June 2-1923. Dear Frank I had hoped that you would send us some money where you felt able, but you seem to have frighter that you have two children who need some little. thing almost every day. I have not been a charity case althoughter, as I have been able to do enough whenever I go to feel that I has at least paid our brand, but I can't expect these people to clothe their show they have a futer who is more able to do it Jo you remember going & Ma Fenna Just before I came away and asking him to make out reparation papers and willing him you would send me \$125 a month? I have not aked you for a thing, therking that whenever you had any money to spare, you would think of your family. Frances broken her glasses and had to have new ones - she has grown so, she needs all new clothes for summer. They need shows and hate

and about energthing else. School race out last Friday and they both get through fine. Frances hed an average of 197, 7. - she trik some the eigenth of orde mork and mm. Cour he would have jassed her for High School. It is very hart here mays

Dec 27-1928 He opened your funes box fines ever and all the presents rule lovely. I appende them a lot, especially the book of Joeus. I am glad you sent the Statels such hile presents - they have been So good to Beeky. I don't know what we'd have done these last fine years of it hadn't been for them. But I was disappointed you didn't have a little Something in for manning. The how been mightly and to your and I think it toute fretly cheap not to just a little smething in:
I guess you think this is a feeling letter to mile aftern Sucas, but I have been fully fritty the since I came home It's not much fun to true in one room. We've been living here for four years brokery for the time to come when me could have things just a little tit better, but that doesn't seem any nealers now than it ever did, It's fretty discouraging. It was alright when Breky was butte but she'll be sin High I had fretty Doon - and it's not much fun being in " " when you're ashamed to have any of your friends to visit you, the have all we can do to get along in one from much less to such you didn't know how a some throng and that

who to that turn you had been able & Sund any where money then your had been sending. But you know now how more are living and you have money to key many Rhodes out there all mater, but manning and Breken are still getting along the best way they can Of course I appreciate your sending me to School but In know I wouldn't mant you to do so if I Chought you couldn't do that and send manny + Buky Inney to live on too, I green you haven't don't any more for me chair I'd the melling to do for you but that more than I care say of the Rhoder, you must enjoy having that where person around and.
