### HERBERT GRAHAM QUILTS POSITION AS SECRETARY OF UNIVERSITY ALUMNI

Has Accepted An Editorial Position in New York

WAS FIRST SECRETARY

Successor Will Be Named As Soon As Possible

Herbert Graham, alumni secretary of the University, resigned last week and left Monday for New York, where he will engage in journalistic work.

Mr. Graham, formerly of Frankfort, has been in charge of the alumni office since its creation in June, 1920. He is a graduate of the University in the class of 1916. He taught journalism in the University for one year, leaving in the spring of 1917, shortly after the entrance of the United States into the World War, to join the army. At the close of the war he returned to Frankfort where he joined the staff of the Frankfort Journal. He was a political writer for the Lexington Herald from April, 1920, through the last presidential campaign.

During Mr. Graham's term of office as alumni secretary, the work of the Alumni Association has been put upon a substantial basis. At the time he took over the work, there were two clubs in the association. It now has eighteen within, and sixteen outside the state. The greatest accomplishment of the association under his leadership was the Greater Kentucky Campaign, to which more than \$210,000 has already been subscribed. Thirty-five hundred members took part in this campaign.

A successor to Mr. Graham will be selected immediately and it is expected that the new secretary will take charge of the office by December the first.

### STATE CROSS COUNTRY MEET TO BE HELD HERE

Louisville, Wesleyan and George to Oppose Wildcats Tomorrow

Saturday marks the revival of the State Cross Country Run which was discontinued last year, owing to some of the schools not having teams. This year's run will be composed of teams from the University of Kentucky, University of Louisville, Georgetown and Wesleyan. The run will be over the same course as was the Kentucky-Cincinnati meet.

Kentucky has a little edge on the other teams because of her past showing but is expecting hard opposition from the representatives of the University of Louisville, Georgetown and Wesleyan both have good teams and hope to be close up at the finish.

The Blue and White will be worn by Captain Gorman, Huff, Hendricks, Butler, Davidson and Allen. In this meet Hall is expected to make a new state record as he has already lowered the mark set by Porter in both of the meets so far this season. All the other members of the squad have been making good time in the tryouts and hope to finish among the first

### 1924 BENNETT PRIZE OF \$40 OFFERED BY TRUSTEES

Contest Open to Undergraduates of University

With the trustees' approval, the amount of the Bennett prize for 1924 will be forty dollars in cash. As the prize was not awarded last year it is hoped a large number will compete this year. The contest is open to all undergraduates of the University of Kentucky. Manuscripts must be in the President's office before May 1st. Approved topics follow:

1. The Origin of Parliamentary Institutions in England or Europe.
2. Growth of Parliamentary Government.
3. The Increase of Republics in the Twentieth Century.

Dr. Edward Tuthill, of the History Department, will be glad to confer at any time, with prospective competitors for the prize.

### DECEMBER 5 AND 6 DATES SET FOR OPERA MARTHA

Two Evening Performances And Matinee to Be Given At Opera House

December 5 and 6 are the dates set for the presentation of the opera "Martha," which the Music Department of the University will offer as its annual entertainment. Both performances will be at the Lexington Opera House.

According to James Baughman, business manager of the production, a special matinee will be given December 4 for the school children of Lexington and their mothers. The evening performance of December 6 will be attended largely by the students of the University and by the people of Lexington generally.

The department had originally planned to present the opera as part of the Thanksgiving home-coming celebration. However, it was found that all details of the production could not be worked out by that time. The "Market Chorus," which was sung in Freshman chapel Tuesday, is a part of the opera "Martha."

### ENGINEERS TAKE INSPECTION TOUR AT DIX RIVER DAM

Inspect Work Being Done on Large Dam

The Junior and Senior Engineers accompanied by Professor W. J. Carroll motored by way of High Bridge to Dix River Dam last Thursday. They ate dinner at the contractor's mess hall and were shown by the engineers the work on the dam.

This dam which is one of the largest pieces of engineering work in the state will, when finished, furnish power to Cincinnati and Louisville.

The engineers expect to make the same trip again in two months to see how much progress has been made in the work.

### MARGARET LAVIN UNDERGOES APPENDICITIS OPERATION

Miss Margaret Lavin, of Paris, underwent an operation for appendicitis Monday at the Good Samaritan Hospital and from the latest reports Wednesday was resting well.

### ALPHA DELTA SIGMA HOLDS ANNUAL PLEDGING EXERCISES

Journalism Fraternity Pledges Five Men

Alpha Delta Sigma, honorary journalism fraternity, held its annual fall pledging exercises in the journalism rooms yesterday at the fifth hour, pledging the following: Marshal Hall, Norris Royden, Dwight Bicknell, Thomas Duncan and Wicliffe Moore.

Following the exercises, which were private, the pledges and the alumni were guests of the active chapter at a luncheon given at the Kentucky Inn.

The active chapter are: Raymond Kirk, Troy Perkins, Madison Cawein, Arthur Hodges, Frank Carter, Emmett Bradley, Jasper McClure, Sterling Towles, William Tate, Eugene Moore, Robert Van Pelt and Tyler Munford.

### NEW MEMBERS CHOSEN FOR SPEAKERS' BUREAU

Selected to Fill Vacancies Created by Graduates of Last Year

At the tryouts held last Monday night by the Student Speakers' Bureau, H. H. Grooms, H. C. Johnson and Kenneth Tuggle were chosen to fill the vacancies created by the members who graduated last year. Alternates elected were S. H. Rice, J. H. Berryman and A. B. Roark.

Besides those who were chosen as members, Messrs. Sturgil, Bell, Bird, Butler, Daniels, Mason, Cross, Siler, Hogg, Nelson, Freyman, Dabney, Whitehouse and Henry, made fifteen minute speeches which were all comprehensive and well delivered. The judges were Prof. Enoch Grhan, Dr. J. T. C. Noe, Dr. Wiest and Prof. Sutherland.

After the try-outs, the members of the Bureau held a business meeting, in which C. M. C. Porter was elected chairman, and Robert Porter, secretary of the organization. Other members are James Darnell, Sidney Nea and Ryar Ringo.

The Student Speakers' Bureau was organized last year by eight students, with the approval of Dr. McVey, Herbert Graham, the alumni secretary. Its slogan is "No state is greater than its state University." Its purpose is the spreading of the gospel of higher education throughout the state, and bringing to the people, the realization that the University of Kentucky is the fountainhead of their entire educational system.

It has been estimated that the Bureau spoke to approximately eight thousand students and members of various civic organizations last year, in the interest of the "Greater Kentucky" campaign. Activities for this year are to be started immediately, so that the organization will be in readiness to bring its message before the Legislature.

### NOTICE!

Will all students please refrain from making paths across the campus? Please observe notices. We must preserve our campus.

### CATS AND TECH BATTLE TO 3-3 TIE IN GEORGIA CAPITOL LAST SATURDAY

Educated Toe of Curtis Sanders Enables Wildcats to Even Count

TECH SHIFT FAILS

Ramsey and Kirwan Put Up Excellent Games at Flank Positions

Fighting sturdily against Georgia Tech's shifts and holding the Golden Tornado to a lone field goal in the first quarter, the University of Kentucky Wildcat eleven came back in the third and fourth quarters to outplay the Atlanta eleven and tie the count. The contest ended with the score 3-3, both markers the result of placement kicks by opposing backs, Williams of Tech counting first with his forty-yard boot in the first quarter, and Sanders putting the Cats on an even level with Tech by his fifteen yard place kick in the third period.

It was quite a different Cat eleven from the one which lost to Alabama and Centre. Going into the game against hopeless odds, the Blue and White team put up one of the best games any Tech opponent has displayed this fall. On the defensive the greater part of the first half, Jack Winn's eleven put a crimp in practically everything that Tornado tried.

Several unfortunate breaks, however, put Tech within striking distance of the Cat goal three times only to have the Cats break up her attempts to score with the exception of Williams' 40-yard placement kick in the first quarter.

Shift Failed  
Tech could not get her shift to working properly at any time in the game, for the backs and forwards shifted

### LITTLE INTERNATIONAL SET FOR NOVEMBER 26

Hoof and Horn Club to Hold Meeting at Live Stock Pavilion

Monday, November 26, has been set for the "Little International," which is held annually under the auspices of the Hoof and Horn Club, primarily to promote interest in live stock and as a secondary interest a general good time for the club. The show will begin promptly at 7:30 p. m. in the Live Stock Pavilion on the Experiment Station Farm and everybody is cordially invited.

It has been the aim of the Club to give the public some idea of the big shows which are conducted year in our metropolitan cities and, while but epitomes in themselves, these "Little Internationals" have been most successful in the past few years and are gaining in popularity.

A fund of information, a bushel of fun and a horn of plenty are the an-

O-O-O

The Executive Committee of the Alumni Association has accepted the resignation of Herbert Graham as Alumni Secretary. He will go to New York for journalistic work, his former profession. The committee will elect his successor later in conjunction with President McVey.

Mrs. Nell H. Turner, who has been assistant to the secretary since December 1, 1920, and was in charge during his absence through the early fall will continue in that capacity and will be assistant to the new Alumni Secretary when elected.

## HOME COMING

Alumni from all parts of Kentucky and many other states will come to Lexington November 29 for the annual Home Coming. Reservations on trains, at local hotels and with friends were made months ahead by the Blue and White followers.

Laying the cornerstone of the new basketball building will be one of the chief features of the festival. This will indicate formal; the successful conclusion of the recent alumni drive for \$200,000 although subscriptions probably will continue to come from alumni and friends of the University for months.

It is expected that Governor-elect Fields will be one of the guests of honor at the cornerstone laying and at the football game with Tennessee which will follow. A university minstrel is one of the entertainment features planned for the visitors to fill in between the annual alumni dinner and the dance at the Phoenix Hotel.

The committee on arrangements was requested to leave as many open periods as possible to allow for informal reunions and celebrations.

## STUDENT SPEAKERS READY

The Student Speakers' Bureau, one of the most potent organizations on the campus, has been reorganized for its winter campaign. Talks before luncheon clubs throughout the State, women's clubs, high schools and various other public bodies made up the bureau's program last winter, a significant departure from the ordinary undergraduate activities. Tryouts were held in the last week to fill vacancies in the bureau. A score of young orators were in the competition.

Individual alumni and clubs have been asked to co-operate with this bureau which aims to tell the true story of the University, its work and aims, and to show the value of a higher education. Communications can be addressed to C. M. C. Porter, chairman, in care of the Alumni office.

## WILSON RUNS FIRST

W. C. Wilson, mentor of the class of '13 throughout its career from the "prep" to the senior year, recently led the ticket in the Lexington Commissioner's race. He was several hundred ahead of the nearest candidate in the

primary and increased that lead in the final election.

In the primary election of an Alumni Trustee of the University Mr. Wilson led the field again. He is chairman of the Executive Committee of the Association, was chairman of Fayette county in the Greater Kentucky campaign and saw his organization "go over the top" to the tune of more than \$89,000. He is a past state commander of the American Legion and generally recognized as one of the coming leaders in public affairs of the State.

Funeral services for E. A. Gullion, 70 years old, veteran editor and educator, who served as president of the Kentucky Press Association and the Kentucky Educational Association, were held at 2 o'clock last Thursday afternoon, with burial in the New Castle cemetery.

Mr. Gullion had been in ill health for several months. He was a native of Carrollton and during his career as a newspaper man, which extended over a period of more than forty years, was editor and owner of the Carrollton Democrat, the Eminence News and the Henry County Local. He retired as editor of the latter publication in July.

Mr. Gullion was a member of the 1922 General Assembly and introduced the Rash-Gullion prohibition law, the one now in force.

He was also a loyal supporter of the University, at which institution he obtained a part of his education. Maj. Allen W. Gullion, '14, Judge Advocate Department U. S. A., stationed at Governor's Island, New York; Carroll H. Gullion, '04, industrial engineer, Swift and Company, Chicago, and Major Walter Gullion ex-10, Judge Advocate Department, U. S. A., Tien Tain, China, his three sons, and seven grandchildren survive him.—Courier-Journal, November 13.

"Enclosed find check for dues and Kernel. Perhaps it may interest you to know that since graduating from the University of Kentucky, I have received the degree of M. S. (chemistry major) from the University of Chicago and Ph.D. (chemistry major) from New York University. Best wishes for a successful year at the University of Kentucky!"—Thomas M. Smith, Professor of Chemistry, New York University, University Heights, New York. Professor Smith married Miss Mary Ida Fisher, August 6, 1912. They live at 2015 University Avenue, New York City.

Benjamin Dunbar Wilson is professor of soil technology, Department of Agronomy, at Cornell University. Professor Wilson has been connected with Cornell University for many years, beginning his work there as a chemist, department of soil technology and being promoted to the position he now occupies. His address is Caldwell Hall, Cornell University, Ithaca, N. Y.

'10

"This is to acknowledge receipt of your card advising that 'To gain a friend is profitable.' I might say that to gain so indispensable a friend as 'The Kernel' and to retain that friend for a year at the cost of two bucks is not only profitable but extremely economical. Here's the two bucks and wishes for the continued success of the publication."—Carroll G. Taylor (with C. G. Taylor & Company, investment securities), 27 William St., Suite 803, New York City.

"Enclosed you will find a check, four dollars of which you will please credit to alumni dues and the balance to the Greater Kentucky Campaign fund. I have been intending for months to send in dues but have just let it go by. Please see that I get the Kernel as I like to see what is going on at old U. K."—A. F. Baker, advertising department, News and Observer, Raleigh, N. C. p. o. box No. 11.

'12

Since November, 1922, William Collins has been chief of the Field Service Department, Burley Co-operative Marketing Association, 620 South Broadway, Lexington, Ky. After receiving his B. S. degree in Agriculture in 1912, Mr. Collins conducted a very successful farming business in Bourbon county except for the period of the World War when he served his country as a captain of cavalry, U. S. A. After his return to civilian life he conducted his farming business until he entered the employ of the Burley Association. He married Miss Myrtle Glass, of Georgetown, Ky., October 16, 1922. They are living at Preston Arms Apartments.

'13

James Alfred "Fred" Myers, is an engineer, Maintenance of Way Department with the Big Four Railroad Company. He is now located at Gallon, Ohio. In 1915 he married Miss Anna Bollinger and they have one son, James B., aged six years.

'14

George Edelen Kelly was a member of the Class of '14 and the well known Faraday Society, a Tau Beta Pi man, Lamp and Cross and Mystic Thirteen, and to quote the annual, "held the record of the class as a joiner of fraternities." Immediately after graduating he returned to his home and is now secretary and manager of the Lebanon Light, Ice & Power Company. He married Miss Frances Durham, April 6, 1921. They have one son, George E. Jr., seventeen months old. Address, Lebanon, Ky.

'16

Miss Laura Steele and Mr. William Hooker Arthur were united in marriage November 14, at the home of the bride's uncle, Mr. O. L. Steele, in Lexington. After a short wedding trip Mr. and Mrs. Arthur will make their home in Ashland, Ky., where the bridegroom is employed by the New York Life Insurance Company.

"This check was long over due and that fact was brought forcibly to my attention by the sample copy of the Kernel sent out not long ago, so please see that the Kernel reaches me at Greenville, Ky."—T. C. "Tom" Taylor, with the W. G. Duncan Coal Company. "Just received your card informing me that I have neglected to remit for my alumni dues. Enclose my check

for I do want to keep in touch with what is going on at the University. All good wishes for the University and Association."—W. Lee Smith, 304 Furniture Building, Evansville, Ind.

'18

"I enclose check for dues and am sorry I have not sent it sooner for I look forward to the coming of the Kernel each week with all eagerness. I think the spirit of our Alma Mater is wonderful. I had the pleasure of attending the game at Danville and even though it rained enough to dampen their ardor and Centre was defeating us, the student body had the courage to continue their yells. I hope we continue to maintain this spirit in all our undertakings. Best wishes for the future success of the University and the Association."—Lena Clem, Bedford, Ky.

"I regret having delayed so long in sending this check for I am always anxious to hear from the University and keep in touch with its activities. Hoping to be there on Turkey Day and with all good wishes for the Alma Mater."—John S. Sherwood, Attorney, Cynthiana, Ky.

'19

"Due to numerous changes in address of late, I have just received your letter of October 10. It gives me pleasure to donate my bit to such a good cause and I hope by this time it is needed to make the total fund desired and that it may be added to the over-subscribed side of the ledger."—Alvin Kohn, The Highway Construction Company, 406 Masonic Temple, Elyria, Ohio.

'20

## What Engineering Owes to the Imagination

From An Argument Over Watches Came KDKA

BACK in the days when wireless was just beginning to spread, Frank Conrad (now Assistant Chief Engineer of the Westinghouse Electric & Manufacturing Company) and another official, happened to compare watches, to see if it was time to go back to work. Their watches differed.

Unable to convince his friend that his watch was right, Mr. Conrad suddenly remembered that the naval station at Arlington, Va., had just inaugurated a system for sending out daily

summoned to the office of Harry Phillips Davis, Vice President of the company.

"Frank," said Mr. Davis, "I'm going to close your radio station." His attention had been attracted the night before to a simple note in a full-page advertisement, which read, "Mr. Conrad will send out phonograph music this evening."

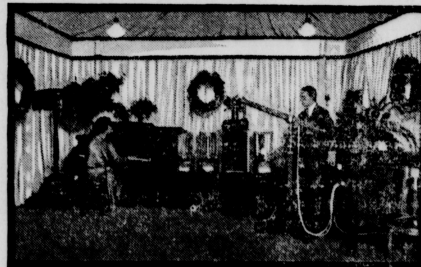

You know the rest. In November, 1920, "KDKA" was formally opened to send out election returns. It had received the first license issued by Uncle Sam. Today over 500 broadcasting stations entertain and educate millions of people each night, a wonderful result from so insignificant an argument as one over watches.

time signals by radio. Just the thing to prove his point!

So he built a simple set of receiving apparatus, erected an aerial, and—you can imagine what happened! He was badly bitten by the radio bug. After proving to his satisfaction the accuracy of his watch, he started experimenting with the transmission of music by radio, with good success.

He began sending out phonograph music from his home, and attracted the attention of some of the big department stores, that had installed radio departments. They in turn, started advertising Mr. Conrad's "musical evenings."

Then, one day, upon arriving at his desk, he was

## BON VOYAGE

We extend congratulations and best wishes to Dr. McVey and Miss Jewell, whose marriage will be celebrated Saturday.

When happiness comes to those we love and esteem, we are made happy ourselves. As a student and teacher Miss Jewell became so much a part of all our plans and hopes that when she later became Dean of Women we tried to show our appreciation by cooperating with her desires in every way and we are indeed proud that this gentle Kentucky woman whose charm, grace and ability is so admired is to become the first lady of the campus. We rejoice in this because of our devotion for the man whose leadership has meant more to the University of Kentucky than all other interests combined. He, one of America's biggest thinkers; a man of ideals and courage, is the one who through trials and difficulties has won for himself our greatest esteem and love.

To Dr. McVey and Miss Jewell we extend our ardent felicitations.

## DIGNIFIED SPORTSMANSHIP PLUS EXQUISITE ENGLISH

Editorial in Centre College Cento, November 9:

The University of Kentucky, athletically speaking, is rather a humorous affair, when you stop to think about it. They play, and enjoy a peculiar brand of football. They have a habit that we cannot understand, namely, the habit of gloating over their games before they are played. But at that, we guess that it is a good thing, for they would lose lots of good opportunities to gloat if the waited until after the games are over. And think of all the wonderful things the Lexington LEADER said about the State team that it could not have said if it had just kept quiet until after November the third.

Poor old State, if you only could play football, as well as you can talk and collect blue and white paint, you might have won. But you can't, therefore you didn't.

When you stop to think about it, talk and paint never won any kind of a game.

Editorial in Kernel of same date: The Kernel has no excuse to offer for the defeat of the Wildcat team last Saturday at the hands of its historic rivals the Centre College Colonels.

Our friends, the enemy, simply outplayed us on a field that rendered it impossible to get the benefits of formations we had practiced for this event; nor are the Colonels respon-

sible for the misfortunes that befell our team that sent five injured men into the fray. We are not offering these as excuses. It was a clean game reflecting commendable sportsmanship on both sides, and the good people of the Boyle county capital could not have shown a finer spirit of hospitality even in the midst of a period of generous rivalry than they displayed on this occasion.

We are proud of the showing our game champions made upon that historic day and lift our hats to the doughty Colonels who have at all times proved admirable and manly rivals.

## LAGNAPPE

One of the latest sins to be laid at the door of higher education is the heinous crime of standardization. It seems that finished products of the present educational scheme are like so many peas in the well-known pod. Too many business machines and not enough individuality.

The exasperating persistence of our hyper-critical friends tends to make us rise in our wrath, righteous or unrighteous, and beat them into a metaphorical mess. Apparently, their idea of usefulness is to point out to eager tax-payers and legislators the many reasons why state universities are not deserving of aid.

Red (Sinclair) Lewis, who writes tolerably interesting and extremely profitable books, notably "Rabbit," is responsible for a character who says in substance: "I'm sick of your whine about standardization. I'll admit everything is becoming standardized, but Good Lord! What a standard!"

It is estimated that the housewives of Jessamine county baked 2,200 apple pies in honor of Mr. Curtis Sanders' return from Georgia Tech.

Self-made men like Edison and Schwab are apparently of the opinion that colleges should shut down. We cannot refrain from saying that what we most desire is for certain self-made men to shut up.

Without bragging, we wish to say that we have a kid brother at home in the sixth grade who would make a valuable addition to the staff of the Centre College eCento.

A prominent University woman desires to know why it is that the really nice girls seldom get dates. Undoubtedly it is because they're nice.

The Association plans to bring some able speakers here toward the latter part of the year; such as they have in the past and surely no one can say that the lectures of these eminent speakers were not of real merit. It costs a great deal to have these men come here and the more funds in the treasury the more of them we can hear. In looking over the list of expenditures, other things of similar value to the student body are to be financed. As compared with other colleges of the South, the Association here operates on far less expense per student than others so a liberal response to the cause is expected at this call for funds.

## FROSH TO MEET CENTRE YEARLINGS AT DANVILLE

### Return Game Between Two Elevens Should Prove Stiff Battle

Now that the big game with Tech is over all eyes are turned toward the return game between the Kentucky Freshmen and the Centre Lieutenants which will be played Friday afternoon, November 23, on Clock Field. A large crowd is expected to accompany the team to Danville as everyone remembers the return game between the two teams last year, which proved a decisive victory for the freshmen.

Both teams have suffered a defeat since their last meeting. The Lieutenants lost to Sewanee Freshmen while the Kittens were defeated by the Vandy freshmen; therefore the dope stands about the same as it was when the two teams met on Stoll Field.

When the whistle sounds Friday the Lieutenants will meet a much stronger team than they did on Stoll Field. The line will be practically the same while in the backfield they will see two new men in Arnold and Simpson. Arnold calls signals from the half back position and Simpson handles the ball at quarter.

The team missed the services of Captain Vossmeier last Saturday who was out on account of an injury

(Continued on page 7.)

## VANDY ENSIGNS DEFEAT FROSH BY 19-0 COUNT

### Kittens Go Down Fighting Before Southerners' Weight

After playing the heavy Vanderbilt Freshman team to a standstill in the first half, the Kentucky Kittens went down before a superior team and lost to the Tennesseans by a 19-0 score on Stoll Field last Saturday afternoon. Vanderbilt presented a team that resembled a varsity eleven and the Kittens' loss was to a real fighting team. Wakefield, Vandy halfback who is one of the best gridgers seen on Stoll Field this season, and Smith the Kitten fullback, were the stars of the game.

The first half was a punting duel between Wakefield and Smith. Although Wakefield's high spirals had plenty of yardage, the Kentucky punter got the breaks and the ball was in Vandy territory most of the time.

Vanderbilt woke up in the second half and taking advantage of a fumbled punt, started a drive from Kentucky's thirty yard line that resulted in Wakefield going over guard for the first score. The second score came in the final period when Vanderbilt carried the ball from midfield to the goal line on a series of passes and end runs. The final marker was made by Wakefield on a fifteen yard run after Sanders had squirmed thirty yards through the Kentucky team.

Kentucky was outweighed by Vanderbilt by a large margin and while the Tennessee men were heavy they carried no excess flesh and were as fast as the lighter Kentuckians. Vandy had a line of tremendous power and many of Kentucky's end runs which were gotten off behind perfect interference were wrecked by Vandy linemen who dropped the runner from behind.

The Kittens presented a far superior team to that which was defeated by the Centre Yearlings, despite the loss of "Buddy" Smith and Mandt and the absence of Captain Vossmeier who was out of the lineup because of injuries. The Kittens worked in unison, forming splendid interference that mowed down the Vandy men. The line was much stronger than in the Centre game and until Bickel was sent from the game with a sprained ankle the Kitten line was almost impregnable.

Vandy's defensive strength was centered in two huge tackles and two exceptionally good ends. Their offensive power was concentrated in a running attack dependent almost wholly on Wakefield and a passing system of which Todd was the main cog. Wakefield is one of the greatest players seen here for some time. His punts twisted and soared in such a manner that Arnold, Kitten safety man was unable to catch more than one or two of them during the entire game. He was fast as running the ends and his line plunging was hard and sure. He had little opportunity to display his defensive ability as the Vandy forwards handled most of the Kentucky attempts.

### SCRAPS

A recent issue of our contemporary journalistic organ, having its origin in the county seat of Boyle county contained an adverse criticism of Kentucky's athletic activities. In reply to this denunciation we can only make the statement that a Kentucky team dies fighting, can take its

defeat like a gentleman and does not resort to alibis when defeated.

KENTUCKY'S OPPONENTS HAVE BEEN LOUD IN THEIR PRAISE OF THE CLEAN PLAYING OF THE CATS AND KENTUCKY HAS NOTHING TO WORRY ABOUT WHEN ITS REPUTATION IS MENTIONED.

Tomorrow is an offday in the Wildcat grid schedule as is the usual custom with the Varsity closing its season Thanksgiving day with the annual Tennessee clash. Turkey Day will witness the last appearance on the local lot of Captain Dell Ramsey, "Chuck" Rice, and "Reb" Russell who will draw their football careers to a close with the Volunteer clash.

Winn will probably start the same eleven against the Vols as the one which performed so brilliantly against Tech. Tennessee has been called the "weak sister" of the conference this year, but Winn and the Cats are going to take no chances and are going to put all they have against the Knoxville outfit.

Curtis Sanders, Cat fullback, will be the guest of honor at a dinner December 10, in Nicholasville, given by friends of the Blue and White Star. Indications point toward a large num-

ber of the citizens of "Sandy's" home town being on hand to pay homage to one of the best Kentucky ever turned out.

All of the Cats and their party were the guests of Ed Danforth, sporting editor of the Georgian and a former member of the Leader staff, at a theatre party, last Friday evening. Ed is a Kentuckian himself and was quite delighted in Kentucky's game.

Elsewhere in this issue will be found articles on the band's excellent showing at Atlanta. Nothing but favorable criticism has been heard of Gans and his troupe. Kentucky has earned for himself another laurel, that of having one of the best, if not the best, cadet band in the southland.

Associated Press dispatches indicate that Tech will decline a game with the Cats next fall that her only open date falls between the Notre Dame and Vanderbilt games and that it would be foolish to take on a team as strong as Kentucky on that date. Looks like quite a rise in prestige to have Tech make such a statement.

# The ABC of Good Paving

HERE'S a sound lesson in paving so brief and simple that you need not jot it down in your notebooks—you can "carry it in your head" until the time comes for you to apply it.

On your first paving project after college, remember "the ABC of Good Paving"—

**A**sphalt for *Filler*  
**B**rick for *Surface*  
 Crushed rock, gravel, crushed slag or concrete for *Base*

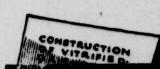

and the "D" is Drainage, adequate and well-planned.

The result is an enduring, water-proof, frost-proof and traffic-proof roadway which is certain to give the longest service at least upkeep cost.

# WILDCAT BAND RECEIVES PRAISE FROM SOUTHERN NEWSPAPERS, CITIZENS

Atlanta Writer Claims Band Largely Responsible For Game

## SPIRIT IS COMMENDED

Windjammers Play "My Old Kentucky Home" as Battle Hymn

"My Old Kentucky Home" has always sounded good to us, especially when played by the University band, but according to a feature story in the Atlanta American, when our Kentucky boys went "Marchin' Thru Georgia" playing and praying that their team might win, "My Old Kentucky Home" became a battle hymn that causes men to do things that they are not otherwise capable of doing, the kind of music that shakes the earth from the human being and for the second makes them feel the touch of immortality."

The University is proud of its band, that is why the student body wished so ardently that the corps of "musical cadets" might represent the school at the Georgia Tech game and it is encouraging to know that there are others interested in the welfare of the Kentucky band and team; to make the trip possible it was necessary to borrow money to cover a deficit in the funds that the Su-Ky Circle had collected through hard and concentrated effort, and now in order that they may repay the sum borrowed, several Lexington boys, who have always been enthusiastic rooters for Kentucky, have decided to give a minstrel Thanksgiving night at the Lexington Opera House, the profits to be turned over to the Su-Ky Circle. The promoters of the minstrels are: Barry and Gus Welch, Gus Owens and Neal Sullivan, a former graduate.

It is impossible to express in mere words, the grandness and the heroism displayed by every Kentucky man who went to Georgia, whether in the capacity of football player, "wind-

jammer" or rooter, and according to all reports from the south, the one hundred and fifty "State" rooters, led by our doughty little freshman cheer leader, made more noise than the entire student body at Georgia Tech.

And as a last tribute to this history making band let us again quote the clever Mr. Woodruff when he says: "It is likewise a truth which none can dispute, that when the first half of the game ended, and Tech was leading by a nose, as they say on the tracks of Kentucky, and the Tech band had played, THE KENTUCKY BAND TOOK THE FIELD, and passed in review so gallantly and paraded past the stands with such a devil may care hauteur, that the people arose en masse and acclaimed them, and knew down in their heart of hearts that this band couldn't lose and the boys back of the band wouldn't lose and that three points meant nothing at all in their cosmogony."

Come on now, everybody!  
Yea Band—three times.

## FROSH TO MEET CENTRE

(Continued from page 6)

to his leg which he received in the Georgetown game. The injury is healing rapidly and from present indications he will be ready for Friday's game. It is not only Vossmeier's good playing but also the pep and spirit that he instills in his men that helps the team.

Each member of the squad has been working harder this week than ever before in order that he might be in the best of condition to give Centre all that he possesses. Coach Winn, of the Varsity, has been helping Coaches Buchheit and Burnham some this week in getting the men in condition.

The lineup against Centre will be practically the same as it was in the Vandy game. "Buddy" Smith is again out for practice after being absent for a few weeks owing to illness, and may get a chance in Friday's game.

## Society

Messrs. J. G. Bruce and E. E. Siler, members of the senior class of the College of Law, spent Wednesday and Thursday of last week in Frankfort taking the bar examination. Brady Stewart and Sam Royster of the class of '22, and Kimbrough and Conley, who were former students in the College of Law, were among the members taking the same examination. The results of the examination will not be known for some weeks.

## Alpha Gamma Delta Tea

The pledges of Alpha Gamma Delta fraternity of the University of Kentucky entertained Friday afternoon with a pretty dance at Patterson Hall in honor of the members of the active chapter.

The decorations were in the fraternity colors, red, green and buff, and

the favors were balls whistles and novelties. The hours were from 4 to 6 o'clock, and about 60 young women and 250 men were present. Music for dancing was by the Kappa Sigma orchestra.

The chaperones were Miss Dora Berkeley, Mrs. Paul P. Boyd, Miss Marguerite McLaughlin, Mrs. Martin, Mrs. Johns, Mrs. Giles, Mrs. Bronaugh and Mrs. Hall.

The hostesses were: Misses Ruth Rogers, Dorothy Jamison, Emma Bell Price, Lucille Garth, Grace Duncan, Lois Hargett, Mary Virginia Phillips, Mary Warren Collins, Dorcas Lyons, Ruth Harris, Helen Hall, Martha El-Kott, Marguerite Moody, Sue Lockett Mitchell and Bertha Rogers.

## "Home Coming" Plans

Alumni of the University of Kentucky are making many plans for reunions and informal social affairs in connection with the annual "home coming" day observed on Thanksgiving. The feature event will be the Tennessee-Kentucky football game on Stoll Field, for which scores of alumni from other cities and States have made reservations.

After the game there will be an informal reunion at the Phoenix Hotel, preceding the dinner-dance arranged by the Lexington alumni club. Tables may be reserved for parties, and a large number is expected, as a similar affair two years ago was very popular. Mr. W. Duncan Hamilton, president of the Lexington club, is chairman of the committee on arrangements. Among the members are Misses Nancy Innes, Marguerite McLaughlin and Marie Barkley; Messrs. W. C. Wilson, White Guyn and Ed. S. Dabney.

## Y. M. & Y. W. C. A. NOTES

The Y. W. C. A. is conducting a course in Bible Study every Wednesday night from 7 to 7:30 in all the halls and sorority houses. This course has as its text, "Pathways to God," by Alexander Purdy, and this book will be discussed by various speakers assigned to the different halls and sorority houses.

The regular Y. W. C. A. service held at Patterson Hall, Sunday night at 6:30, will be conducted in the form of an open forum. "What does your religion mean to you?" will be the topic for discussion; and everyone is asked to attend this meeting, and, if interested, to give her views on the subject.

Let's don't forget co-ed stunt night, which is to be held in chapel December 7. All preparations have not as yet been completed, but they have been in process for some time and are fast drawing to what is hoped will be a most successful conclusion.

The University Y. M. C. A. membership campaign will close Monday, November 26, and all workers on the membership committee will please get in your reports. To date there

are 347 signed cards turned in and there are enough out yet to be turned in to swell this number to over 400. To those students who hesitate signing cards the Association bids you to join its ranks for the reasons given heretofore and for the further reason

that the Association hopes to do bigger things than ever before. No dues, no fees. But as a member you can not help but feel proud of the fact when you are away from home and need the services of the local "Y."

# Take a Look at This Parker D-Q \$3

A New Banded Black Pen  
A Special Pen for Students

Has large ring that links it to your note-book or a pocket-clip—Free

THE idea of a super-smooth medium priced pen with good ink-capacity and a large ring-end to link to the ring of your note-book originated with students themselves. We acknowledge our indebtedness, and we know their idea is a winner for wherever this new Parker D. Q. has been introduced it has stepped right off in the lead of the medium-priced class.

Moreover, this Parker D. Q. is produced by the makers of the Parker Duofold—everywhere acknowledged as the fountain pen classic. Not only in craftsmanship, but in all mechanical features save the color and point, it is like the Parker Duofold. Yet even the point of this \$3 Parker D. Q. is 14k gold, tipped with NATIVE Iridium and polished to the super-smoothness of a costly jewel bearing. The cap is reinforced by a strong metal girdle—the only pen we know of, of equal size, at less than \$5 with a banded cap.

Try this new Parker D. Q. at any near-by pen counter. It is your idea of a pen—made to the students' own specifications.

For Thanksgiving sounds real good, but tastes much better when made of purest ice cream in particular pleasing flavors. It will be a real bit of goodness to top off Thanksgiving Dinner and an ice cream service well worthy of the occasion.

If you are figuring on a party—let us figure with you. We are chock full of suggestions.

**CATS AND TECH BATTLE**

(Continued from page 1.)

with them and broke up play after play at the scrimmage line.

Douglas Wycoff, Tech fullback, alone was able to pierce Kentucky's forward wall, but he was not able to put Tech in a position to cross the Cats' goal line.

Douglas Wycoff, Tech fullback, their veteran ends, Kenneth King and "Chuck" Rice, the Kentucky line put up a wonderful defensive game. Captain Dell Ramsey, a tackle by trade, and Al Kirwan, a halfback, took care of the flank jobs and were impregnable against Tech's end runs. Both played excellent games, while Kirwan was called into the backfield to carry the ball on tackle smashes and responded with large gains.

"Tiny" Stephenson and Reb Russell at the tackles, Cammack and Martin at guards and both W. H. Rice and Curtis Sauer at center, played the best game of their careers last Saturday. Sauer replaced Stephenson just before the first half ended, going to center and "Cave Man" Rice shifting to Stephenson's tackle.

Curtis Sanders, "Turkey" Hughes, Turner Gregg, Len Tracy and Ted Brewer all put up first rate exhibitions in the backfield. Sanders was the chief cog in the Kentucky defense, as he always is, and was responsible for stopping the Tech backs many times after they had gotten through the line. Tracy thrilled the spectators by his exhibitions of broken field running and was responsible for putting the oval in position for Sanders to kick goal. Gregg ran the team perfectly, never allowing his eleven to slow up in their attack.

His headwork on several occasions got the Cats out of several holes. Wycoff was Tech's best, to say the least. Tearing through the line, skirting the ends, passing the oval or booting long spirals that enabled Tech to keep the Cats back, the honorable Douglas was a constant threat to the Cats. Huffines, Tech tackle, and McIntyre, captain and guard of the Atlanta eleven, were Tech's best in the line, while Harris, Albright and Williams played best in backfield.

Although Tech made twice as many first downs as Kentucky, the Cats combined in the third quarter to get into position to score. Tech played better in the first two periods, but could not pierce the Cat defense to any marked degree, or stop the attack of Sanders and Tracy.
