## ABOUT THE LIBRARIES

### A Fun Relaxing Vacation in the Virgin Islands?

Sorry we can not help you with that, but we can help you pass your time in another way. The Circulation Department needs assistance with making a small move in the stacks. We need to have one hour of your working time on Tuesday, October 11 to work with a team of four people. Contact either Carla Basanta, Roxanna Jones, or Gary Stottlemeyer in the Circulation Department to sign up.

### LSO Will Meet

A Library Staff Organization meeting will be held Friday, October 14, 2:00 P.M. in the Gallery. The featured speaker will be Ellen Altman, a former University of Kentucky, College of Library Science, faculty member. Ms. Altman is presently a faculty member in the College of Library Science at Indiana University. Refreshments will be served in the foyer following the meeting.

### Conservation Committee Meets

Present at the September 29 meeting were Paul Willis, Marie Copeland, Wanda Dole, Claire McCann, Mary Owings and Judy Sackett. Mr. Willis gave the Committee its charge: "to review the conservation and preservation needs of the library system and to recommend policies concerning these needs, to formulate priorities of action in coping with the conservation of materials, to educate the staff generally about conservation concerns and perhaps to educate the University community about conservation."
