All members of the Club are cordially invited to join the class, the only requirement being that they give their names to the Chairman. There is active demand for tickets from persons who do not belong to the Club, and as space is limited, preference will be given to its members. There will be no extra charge for the class to those who are members of the Woman's Club, but those outside the Club who wish to join the Class will be asked to pay three dollars for the season, or fifty cents for a single meeting. In addition to the Department meetings there will be a regular meeting, free to all members of the Club, on the first Saturday of each month. These meetings will be in charge of the Board of Directors and programs will vary according to circumstances and opportunities.

The President asks the patience of the Club in all changes and innovations and earnestly requests each member to take some part in the work of the Club during the year.
