

junior and senior colleges are seeking the education and training represented by higher degrees. To meet this demand, the several colleges of the University are providing larger programs of work for graduate students.

**Residence Credit.** A graduate student must carry at least six hours in the Summer Session to be entitled to full residence credit for the session.

**Applicants for Graduate Degrees.** Applications for degrees must be made at least four weeks before the date of commencement. These applications are made at the office of the Registrar of the University.

**Requirements for the Master's Degree.** A candidate for the degree of Master of Arts or Master of Science is required to complete 24 credits of graduate work of which two-thirds is in a major and one-third in electives, spend a full year in residence, present an acceptable thesis, have a reading knowledge of one modern foreign language and pass a final oral examination. He must maintain a standing of 2.0.

**Requirements for Professional Degrees.** The professional degree of M.A. or M.S. in Education, or M.S. in Agriculture or Home Economics, may be secured with the same requirements except that there is no language requirement and, that with the permission of the department concerned, 12 additional credits and 12 additional weeks may be offered in lieu of a thesis.

**General Requirements for a Master's Degree.** All candidates for any master's degree must have completed the equivalent of a B.A. or B.S. degree in a fully accredited institution. Part-time residence during any semester or summer session is computed on the basis of one and one-half weeks of residence for each credit earned, but the amount of residence for part-time work is limited except for graduate assistants and part-time instructors, to not more than six weeks in any one semester. No credit toward advanced degrees is allowed for correspondence work.

**General Requirements for the Doctor's Degree.** The degree of Doctor of Philosophy is offered with major work in the following departments: Chemistry, Education, Economics, English, Farm Economics, History, Markets and Rural Finance, Mathematics, Physics, Rural Sociology, Psychology, Political Science, and Romance Languages. Minor work may be carried in any department offering graduate courses.

The degree of Doctor of Philosophy is conferred upon a candidate who after completing not less than three years of graduate work devoted to the study of a special field of knowledge, satisfies the language requirements, passes the required examination in the subjects, presents a satisfactory dissertation, and is deemed worthy of recognition as a scholar of high attainments in his chosen province.
