS

Strollers Give Brilliant Performances in Paris, Richmond, Georgetown and Middlesboro.

IN PINEVILLE TONIGHT

Theatre Managers Compliment John Burks, Director

The Strollers gave the initial performance of the Bayard Veillers masterful mystery drama, "The Thirteenth Chair" at the Paris Opera house Monday. This is the most perfect production ever given by this splendid dramatic organization, the play in its entirety having been produced by the students themselves. The scenery used in this production was made in the woodshop of the Engineering College and designed and richly painted by the students of the Art Department. The draperies, pictures, brick-a-brack tables, lamps, in fact every thing used in the elaborate drawing room of the wealthy Mrs. Crosby is a reproduction of the talent of students of the University, given in the interest and appreciation of the splendid efforts of the Strollers.

This play is perfect in every detail, every actor so perfectly suited to his part and so thoroughly sure of himself that the performance is given without the manuscript behind the scenes, or without anyone to prompt. Friends and patrons who witnessed the performance in Paris expressed themselves very favorably and went so far as to say that this is the best play, including professional road shows that has ever been given in that city.

A section of seats was reserved for a theatre party from Mt. Sterling, including the Senior Classes of the City and County High School and the cast of this seasons theatrical production of the Senior Class. There were about forty-five in the party, chaperoned by Mrs. Ben R. Turner, Mrs. Dan Prewitt, Mrs. Oldham Greene and Mrs. Lee Orsar.

The performance was repeated in Georgetown Tuesday evening before a small, but cultured and appreciative audience. Inclement weather is attributed to the small house before whom the Strollers gave a brilliant performance.

The cast of "The Thirteenth Chair" left Wednesday for Richmond where they were met with a warm welcome by the citizens and club women of that city. The seat sale was reported to have been large Wednesday and shortly before the performance nearly every seat in the Opera House was sold. The hospitality and courtesy extended the Strollers in that city which

(Continued on page 5)

KERNEL STAFF NOTICE

There will be an important meeting of the members of the Kernel staff in the Kernel office Tuesday afternoon at 3 o'clock. The annual election of the editor, managing editor, assistants, business manager, advertising manager and staff for 1922-23 will be held. Every member of the staff is asked to be present.

Virginia Hamilton, Former U. K. Student, is Honored

Virginia Hamilton, a former student at the University was recently elected editor of the "Twig", freshmen student publication at Wellesley College, which she is now attending.

Miss Hamilton was a member of Beta Chi chapter of Kappa Kappa Gamma and was prominent in a number of student activities while here, she is the daughter of Arch Hamilton, one of Fayette County's representatives to the Kentucky Legislature.

JESSIE DODD DIES AFTER BRIEF ILLNESS

Resolutions Passed by Theta Sigma Phi, Faculty and Catholic Club

Miss Jesse Dodd, daughter of Magistrate and Mrs. Charles Dodd, of 614 High Street, enrolled in the College of Arts and Sciences at the University, died at her home early Monday morning after a brief illness.

Miss Dodd, completed her work for an A. B. degree in English at the end of the first semester and since that time has been pursuing the course leading to a Masters degree.

Funeral services were held at St. Paul's Catholic Church, Wednesday morning at 9 o'clock, the Rev. L. de Waegnaere officiating.

The following resolutions of sympathy were passed by Theta Sigma Phi, honorary fraternity in Journalism of which she was a member, by the Catholic Club of the University and the faculty of the College of Arts and Sciences.

"The University community is shocked to hear of the death this morning of Miss Jessie Dodd, who is a graduate student in the College of Arts and Sciences. She completed the work for the Bachelor degree in January and was continuing as a graduate student in the department of English. Altho ill at the time, she was in the classroom as late as Friday with her usual cheerfulness of spirit attending to her duties without complaint. Miss Dodd was a young woman who was graced with personal charm and who had high ideals. She went about her work conscientiously and with quiet dignity, winning increased regard the more intimately one learned to know her.

"A delightful companion among friends and a serious student, she had not long been in the University before she enjoyed the friendship of all who knew her. Her ambition was to be of service to others. In her last interview with her professors she spoke with enthusiasm of the work she was about to engage in after leaving the University and wished, that she could do good to others and reflect credit upon the institution.

"The University has sustained a loss and we mourn her death. Therefore, be it resolved: that the faculty of the College of Arts and Sciences express their sense of loss and offer their sympathy to the family and that a copy of these resolutions be sent to the family and to the press.

"Signed: Committee for College of Arts and Sciences.

"L. L. DANTZLER,
"A. C. ZEMBROD,
"ENOCH GREHAN."

LETTERS ABOUT KY. MEMORIAL DRIVE ARE SENT OUT OVER STATE

Colvin and Wilson Urge Kentuckians to Cooperate in Raising Funds

\$300,000 IS NEEDED

All School Children to Take Part

Preparatory to the Kentucky Memorial Building drive two letters were sent out over the State last week, one from the State Superintendent Colvin to his fellow workers and one from James C. Wilson, chairman of the general memorial committee, to representative men of the state. They are reprinted here.

Mr. Wilson's Letter.

"A campaign to erect a memorial to Kentucky's heroes of the World War, a building that will be used daily by young people from every section of the State, surely has your support.

"The school children of the State are being called on to raise this \$300,000 fund, but we are trusting that you and a few others will start the campaign off with a twenty-five dollar subscription. Every boy and girl in Kentucky will be interested in the erection of a Memorial Hall on the Campus of the State University where they all have an opportunity to go and to get an education.

"Sixty thousand ex-service men will be glad thus to learn that a proud State has not forgotten. Mothers will

(Continued on page 5)

DEBATING TEAM MEETS VANDERBILT TONIGHT

Hays and Porter to Represent Kentucky on "Immigration Question"

Tonight at 8:15 in the University chapel the University of Kentucky debating squad will meet the Vanderbilt team. The question under discussion is:

"Resolved: That the present Dillingham Immigration law be retained as a permanent measure; namely that three per cent of each nationality which was resident in this country in 1910, be the only annual quota allowed to enter the United States."

The University of Kentucky will be represented by J. L. Hays and C. M. C. Porter, and Vanderbilt by Morgan Green and D. H. Rosier. The judges will be H. V. Chisney of Frankfort; Dr. W. B. Jones, Georgetown; and Otto Rothert of Louisville.

As this is the only intercollegiate debate to be held at the University this year it is especially urged that every University student be present.

The topic to be discussed is very pertinent. The Dillingham law was recently re-enacted by Congress as a temporary measure, but it is not yet decided whether it will be retained as a permanent measure. The national Immigration Board is considering whether it is a wise policy or not.

The University of Kentucky will debate the affirmative side and Vanderbilt the negative side of the question.

Alumni Notes

Detroit, April 29 (Last Saturday). Dinner at 6 p. m., Dixieland Inn.
 Pittsburgh, May 1. Dinner at 6:30 p. m., Pittsburgh Athletic Association.
 New York, May 2. Dinner-Dance at 7 p. m., Waldorf-Astoria.
 Buffalo, May 5. Annual Meeting.
 Philadelphia, May 6. Annual Meeting.
 Washington, May 8. Annual Meeting.
 Denver, May 4. (First Thursday) Luncheon 12:30, University Club.
 Carrollton, May 9. (Second Tuesday), luncheon.
 Lexington, May 13. (Second Saturday), luncheon 12:30, Phoenix Hotel.

MEMORIAL DRIVE STARTS

Alumni Aid in Raising Fund for Monument to World War Heroes

Contributions to the Memorial Building Fund indicate that alumni are squarely behind this movement to honor Kentucky's World War heroes and incidentally to give the University an auditorium and students' building. In addition to making individual contributions alumni are active in soliciting and in obtaining workers and chairmen in the local county drives.

Approximately \$5,000 has been subscribed by alumni to the \$300,000 fund. Some of these contributions were based on two percent of a year's income. Accordingly many are increasing former pledges and others are making a larger initial gift. The aim of the Campaign Committee, however, is not at large gifts but at a 100 percent contributors list. Alumni clubs will aid in these collections.

The following sent in subscriptions on the opening day of the drive which will continue through the week of April 23-29:

Edna Berkele, Henry Kelly Brent, John E. Brown, L. Chauncey Brown, John Campbell, J. S. Chambers, Levi O. Coleman, Lillie Cromwell, Robt. L. Ehrlich, J. S. Hudnall, J. T. Madison S. B. Marks, T. M. Marks, Russell C. Mayhall, Marguerite McLaughlin, E. B. Perrine, Horace T. Rivers, H. H. Urmston.

VICTORY CLASS LEADS

Relative Standing of Alumni Before Final Drive is Shown.					
'69	1	\$100.00	'04	4	105.00
'75	1	10.00	'03	5	95.00

Right Spirit Shown.

"An illness which has confined me to my bed for the past three years makes this impossible, but when I am back in harness again you will receive a subscription that is commensurate with my means if not with my wishes. Please keep me posted."—Alumnus.

NOMINATIONS MADE

Alumni Will Vote for Officers of the Association

Ballots will be sent to the alumni in good standing within the next ten days for the election of officers for the Alumni Association. These ballots must be returned to the Secretary not later than noon June 12. The result will be announced at the annual business meeting June 13. Nominations are as follows:

President: V. Y. Moore, '09 Madison-

ville, Ky., Rodman Wiley '06, Winches (ex. Ky).

Vice President: Miss Marguerite McLaughlin '03, Lexington, Ky., Mrs. Lois Brown Owsley '19, Lebanon, Ky.

Secretary-Treasurer: Herbert Graham '16, Lexington.

Executive Committee: (Vote for two) Miss Marie Becker '17, Carrollton; P. L. Blumenthal '09, Buffalo, N. Y.; Dasha Brecklaridge ex-Lexington; Miss Bertha Miller '18, Lexington; Mrs. Clara Matti Studer '13, Cincinnati; W. H. Townsend '12, Lexington.

Cleveland Club Takes on New Life with the Spring Time

"Notice in March 31st issue of the Kernel that the table of paid members shows 10 out of 25 for Cleveland. Kindly send me your latest list of names from which this data was taken. Will then go after the others.

Sorry not to be able to report that the Cleveland Club has been organized in every detail but on account of the general conditions and every one apparently so busy with their own businesses and personal affairs it has not been possible. This will be done however before June.

The writer is away some fifty percent of the time and often meets some of the boys from Kentucky. Recently in Akron, Ohio he saw Dr. M. M. Harrison, Shif Chemist for Miller Rubber Co. "Doc" will be remembered as everyday Myrl in the Class of 1912 Chemists. Enjoyed dinner at his home and Ky. comes first here as his wife is a former Lexington girl—Kernan Bedford, a graduate of Sayre College and as well known at "State", as it was then called. Also with the Miller Rubber Co. are R. C. Dabney, '14 and J. W. Robertson, '10 both interested in chemical engineering work as relates to rubber products manufacture.

In Buffalo, N. Y. the writer has just spent a week-end with Roger T. Thornton, Mechanical '14 who is connected with Buffalo Forge Co. as a Sales Engineer. His wife is also from Lexington and is known to many State boys and girls—Mary Sullivan. They have two fine boys and Roger has already made arrangements with "Little Paul" to have them made engineers at U. of K. Several Kentucky boys are there with the Buffalo Forge Co. including O. K. Dyer, '04, E. E. Johnson, '14, J. G. Scott, '17 and G. Frankel, '19. When this Club was organized in Buffalo the writer was present and a great affair was made of it by Mr. Wendt, President of Buffalo Forge Co., who is not a Ky graduate but a booster for the school.

In Cleveland we have with us H. E. Barth, '15 who is Sales Engineer with American Blower Co. recently transferred from Kansas City Office. Our good friend H. T. Matts, '14 and his wife (Ade Dean, '12) are living happily in Euclid Heights with two mighty fine children. "Ty" is Steam Engineer for The Otis Steel Co. of this City. There are others but will mention them later on in another place.—N. E. Philpot, '15. Sales Engineer, The Duriron Co. Inc., 815 Hippodrome Bldg., Cleveland, O.

HICKMAN CLUB GROWS.

Ambitions Program Laid Out For One Of Youngest Organizations.

Altho we are the toe of this great Kentucky Shoe down here in Fulton County, we are not too far away to want to help support the arch.

Our Alumni Club consists of fourteen active members and we are going to "make a nine hole drive" to increase it to about twenty-five for the coming year. I see no reason why we can not as it is only in its infancy, having been organized only about seven months.

The fruits of our University are bountiful here: Irvine Horine '10 is assistant manager of the great Menzal Plant of Hickman; Miss Inez Lutten '11 is County School Superintendent and Dee McNeil '14 is one of the promising young lawyers of the county.

The thing our club must do and the

thing all of our clubs must do is, each year grow bigger and stronger in the faith, so as to really become a pushing force for our Alma Mater. Then we will have become one of the stones that go to make up the foundation of our State's greatest educational institution. We must "lift up" until our University towers high among the great institutions of the country.

C. P. Mabray '20.

Carrollton Club Full of 'Pep.'

"The Carrollton alumni are tempted to call their club the 'Jonah Branch' of the state organization. Every time we plan a meeting it rains, cats, dogs, alligators, etc. As a result we have a very small attendance, as many of our members live out on the wonderful(?) Carroll County pikes, which suddenly become lakes. On April 5 (Wednesday) we met at the home of Mrs. Stanley Grobmyer with five members present. But we are optimistic. We may be small in attendance at meetings, but our 'pep' is great, and in the future we plan to slay the weather man and all germs so we can have 100 percent attendance."

Between Us

"I want to thank you for sending me last week's Kernel. I am enclosing two dollars for this year's dues.

"Inspiration consists of a post-office, school and a few houses. Not much to do in the way of amusement but we play tennis and cards. It is five miles to the nearest store. I like my work and the boys here and enjoy life nearly as much as in my school days at the University. My regards and best wishes to all the boys."—E. A. Lillard '19, Engineer with Inspiration Consolidated Copper Company, Inspiration, Ariz.

W. H. Rochester '17 was a visitor on the campus this week. Mr. Rochester was connected with Mississippi A. & M. College at College Station, Miss., until last summer. Since then he has been farming at Marion, Kentucky.

"Charlie" Plank '19, paid us a visit last week. Charlie reports a flourishing wide-awake alumni club in Detroit and said the last meeting, 'ladies night', outshone all others. He is a reporter on the Detroit Free Press.

A letter from E. J. Kohn '12, Secretary of the Birmingham Club, describes the banquet given by the Club, "On Friday evening the alumni entertained the visitors at a banquet at the Southern Club which proved to be the most enjoyable ever given by the local chapter." It is evident that the Birmingham alumni had about as good a time as our junior engineers and that is saying all that can be said judging from the boys glowing description of the hospitality extended them.

"Please send the 'Kernel' to me at Moore, Penn. I have been transferred from the East Pittsburgh to South Philadelphia works of the Westinghouse Electric and Manufacturing Company, and will be here about six weeks."—F. D. Weatherholt '21.

"I am superintendent of schols in the town of Ingersoll, Oklahoma, and having a very successful school year. The schools here are very different from those of Kentucky but I am enjoying the work very much. So far as I can learn there are no U. K. people in this part of the state.

"I am very much interested in the success of the Kernel and look forward to its coming. I hope the little paper will continue to be a constructive force for the student body. Congratulations on the University's evolutionary victory in the State Legislature."—Roy Creech '21.

"Please change my address to 928 Buena Park Terrace, Chicago, Illinois. There is no paper published in Chicago that takes the place of the Kernel and I usually read everything in it, including the ads."—O. E. Richardson '21.

"Enclosed please find my alumni dues for the current year. Pardon the delay; you know how we put off doing things like this," writes Rebecca W.

Smith '16. Miss Smith accepted a position in the English faculty of Texas Christian University, Fort Worth in the fall of 1919 and is with them yet. She is doing special lecture work just now for women's clubs in and near Fort Worth and spoke before the Texas Federated Clubs last fall. Her address is 1424 Cooper Street, Fort Worth, Texas, from September until June. Summer address 1505 Broadway, Paducah, Ky.

A. E. Bell '21 of Eminence, Ky., is principal of the LaGrange Graded and Oldham County High School. He teaches Physics and Math., and coaches athletics. He is having a successful year and has been elected to fill the same position next year.

A. B. Crawford '17 is Supt of LaGrange High School. The school has an enrollment of 493 with 15 teachers including music teachers. A stock company has been formed for the purpose of building a gymnasium on the high school campus.

J. A. Hatter '14, address Franklin, Ky., R. F. D. No. 2. "Jack" has purchased a farm and has begun to supply the Agricultural knowledge that he acquired from U. K.

S. B. Coleman '07 is manager of the Enterprise Machine and Garage Co., Inc., of Franklin, Ky.

G. L. Jackson, '18 has recently moved to Louisville, Ky., where he is employed as an Engineer in Mangle Box Factory

J. W. McFarlin '03 address Franklin, Ky., R. F. D. No. 2. Mr. McFarlin, since he resigned from his work at the Kentucky Experimental Station, Lexington, Ky., has resided on his farm and is managing same.

E. P. Hatter '17, LL. B. '21, is practicing law at Franklin. His wife was formerly Annie Laura Roads, '17. They have two fine children, E. P. Hatter, Jr., and Ann Rhoads Hatter.

EMMETT'S EDLETS

It has been reported that Liggett & Meyers will give a beautiful "Bungalow" to Albert "Red" Hukle as a prize for his splendid race against cigarettes in the relay race of the inter-class meet.

Coach Banks of the University of Tennessee hopes to be able to hold a Tennessee relay similar to the Drake Relays. Coach Banks formerly coached the track team of Iowa University, where the Drake relays are held.

Dave Thornton has accepted the invitation of the Birmingham Athletic Club to run under its colors in the half mile event at the invitation track meet to be held at Birmingham May 6. This is one of the largest meets of its kind to be held in the South this year and is a compliment to Dave's prowess in track work. He has participated in four years of collegiate track and is ineligible for the varsity team. He will probably leave for Birmingham May 3.

May-Coleman Engagement.

Mr. and Mrs. John Morgan May of Lexington, announce the engagement of their daughter, Virginia Hearne, to Mr. Walter Payne Coleman. The marriage will be solemnized at an early date. Both Miss May and Mr. Coleman are former students of the University. Mr. Coleman is the son of Mr. and Mrs. John W. Coleman.

Delta Chi Banquet.

Delta Chi fraternity will entertain with its spring banquet on Monday night at the Lafayette Hotel at 8 o'clock. The guest of honor will be Mrs. J. B. Harsheman, of Dayton, Ohio, who is visiting secretary of the fraternity.

Centre Phi Delta Etheta Dance.

A number of University students enjoyed the dance given by Phi Delta Theta fraternity at Danville on Friday evening.

Theta chapter of Kappa Alpha fraternity entertained with a beautiful dancing party at the home of Miss Martha McClure, Harrodsburg Pike Monday evening. The house was decorated with flowers appropriate to the season and a four piece orchestra furnished the music for dancing. A delicious buffet supper was served.

SCHEDULE OF CLASS GAMES COMPLETED

The class baseball teams have organized and the schedule for 1922 has been completed. There is a great deal of rivalry for places on the various teams and aspirants for the berths

on the various squads are working with a will. "Daddy" Boles announces that all men on the varsity squad are ineligible for class teams and that teams not having all men present on the day that a game is scheduled will forfeit that game. The games will start as soon after 3:30 p. m. as possible, and are limited to six innings. Arrangements have been made to take care of games called off on account of rain. These will be played on the following dates: May 10, 26, 29, 30 and 31.

The inter-class baseball schedule for 1922 follows:

- April 26—Freshmen vs. Juniors.
- April 27—Sophomores vs. Seniors.
- May 1—Freshmen vs. Seniors.
- May 3—Sophomores vs. Juniors.
- May 8—Freshmen vs. Sophomores.
- May 9—Juniors vs. Seniors.
- May 15—Freshmen vs. Juniors.
- May 17—Sophomores vs. Seniors.
- May 22—Freshmen vs. Seniors.
- May 23—Sophomores vs. Juniors.
- May 24—Freshmen vs. Sophomores.
- May 25—Juniors vs. Seniors.

MARY ROYSTER TO HEAD '22 W. S. G. A.

Annual Election of Officers Held Tuesday Evening at Patt Hall

At their annual election held Tuesday night Patterson Hall, the members of the Woman's Self Government Association chose Mary Royster as president of the Association for 1922-23. Miss Royster is a junior in the College of Arts and Sciences and has been a valued member of the Council for two years, having served as sophomore representative last year and as vice-president of Smith Hall this year.

Other officers elected were: Opal Cox, '23, vice president of Patterson Hall; Mary Barnard, '23, vice-president of Maxwell Hall; Ann Mary Risen, '23 vice-president of Smith Hall; Cather

ine Hanly, '24, secretary; Favola Dundon '24, treasurer. These together with the following class representatives will compose the Council for next year: Gwendolyn Purdon and Irene McNamara, senior representatives; Mattie Hodges and Virginia Seay, junior representatives; Elizabeth Galoway, sophomore representative.

The girls from the various fraternity houses and girls planning to live out in town voted as well as the girls from the dormitories, as there is to be one general council next year in which representatives from all fraternity houses will be represented.

Interscholastic Track Meet on Stoll Field May 5 and 6

The Annual Interscholastic Track Meet will be held here on Stoll Field next week May 5 and 6 under the direction of the University of Kentucky. Gold, silver and bronze medals will be given to winners in each event and gold medals to the winners in the relay race. A silver loving cup will be given to the individual who scores the most points in the meet. A loving cup will be given the winning team, to remain in their possession one year and to remain the permanent property of the team winning it three times.

The trials will be held Friday May 5 beginning at 3:00 p. m. the finals will be held Saturday beginning at 9:00 a. m. The field events will be held in the morning and running events in the afternoon. The dual track meet between the University of Kentucky and the University of Cincinnati will also be held on Stoll Field Saturday afternoon which will be of added interest.

All the high schools of the State that are members of the Kentucky High School Athletic Association are eligible. The rules governing the eligibility of teams of this Association will be the rules governing this meet.

Entertainment for the visiting teams will be provided for by the Athletic Association of the University of Kentucky. A banquet in honor of the visitors will be given in the Armory of the University on Friday at 6:00 p. m.

Echoes From Other Colleges

Indiana University is raising a fund of half a million dollars to erect a university Union in honor of the Indiana men who lost their lives in the World War.

All hazing at the University of Wisconsin was abolished when the men of the Sophomore class voted to take that step. Freshmen will continue to wear the green cap, but in the future it will be recognized as a means to enable freshmen to know each other.

The University of Wisconsin has launched a million dollar drive for the purpose of erecting a Memorial Union Building.

At Mount Holyoke College all students have pledged themselves to leave immediately any dance or entertainment where the young men guests show by breath or conduct that they have been partaking of liquor.

For more than a quarter of a century the University of Michigan has been lending money to needy students and through that span of years has never lost a penny through wilful failure of the borrower to pay.

ARBOR DAY MAY 12

Arbor day will be observed on the campus Friday, May 12, and at that time Lamp and Cross, and Mortar Board will hold their annual pledging exercises. The tree will be planted and the regular Arbor day exercises will be held during the fourth and fifth hours.

SUMMER WORK FOR STUDENTS

PLEASANT WORK—BIG PAY—EXTRA AWARDS

What are you going to do this Summer, Men? Will you take a job that will tie you down, keep you in-doors the whole Summer long, pay you \$15 or \$25 a week, and leave you feeling like the very old dickens when College opens next Fall?

Or have you in mind landing something that will keep you out of doors, enable you to travel, pay you \$50 each week for expenses, give you a good sum of money to defray next year's expenses, and at the end of the Summer leave you with the feeling that you have had a real vacation?

Every student desiring employment for this Summer will do well to look into the opportunities which we are in a position to offer. A letter of inquiry will bring you full details.

Man-Made Lightning

FRANKLIN removed some of the mystery. But only recently has science really explained the electrical phenomena of the thunderstorm.

Dr. C. P. Steinmetz expounds this theory. Raindrops retain on their surfaces electrical charges, given off by the sun and other incandescent bodies. In falling, raindrops combine, but their surfaces do not increase in proportion. Hence, the electrical pressure grows rapidly. Finally it reaches the limit the air can stand and the lightning flash results.

And now we have artificial lightning. One million volts of electricity—approximately one fiftieth of the voltage in a lightning flash—have been sent successfully over a transmission line in the General Engineering Laboratory of the General Electric Company. This is nearly five times the voltage ever before placed on a transmission line.

Much valuable knowledge of high voltage phenomena—essential for extending long distance transmission—was acquired from these tests. Engineers now see the potential power in remote mountain streams serving in industries hundreds of miles away.

Man-made lightning was the result of ungrudging and patient experimentation by the same engineers who first sent 15,000 volts over a long distance thirty years ago.

"Keeping everlastingly at it brings success." It is difficult to forecast what the results of the next thirty years may be.

APRIL 26, 1922.

"GOOD NIGHT GENTLE LADY"

Into the home of our beloved President came last week the saddening presence of Death; from his side was taken almost without warning the partner of his success, the wife who through twenty four years of married life has been the source of his inspiration and encouragement. Nor is the loss suffered so keenly by this grief stricken family felt by them alone; the student body of our University feels that it has been called to give up one who was deeply interested in its welfare, a friend who has done much during the period of her relationship with the students to promote the best interests of this institution and its students.

Active in all public spirited movements, and in the club circles of the city and state, Mrs. McVey attracted to herself in the few years she had spent here a group of admirers not limited to the state of her adoption.

It is then with a sense of our own loss bringing to us a deeper appreciation of his, that we, the student body of the University of Kentucky, mourn with our President in his bereavement. Disappointments have come to him in the last several months sufficient in their intensity we thought to crush a smaller and less courageous spirit. Now, like a thrust from the dark has come also this latest wound which would seem too cruel to be borne; yet we who know him best, reverse him most feel that through these we have been linked even closer to him, and that the dauntless spirit he has shown in the face of trial has brought a deeper admiration for the man who stands at our head and a greater desire to walk by his side as he passes "through the Valley."

STROLLER PLAY

Next week brings the annual Stroller play, and observers declare that the present production is the best ever seen at the University. It is to be hoped that the students will give to its presentation the heartiest appreciation and support. Many of the great

colleges of America have dramatic clubs, and many have developed dramatic art to a high degree, but we are proud to say that the Strollers have no reason to be ashamed of their production even when compared with those of the great schools. The value of drama lies not in the splendor of stage effects, excellent though these be, nor in the ability to command elaborate theaters and large crowds, but in the ability of the actors to interpret great thoughts, Corneille and Shakespeare surpass Eugene O'Neill and George Bernard Shaw.

The creditable production of such a play as "The Thirteenth Chair" is no easy task. It involves tremendous amounts of hard work on the part of the actors, the managers and the property men. The smooth scenes on the stage are possible only after hours and days of labor on the part of students and faculty. The students should show their appreciation by attending the play and by getting out as many towns people as possible.

SEWANEЕ DEFEATS KENTUCKY

The University of the South gave Kentucky the first defeat of the debating season Saturday evening April 22 at Sewanee. L. C. Fielder and W. H. Peal of Kentucky opposed Cobb and Geary of Sewanee.

The debate was held in the Sewanee Union. The judges were from Winchester, Tenn. One vote was for the negative represented by Kentucky and the other two were for the affirmative. The immigration question was debated as in the other debates of the year. After the debate a reception was held at the Kappa Sigma house to which the debaters were invited. On the return trip the Kentucky boys stopped in Chattanooga and spent a day exploring Lookout Mountain, the scene of the famous "battle above the clouds."

The next debate will be with Vanderbilt on Friday evening April 28, in the Chapel at the University of Kentucky. Kentucky will be represented by John L. Hays and C. M. C. Porter.

WAS DISCOURTESY INTENTIONAL

The Kernel regrets to call attention to the apparent discourtesies offered to Strollers in a certain Central Kentucky town on the occasion of the presentation of "The Thirteenth Chair," the annual play of that excellent organization. In this instance during an impressive dark scene of the play numerous persons behaved in a way so wholly unbecoming to well bred folk, that the Kernel prefers to believe that they mistook the dark scene rather for a failure of lights and that their agitation was born of the fear that the play might be marred. It is however incomprehensible to us that such conduct as cat-calling, throwing of paper wads, peanut hulls, during a most impressive part of the great Veiller play, could have been done by persons who were jealous of their own reputation for good conduct.

Students who gave this wonderful play and even produced it in its entirety have been widely complimented for their remarkable work by discriminating auditors and they appreciate these compliments as much as they regret the undignified action of a number of persons who perhaps did not catch the fine spirit of the drama.

The Kernel knows however that those who were guilty of discourtesies here complained of were not the representative people of that community in which the Strollers gave the initial performance of "The Thirteenth Chair."

SCOTTI GRAND OPERA

The Scotti Grand Opera company will give two bills at Woodland Auditorium, Friday, May 19, matinee and night. There will be Genard Papi and Wilfred Pallatier of the Metropolitan company as conductors and the artists of that organization now with the Scotti company, who will come to Lexington are: Soprano, Alice Gentle, Mary Sundellus, Queena Mario, Anna Roselle; contralto, Mary Mellish, Myrtle Schaff, Henrietta Wakefield; baritone, Antonio Scotti, Renato Zanelli, Greew Evans, Louis D'Angelo; basses, G. Piechi and Palo Annanian. With the stars already named will be 45 men of the Metropolitan orchestra

and 40 members of the chorus. The matinee opera will be Bizet's Carmen and in the evening Pagliacci by Leoncavallo and L' Oracolo by Leoni will be given. The organization that will come to Lexington will give presentations of the famous operas announced in a way equalled by no other company on the road. The entire group of Metropolitan stars who have not been brought to Lexington for concerts during the past two seasons will be brought for the grand opera season of 1922 and with the famous Scotti at the head.

Seats for the operas are now on sale at the Lexington College of Music, telephone 639-X. Special prices of \$2.75 is offered to students and teachers for the matinee when tickets are bought in blocks of 20 or more.

DEATH OF MRS. CoVEY
(Continued from page 1)

The funeral services were conducted by Dr. Benpamin J. Bush, assisted by the Rev. Charles McVey of Rolla, N. Dakota and the Rev. William McVey of Carbondale, Ill.

The pallbearers were: Carol M. Sax, Dean Thomas P. Cooper, Fred C. Rec, tor, Richard Stoll, Professor C. A. Lampert, Thomas R. Bryant, George Graves and R. C. Gordon.

Memorial Services Held

A memorial service for Mrs. McVey under the auspices of the faculty was held in chapel Thursday morning. Superintendent of Public Instruction George Colvin, Professor Farquhar and Mrs. Lafferty paid beautiful tributes to her memory. Resolutions of sympathy were passed by the faculty of the University, the Deans of Colleges of Liberal Arts of State Universities of the Middle West, National Academy of Visual Instruction, National University Extension Association, the Deans of Men of Universities of the Middle West and the Mid-West Student Conference, all of which were in convention at the University during the week.

Other resolutions were passed by the Fayette County League of Women Voters, the Central Kentucky Branch of the American Association of College Women, the University Woman's Club, the Woman's Club of Central Kentucky and the student body of the University.

Resolutions by Student Body

The resolutions passed by the students were as follows:

"We, the student body of the University of Kentucky, have learned with profound regret that Mrs. Mabel Moore Sawyer McVey, wife of the President of the University passed to rest Wednesday evening.

"We realize that, on account of her leadership in matters of education, her sympathetic interest in all activities of the student body, her uniform desire to promote the welfare of an institution that is dear to us all, we have lost a loyal friend and a wise counselor.

"Be it resolved therefore, that we extend to President McVey and his family our sympathy, and further be it resolved that a copy of these resolutions be sent to the family and to the press.

- "C. H. MAHONEY,
- "FANNIE HELLER,
- "MYRTLE CLAR,
- "JOHN W. CRENSHAW,
- "ED GREGG."

Editorial Note: The Kernel regrets that lack of space prevents the publishing of the numerous resolutions drawn up in honor of Mrs. McVey.

LETTERS FROM KENTUCKY

DR LIPSCOMB ADVISES
(Continued from page 1)

is so well represented by outstanding students at the University will long be remembered. A dance was given in the afternoon for the cast, and attended by young society folks of Richmond.

The same hearty welcome with which the Strollers were received in Middlesboro when they produced "The Admirable Crichton" last season, was extended them yesterday when they arrived in that city and presented Veller's gripping mystery drama. A large audience of Middlesboro theatrical critics who witnessed the play expressed themselves very favorably, and complimented John Burks, director very highly for bringing to their city a play that was far beyond the bounds of amateur touch, and so nearly professional.

The last performance on tour will be given in Pineville tonight. An ad-

vance report was received to the effect that many tickets have already been sold.

"THE THIRTEENTH CHAIR"
(Continued from page 1)

"Jessie Dodd, our sister in Theta Sigma Phi, is dead. The first break in our devoted circle has been made by the most unwelcome of all intruders. The news shocks and wounds us. Try as we may we can not see the reason for her death; why a life so brilliant in promise, so helpful and so true should be ended as the light of the noonday sun shone on it fullest. We can only seek comfort for ourselves and for all who loved her in prayer, the best way known to believers in the immortality of the soul, and the consolation of a hope in a life eternal where no member will fail to answer at fraternal roll-call.

"Therefore, be it resolved that we place this tribute to an honored journalist student on the records of Theta Sigma Phi; publish it as our expression in the next edition of the Kernel and send a copy, with our love and sympathy, to the members of her family.

- "MARGARET A. SMITH,
- "DOROTHY MURPHY,
- "MARGUERITE McLAUGHLIN."

"When assembled happily on Sunday morning, April 23, in the assembly rooms for the April meeting, the members of the Catholic Club of the University of Kentucky did not know that death was hovering over one of its most valuable members and that Jessie Dodd, a senior in the University, was nearing the entrance of that great life beyond the reach of shadow; that the sun of the spring day was setting for ever on a beautiful girl whose very being had for nearly twenty-one years been a joy and treasure in the home circle in which the Creator placed it, the blessing that forbids the knowledge of the happenings of the future was shed on the students assembled but the cruel realization came to them without mercy the following day.

"Therefore, be it resolved, that a copy of this expression be placed on the record of the club, sent to her family and published in The Kentucky Kernel.

- "KATHERINE CONROY,
- "AL MUTH,
- "PAUL CAIN,
- "KATHERINE DUNN."

JESSE DODD DIES
(Continued from page 1)

be made hapier by this symbol of a State's appreciation and by the plan to keep the life of the youth always teeming with patriotism. Can we afford to do less?

Superintendent's Letter to Comrades
"Some three years ago the plan was conceived of erecting on the campus at the University of Kentucky a State Memorial Building in honor of Kentucky's sons and daughters who served and sacrificed in the World War. It was planned to raise funds for this purpose through voluntary public subscriptions. The amount of money sought was \$300,000. Those who have the matter in charge have thought it proper that the school children of Kentucky should participate in raising the funds for this laudable purpose. The week of April 24 has been designated by Governor Morrow as MEMORIAL WEEK, and the school children of Kentucky, in accordance with plans that will be furnished you, will be privileged to share in raising the fund necessary for the erection of the Memorial Building.

"I bespeak for those who have the matter in charge your hearty co-operation. It seems to me altogether fitting that Kentucky should have such a Memorial Building, and that it should be located upon the campus of our State University. We wish that our young men and our young women should know the price that was paid for the preservation of our institutions and of our liberties. We wish coming generations to know that in the hour

of civilization's need, Kentucky's young manhood and young womanhood, true to the best traditions of our Commonwealth, gladly paid the price that all that men hold dear might be preserved. No university, no institution, can teach a more important truth than this of unselfish devotion to our country's rights and our country's ideals.

"To raise the necessary fund will mean sacrifice; but in this slight sacrifice our children will be entering into the great sacrifice made by those whose services this structure will commemorate. We should give as they gave; we should serve as they served. Other states have done as much; Kentucky can afford to do no less.

U. K. TRACK TEAM MEETS TENN. AT KNOXVILLE SAT.

Eight Letter Men to Make the Trip; Opposition said To Be Strong

The annual track meet between the University of Kentucky and the University of Tennessee will be held at Knoxville Saturday April 29.

The squad will leave for Knoxville Friday morning in charge of Coach George Buchheit who will be assisted by manager Albert "Red" Hukle. About twelve men will make the trip.

The following letter men will make the trip: Clare, Porter, Wilhelm, Boyd, Davidson, Nantz, Hollowell and Snider. The rest of the team will be picked from the following: Wolfe, Nicholson, Wilson, Sturges, Butler, Brown, Dean, Ogden, Brewer, Dewhurst.

The men have been working hard under the capable guidance of Coach Buchheit and expect to be in excellent shape for the coming meet. Snider who has been off the team because of ineligibility of studies has returned to the fold and will help run up points in the relay and the jumps.

Captain Clare the Wildcat Ace will be entered in the hurdles and the sprints. The relay team will be composed of Wilhelm, Nantz, Boyd and Snider.

Last year Kentucky was able to defeat Tennessee by a fair score and is determined to again duplicate that victory. Tennessee, however, has a much better balanced team this year than last and with several letter men back on the squad, Coach Banks expects to give the Wildcats some stiff opposition. Tennessee has just built a new cinder track, a thing that Kentucky badly needs. And the Tennessee men will have the advantage of working out under conditions similar to those under which the meet will be held.

CONFERENCES AT U. K. COMPLETE MEETINGS

Final Addresses of Educational Sessions Held on Campus Given Saturday

Final addresses and business sessions Saturday marked the close of the series of six educational conferences that have been in session here during latter half of the past week.

The seventh annual conference of the National University Extension Association, the Mid-West Student Conference of Colleges and Universities and the Home Reading Conference were the three national educational organizations to end their meetings Saturday.

The conference of Deans of Men of State Universities and that of Deans of Colleges of Arts and Sciences in Colleges and Universities in the same district were ended Friday, while the third annual conference of the National Academy of Instruction completed its meeting Thursday night in order that its members might attend the other educational meetings in progress.

WORK BEGUN ON NEW BOTANICAL GARDEN

Plot Has Been Rerepared and Cereals and Wild Grasses Planted.

Actual operations have started on the University botanical garden, which is located between the Woman's Gymnasium and Stoll Field. This garden is intended to serve the double purpose of bringing together as many plants as possible for scientific purposes and of beautifying a hitherto unimproved spot on the campus.

The ground for the grass garden was plowed last week, and about seventy-five varieties of barley and about twenty varieties of spring wheat have been planted. There is a row of pod corn, each grain of which is enclosed in a separate husk; this is thought to be the wild ancestor of our cultivated corn.

In addition to these cereals, a number of wild grasses, including several foreign species, have been planted. These are to be used in some experimental work, and it is hoped that there will be as many as two hundred species in the garden by the end of the summer.

The plots for the dahlias will be made soon. There are fifty different named varieties on hand at present and they will soon be growing. Many wild plants have been contributed to the Department by students and these afford a nucleus for a wild flower garden.

A number of irises and chrysanthemums have been promised the Department, and in the future it is planned to devote permanent space to these old favorites.

Among the unusual plants that will be found in the garden this year are skunk lily, skunk cabbage, pod corn, rainbow corn, giant castor bears, shamrock, spider lily, ginseng, date palm, alligator pear, banana and cotton

Y. W. and Y. M. C. A. News

The responsibility enjoined upon college women for the welfare of those living in the charitable institutions of the state was emphasized by Miss Lucy Simms, chairman of such institutions in Kentucky, speaking to the members of the Y. W. C. A. in Patterson Hall Sunday evening.

Miss Simms spoke of those in the Feeble Minded Institute at Frankfort as little children, who would never grow up; children who, though some have grey hair, enjoy play and know nothing of the responsibility of grown-ups. The inmates of the Reform school she referred to as boys and girls who would grow into useful citizens of criminals according to the environment the state throws around them. She said that insanity is intermittent and that in their sane intervals the men and women in the Hospital for the Insane desire employment and amusement. She gave instances where an interest in work removed from personal trouble had restored insane minds to health.

The state of Kentucky is not a pauper State. She has wealth to provide for the needs of all of her unfortunate people. It is the duty of college trained women to awaken the consciences and intelligence of Kentucky's citizenship to a realization of the need of these people, said Miss Simms.

Sara Cequin has been appointed chairman of the program committee of Y. W. C. A. to take the place of Lucille Youngblut who has been elected Undergraduate Representative because of the resignation of Laura Hubbard from that office. Nell Hank has been appointed chairman of the social committee.

Edna Snapp, president of Y. W. C. A. and Lucille Youngblut, undergraduate Representative, are in Little Rock,

Arkansas this week attending the national convention.

Installation services for the new cabinet will be held at the Sunday night meeting of Y. W. C. A. in Patterson Hall. Miss Smith of Louisville will speak on the spirit that should animate us in our work.

The Y. M. C. A. of the University instead of holding its usual meetings in the Y room on the campus is, during the revival meetings at the tabernacle in Lexington, joining with other young people's organizations of the city in giving programs. Last Sunday they met with the young people of the Central Christian church. The meeting was in charge of Rufus Perkins of the University Y. M. C. A. The meeting next Sunday will be at the First Methodist church.

Monday night May 1 is to be known as Y. M. C. A. night at the Tabernacle. Every member of the organization is urged to be present.

Saturday April 29 seventy-five students and the board of directors of the Y. M. C. A. will go for an outing to Bluegrass park where the work for next year will be talked over and plans for a Friendship council made. The party will leave the campus early in the afternoon by special car and will return about 7:00 p. m.

At the election of the Y. M. C. A. held Sunday night April 16 Professor E. S. Good, Mr. A. E. Stephens, and Gil-

bert Smith were elected to serve on the board of directors and Professor E. A. Bureau, L. B. Hall and Robert Clem were elected new members of the board of directors.

F. M. Heath was elected president; Sam Ridgeway, vice-president; F. A. C. Thompson, treasurer; and A. L. Atchison, secretary.

NOTICES

There will be a meeting of the Romance Language Club Monday afternoon, May 1, at 3:30 o'clock in Professor Zembrod's room in Administration building. All new students wishing to become members are asked to be present. Election of officers for next year will be held.

Junior Scribblers meet Friday night at 7:30 in the Woman's League Room in White Hall.

The History Club will meet Friday afternoon, May 5 at 3:40 in room 203 Administration building. All those interested in present day topics are invited to attend. Refreshments will be served.

Next Orchestral Concert To Be Given Sunday, May 7

There will be no orchestral concert given in the University chapel Sunday owing to the recent vacation and to the fact that the orchestra is playing for the Stroller play Thursday and Friday. The next concert will be given May 7 in Chapel under the direction of Professor Lampert.

AGRICULTURAL NEWS

Professor E. J. Wilford, in charge of swine and butchering at the Experiment Station, attended a meeting of the Swine Producers in Chattanooga, Tenn., April 19. The meeting was held primarily for the purpose of investigating salt pork production.

Representatives from the Animal Husbandry Department of the Experiment Station will attend the pure bred bull sale at Louisville, May 4. This sale will be held under the auspices of the Kentucky Pure Bred Live Stock Breeders Association.

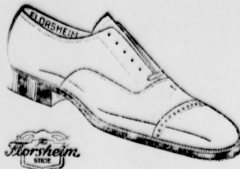

The Kentucky Short Horn Breeders Association held a bull sale at Mt. Sterling, April 17, at which time 19 bulls were sold at an average price of \$71.50. These were pure bred bulls and most of them were purchased by farmers of Montgomery County. The mountain counties furnish the grazing and feeding steers for the Mt. Sterling market. The Extension Department of the University cooperated with the Short Horn Breeders Association in making this sale a success.

Prof. L. J. Horlacher was in Eminence last week visiting the farm of T. S. Hornsby and Son to select a Southdown lamb which this farm is to present to the Sheep Department at the Experiment Station. This lamb will be fitted for the International Live Stock Show at Chicago. Hornsby and Son have the largest flock of Southdowns in the State and Prof. Horlacher had the privilege of selecting any lamb on the farm. He reports that a very promising lamb was procured.

The extension work in agriculture and economics to be carried on during the week by specialists from the College of Agriculture will touch twenty-six different counties of the state. The junior agricultural club will receive special attention and subject relating to the greater and more economical production of sweet potatoes and strawberries will be discussed. Farm management and accounting as well as crop work and pure bred dairy farming will also receive attention in most of the counties.

Students Give Matinee Tea Yesterday Afternoon

"The Six Who Pass While The Lentils Boil," one of Stewart Walker's Washington Square plays, was presented at the weekly matinee tea yesterday afternoon. Composing the cast were, Miriam Seeger, student director; Joe Wadsworth, Gus Leech, Kenneth Tuggle, Douglas Vest, Earl Landers, and Irene McNamara.

WILDCAT NINE TO MEET GEORGETOWN TIGERS

Game Called at 3:30 This Afternoon on Stoll Field

The first of the two games of baseball Coach Jim Park has slated for this week will take place Friday afternoon at 3:30 o'clock on Stoll Field when the Kentucky Wildcats cross bats with the Georgetown Tigers.

The game with Georgetown was originally scheduled for April 1, but was advanced to April 28 because of unfavorable weather conditions. Since that time both teams have had plenty of action, Kentucky losing only one game and that to the strong Michigan University team.

Captain "Bud" Slomer, who wrenched his knee in a practice game last week, will not be able to play against Georgetown. His place will probably be filled by Fleahman or Stokes who made his bow to Kentucky baseball fans in the Centre game last Saturday and who also gives great promise.

Coach Park will give his men a thorough workout all this week in preparation for the Georgetown game. The fielding of the Wildcats which was a little leaky in the Centre game will be given particular attention.

According to dope the Wildcats have the edge on the Tigers. April 15 Kentucky defeated Ohio State 10 to 6, the Buckeyes having defeated the Tigers the day before by an 8 to 1 score. Bailey the mainstay of the Tiger pitching staff, however, was absent from the Georgetown lineup.

Georgetown can be depended upon to make things interesting and with six letter men from last year back on the team will give Kentucky a terrific struggle. Last Saturday the Tigers held the strong University of Louisville team to a 2 to 2 tie.

The probable lineup for Friday's game is as follows:

Kentucky: Brown 1b; King ss; Pergrem 3b; Sauer lf; Jones cf; Beam rf; Pribble c; Fleahman or Stokes p.
Georgetown: Berry 1b; Martin 2b; Funk ss; T. Perry 3b; D. Berry lf; Trunnel cf; Beckley rf; Cloar c; Bailey p. Umpire, Wright.

CENTRE COLLEGE NINE VICTIM OF WILDCATS

Game in Doubt Until Final Inning; Score 10 to 9.

The University of Kentucky Wildcat Baseball team defeated the Centre College colonels by a 10 to 9 score on Centre's home grounds last Saturday afternoon.

The result of the game was in doubt up to the last put out, as both teams scored in the final inning. Kentucky went into the last inning leading by four runs. Hunter opened the inning for Centre by reaching first on Pergrem's error. Carter grounded to King who muffed it. Hays singled to left, Sauer allowing the ball to roll through his legs. Hays taking third with Hunter and Carter scoring Lemon reached first on another error by King which scored Hays. The Colonels were now one run short of tying Kentucky and no outs. Gregor drilled the first ball pitched to deep center for two bases, Lemon scoring. It was at this time that the break occurred. Tillet who was umpiring with Acton, had called time out before Stokes delivered the ball and had started toward third base to clear away the spectators who were crowding the base line. The umpire ruled the play dead and sent Lemon back to first and Gregor to bat over. Gregor flied out to second and the next two batters went out in order leaving Lemon anchored on first. The batting average of Jones of Kentucky took an upward trend in this game, Otis making two doubles and two singles out of five trips to the plate. Pribble collected two doubles and a single.

Fleahman started for Kentucky, but was replaced by Stokes after the first two and one-half innings. Stokes re-

placing Fleahman pitched his first intercollegiate ball in this game and worked well against the Colonels who were able to collect only three earned runs off him.

The box score:

Struck Out—By Fleahman 1; by Stokes 4; by Moran 5; by Embry 1. Bases on Balls—Fleahman 5, Stokes 2, Moran 2. Hit by pitched Ball—by Moran (Pergrem 2); by Embry (king). Time—2:06. Umpires—Tillet and Acton.

WILDCATS BASEBALL TEAM TO MEET AT U. C.

"Bud" Slomer May Not Play On Account of Injured Knee

The Wildcat baseball team scheduled to play what probably will be one of the hardest games of the season next Saturday afternoon when it clashes with the University of Cincinnati at Cincinnati. The squad will leave for Cincinnati Saturday morning in charge of baseball Coach James Park.

The following men will probably make the trip: Pergrem, Sauer, Burnham, Brown, Pribble, King, Beam, Jones, Fleahman, Stokes, Underwood, Boren and Gregg.

Monday afternoon the squad went thru a brisk workout and the men are fast whipping into shape for Saturday's conflict. Captain "Bud" Slomer wrenched his knee in a practice game last week and it is not thought that "Bud" will be able to play in Saturday's game. His place probably will be filled by either Stokes or Fleahman.

Little information has been received from the University of Cincinnati team, but the Bearcats are reported to have an unusually strong nine and may be depended upon to give the Wildcats a keen struggle.

BEARCATS TO MEET KY. MEN SATURDAY

Final Interscholastic Meet Held on Stoll Field Same Day

Saturday May 6 will be a big day for track enthusiasts. On that date the finals of the interscholastic meet will be held and the dual meet between the University of Kentucky and the University of Cincinnati track teams will also be held.

Last year the meet between Kentucky and Cincinnati was called off on account of rain. The preceding year, Kentucky succeeded in defeating the Bearcat speed merchants and are determined to come out on the long side of the score again this year.

Little information of what kind of

track material the Bearcats boast of this year has leaked out, but they may be depended upon to put up some keen competition to even up the defeat of the last meet held between Kentucky and Cincinnati.

MOVING DAY

Seniors who wish to take part in Moving Day exercises should see Joe Jordan or Louise McKee for assignments and appointments for try-outs.

QUALITY AND SERVICE

In Selecting a University--

For a college education, there are five things to be taken into consideration:

1. The men at the head of the institution.
2. The Scholastic standing and ability of the Teaching Staff.
3. The location and advantages of environment.
4. Equipment, buildings, laboratories and libraries.
5. Cost.

In all these respects the University of Kentucky Commends itself to those seeking a higher institution in which to carry on their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.
