JAMES HOWARD & CO.

Steamboat Builders,

Jeffersonville, Ind., Jan 10th 1877

Mr Kirby Perry & Marrow
Gentlemen

Marsaw Ky

Your favors of the 2^d inst received. Would like to have more particulars, about what kind of a Boat is wanted. What trade she is intended for &c. before giving you close figures. We can build a Stern Wheel Boat - for the Ohio River - say 190 ft long 35 ft beam and 5 ft Hold - full length Cabin - say Hull - Ship Carpenter out fit - Hog chain work Cabin - Painting &c in fact every thing except Machinery. For about Thirteen thousand five hundred Dollars \$13,500 -

Would want about three months ordinary good weather to do the work Will be pleased to hear from you again

Truly Yours

Howard & Co
