Dear Sir:-

I have your favor of the 26th with relation to the gilts you have to offer. In reply will say, that I have something over 400 Berkshires on the farm, and have more than enough to make up the sale. It is true I have been picking a very few with reference to my coming sale, something that would represent certain individuality and blood lines which seemed quite necessary to have in order to make this sale what it should be, that is to say, something of the Masterpiece or Baron Duke 50 lines of breeding.

I thank you for your letter and wish I could do something along this line, but it is not just exactly what I need at this time, and the amount I am after is indeed very small.

Hoping to see you at the sale at Springfield, I am,

Sincerely yours,

G.J.

My dear Sir:-

I am just in receipt of a letter from Governor Deneen in which he promises me that he will meet with our Club at eight o'clock, Tuesday evening at the Leland Hotel, and address us on some topic which he will choose and which I am sure will be of interest to all of us. I am, therefore, writing to urge you to attend this meeting, if at all possible. I am sure it would be of great advantage to the work which we have before us, as an organization, if we can have the sympathy and support of the Governor of the State.

Hoping to see you Tuesday evening at the Leland Hotel, I am

Yours sincerely,

  
President.
