

and love you more than
usual, if that is possible.

Goodnight Darling,
Anne.

My Dearest Bill,

Please excuse this pencil
but Lew is using my pen, she
is making a chart of the
reproductions of plants. I
have been trying all night
to get some sense out of my
Physical Science, the bare
truth is that I can't. I'll
never be the Miss Fix it -
I can't even understand how
a refrigerator works with
a picture in front of me.

Daddy called tonight and
