¹Includes employment on WPA projects operated by other Federal agencies and financed by allocation of WPA funds. Prior to January 1940, data do not include nonrelief employment.

²Percent of total employment at beginning of month.

³Includes separations for such reasons as private employment, active military service, new sources of income, illness, death, etc.

⁴Separated in accordance with section 16 (b) of the ERA Act of 1939, section 15 (b) of the ERA Act, fiscal year 1941, and section 10 (b) of the ERA Act, fiscal year 1942, requiring separation after 18 months of continuous WPA employment.

¹ Does not include data for regular Federal construction projects.

² For sources of program reports see table 11. The estimates of total unduplicated number of households are prepared jointly by WPA and the Social Security Board.

³ The estimates of number of persons benefited by each program are prepared by WPA, with the exception of general relief and special types of public assistance which are prepared by the Social Security Board. The estimates of total unduplicated number of persons benefited are prepared jointly by WPA and the Social Security Board.

⁴ Includes employment on projects operated by the Work Projects Administration and WPA projects operated by other Federal agencies and financed by allocation of WPA funds.

⁵ Less than 500 persons.

⁶ Percent change not computed because operations under this program are virtually suspended during July and August.

⁷ Does not include data for projects financed by RFC funds.

⁸ Percent change not computed because data are not entirely comparable.

⁹ Data not yet available. Preliminary estimate has been included in the unduplicated totals.

²Number of different persons employed during the calendar month. Source: National Youth Administration.

³Average enrollment during the calendar month by State from which enrolled. Source: Civilian Conservation Corps.

⁴Preliminary. Average weekly employment during the fiscal month ending Aug. 15, 1941, on projects financed with WPA funds and on projects financed in whole or in part with emergency funds. Source: U. S. Department of Labor, Bureau of Labor Statistics.

⁵Includes recipients assisted from Federal, State, and local funds for programs administered under State plans approved by the Social Security Board and recipients assisted from State and local funds for programs administered under State laws without Federal participation. Does not include cases receiving medical care, hospitalization, and burial only. Revised through Sept. 15, 1941. Source: Social Security Board.

⁶Partly estimated. Number of resident families and single persons receiving general relief. Does not include cases receiving medical care, hospitalization, and burial only. Revised through Sept. 20, 1941. Source: Social Security Board.

⁷Net number of cash grant payments made to individual cases for subsistence and number of cases receiving commodities or Surplus Marketing Administration stamps issued by the Farm Security Administration. Ordinarily only 1 cash grant payment per month is made to a case. Source: Farm Security Administration.

⁸Average weekly employment during the fiscal month ending Aug. 15, 1941. Includes employment on projects financed by RFC funds. Source: U. S. Department of Labor, Bureau of Labor Statistics.

⁹Partly estimated. Does not represent total of State data, since cases receiving medical care, hospitalization, and burial only are not included.

¹⁰Includes WPA estimates for Arizona and California, for which data are not available.

¹¹Estimated.

¹²Includes unknown number of cases receiving medical care, hospitalization, and burial only.

¹³Includes unknown number of cases receiving medical care only; number believed by State agency to be insignificant.

¹⁴Includes 3,300 cases aided under program administered by State Board of Public Welfare and 6,277 cases aided by County Commissioners. Duplication in cases is believed to be large.

¹⁵State program only. Does not include program administered by local officials.
