Bee,

I'm so sleepy & can hardly
hold my eyes open but I want to
write you even if only a note.
I went out tonight. Betty (Mary's
sister) and Russel called me
up after I got back from
town and asked me to go
out to dinner with them, Warren
and Mary and a other couple.
There were also two boys (one we
ate dinner with at abis farm
covering, Ky. and a boy Mary
used to date) who went also.
The boy (man) from Ky. is
engaged and the other one is
pinned to some girl and they
didn't want regular dates
so Betty called Betty Brown
and me to go out to dinner
