My Dearest Bill,

By now you all
ought to be thorough with
rush week. I hope you all
got the boys that you
wanted and didn't get
too many. Let me know
how it turned out.

I had a very nice
time this week-end. It is
supposed to be the biggest
week-end of the year but
it isn't anything like a
week-end at Virginia. It
seemed like a regular week.
