

Minutes of the University Senate, February 12, 1968 (Con't)

Dr. Elbert W. Ockerman, Mr. Keller Dunn, and Mr. Ray Cumberledge reported to the Senate on programs, progress, plans and problems of the Office of the Registrar as circulated to the faculty under date of February 4, 1968. Following their presentation the Chairman thanked these gentlemen on behalf of the Senate for a very informative and comprehensive presentation.

Due to the lateness of the hour it was the consensus of the Senate that the Rules changes which had been placed on the agenda be moved to the March meeting.

The Senate adjourned at 5:10 p.m.

The minutes of the meeting of February 12, 1968 were approved as circulated.

Dean Charles P. Graves, School of Architecture, presented Resolutions on the death of John D. Ray with the recommendation that they be spread upon the minutes of the meeting and that a copy be sent to members of his family. The Senate approved the Resolutions and stood for a moment of silence in his honor.

PROFESSOR JOHN RAY

John Ray died on February 22, 1968 at the age of 28; with his surprising death came the end of the ability and promise he had demonstrated to the University of Kentucky and its School of Architecture in which he served as an Assistant Professor.

John Ray came to UK in 1966 as a design instructor from the Cranbrook Academy of Art where he obtained his master's degree. While there he held the Eliel Saarinen Memorial Scholarship.

Minutes of the University Senate, March 11, 1968 (Con't)

He had experience with several architectural firms in his home town of Louisville. His B.A. Degree was from the University of Cincinnati where he distinguished himself during his years of study.

He has a remarkable record of exhibitions, awards, and research for a man not yet 30 in a profession which does not expect major contributions before the age of 45. His talents extended also to art and music; he was an accomplished professional guitarist.

In his personal relations John Ray found himself liked by students and respected by his colleagues. He was married to the former Nancy Taylor less than a year before his death.

John Ray's death is a great loss to those who knew and worked with him. Beyond this personal tragedy is a loss to all of us; there are things in this world which will not be done, contributions which will not be made, ideas which will not be advanced, students who will not be inspired, because John Ray is gone.

It cannot be said that John Ray enjoyed a long and distinguished career at UK; instead it was short and promising--and in that fact lies our conviction to fill as best we can the vacuum his passing has created.

Dr. Lewis Cochran, Dean of the Graduate School, presented a recommendation from the Graduate Faculty that honorary degrees be conferred on six persons at the May 1968 Commencement. The six persons whose names he presented were approved by the Senate for the degree indicated for recommendation to the President and the Board of Trustees with the request that the names be withheld until the Board has taken action and the nominees have accepted.

Dr. William Plucknett, former Chairman of the Rules Committee, presented changes in the Rules of the University Senate (circulated to the faculty under date of January 18, 1968): The Senate approved these changes as follows:

Rules of the University Faculty, March, 1964

page 8, paragraph numbered 5, Admission as an Auditor--change to read: By payment of the required fees any person may be admitted to a class or classes as an auditor. An individual who is admitted to the University as an auditor may not change from audit to credit. A student regularly enrolled in any college must apply to the dean of the college in which he is registered in order to be an auditor. Other persons should apply to the Registrar's Office for admission.

page 12, following paragraph beginning with "Grade W"--insert the following: Audit. Any change from audit to credit by a student regularly enrolled in a college must be accomplished by the last day of late registration and any change from credit to audit must be made by the last day to drop a course without a grade. No credit can be given for a class audited, nor is the student permitted an examination for credit. No instructor is authorized to admit anyone as an auditor to any of his classes unless the auditor has registered as such.

Minutes of the University Senate, March 11, 1968 (Con't)

page 10, under APPLICATIONS FOR DEGREES--substitute the following: To be eligible for a degree, the student must file an application with the dean of his college within 30 days after the beginning of the semester or 15 days in the Summer Session in which he expects to complete his work. The degree applicant must pay his graduation fees within 60 days after the beginning of the semester or 30 days in the Summer Session in which he expects to complete his work.

page 10, paragraph 8--change to read: Credit for Work Done at University Community Colleges. Credit for work done while registered at University Community Colleges shall be limited to freshman and sophomore courses. The maximum credit acceptable from University Community Colleges toward an undergraduate degree shall be 67 credit hours. This maximum is to be reduced by any credit hours earned previous to enrollment or re-enrollment in a community college or by concurrent enrollment in another institution or program.

page 13, under STUDENT LOAD, paragraphs 3 and 4--change to read: A student who has attained a grade point average of 3.0 on a load of at least 15 credit hours for the preceding semester may be permitted by the dean of his college to carry a maximum of three extra credit hours provided the total is not in excess of twenty-two (ten credit hours for the Summer Session).

A student on academic probation shall take no more than 15 credit hours in a semester or seven credit hours in a Summer Session.

page 15, All Undergraduate and Professional Colleges, beginning at line 14--change to read: At any time the dean of a college in which a student is enrolled may declare the student ineligible because of failure in current class work; at any time the Dean of Students may declare a student ineligible whose participation in an activity is judged to be detrimental to the student, the organization, or the University.

page 25, University Center--change to read: University Community College. An integral organizational unit of the University located away from the main campus for the purpose of providing appropriate programs of the parent institution.

page 15, the last paragraph immediately preceding OFFICIAL WITHDRAWAL FROM A COURSE--substitute the following: Each student has access to rules dealing with probation, drop for low scholarship, and reinstatement through the printed class schedule and the University Catalogue.

The Senate approved a motion to add the following rule to the Rules of the University Senate:

Credit for courses taken by special examination shall be considered residence credit.

The Senate approved a motion to send back to the Rules Committee for further study the recommended change covering the I grade for undergraduate and graduate students, page 12 of the Rules of the University Faculty.

The Senate approved a motion to change the definition of CREDIT HOURS at the top of page 13, paragraphs 1 and 2 of the Rules to read as follows:

Minutes of the University Senate, March 11, 1968 (Con't)

In general, undergraduate courses are developed on the principle that one semester hour of credit represents one hour of classroom meeting per week for a semester on the part of the student exclusive of any laboratory meeting. Laboratory meeting, generally, represents at least two hours per week for a semester for one credit hour.

Credit for short courses of less than eight weeks shall be limited to one credit hour per week.

The Chairman stated that consideration of recommended Rules changes would continue at the next meeting of the University Senate.

The Chairman reported that a policy statement concerning off-campus speakers to the University would be presented to the Senate in the near future.

The meeting adjourned at 5:15 p.m.

The Secretary, University Senate Council, extended to the University Senate, on behalf of the Board of Trustees, an invitation to attend the annual dinner for the Senate to be held on Monday, May 6, 1968, at Spindletop Hall. He also reported that of the six nominees who were approved by the Senate to be awarded honorary degrees at the May 13th Commencement, five had accepted; that the sixth, Mr. Whitney Young, had declined because of a prior commitment.

Professor Paul Oberst, a non-voting faculty member on the Board of Trustees, reported to the Senate that he did not wish to be a candidate for membership on the Faculty-Trustees Committee to search for a suitable candidate as President of the University; that he felt he could best serve the faculty of the University by
