

G. Appointment to the Board of Directors of the University of Kentucky Research Foundation (PR 3C)

President Singletary said he was pleased to recommend the appointment of Mr. Thomas P. Bell as a Trustee member of the Board of Directors of the University of Kentucky Research Foundation for a two-year term ending in 1985. On motion duly made, seconded, and carried, it was so ordered. (See PR 3C at the end of the Minutes.)

H. Approval of Agreement Between University of Kentucky and University of Kentucky Student Agencies, Inc. (PR 3D)

On motion made by Mr. Dinkle, seconded by Mrs. Hayes, and carried, the Board approved the agreement between the Board of Trustees of the University of Kentucky and University of Kentucky Student Agencies, Inc. as recommended in PR 3D. (See PR 3D at the end of the Minutes.)

I. Change in Division Structure (PR 4A)

Chancellor Wethington recommended the reorganization of the Jefferson Community College, Southwest Campus, into two academic divisions, (1) Humanities and Natural Sciences and (2) Business and Social/Behavioral Sciences. Mr. Farmer so moved. His motion was seconded by Mr. Miles and passed without dissent. (See PR 4A at the end of the Minutes.)

J. Appointment of Dean of College of Engineering (PR 5A)

President Singletary said he was pleased to recommend that Dr. Ray M. Bowen be appointed Professor (with tenure), Department of Engineering Mechanics, and Professor (without tenure), Department of Mechanical Engineering, and named Dean of the College of Engineering, effective September 1, 1983. He then called on Chancellor Gallaher who reviewed the extensive search for a Dean and told the Trustees that Dr. Bowen was the choice of the Search Committee and that he has extremely strong support from the College of Engineering. In reviewing Dr. Bowen's experience and credentials, Chancellor Gallaher observed that he is an outstanding engineer with a distinguished list of publications and honors, a superb research record in engineering mechanics, and a proven track record of working with industry. His last academic appointment was with Rice University, and for the past year he has been Director of the Division of Mechanical Engineering and Applied Mechanics for the National Science Foundation. Dr. Bowen's credentials, plus his excellent administrative experience, will enable him to provide strong leadership to a college which is of high priority to the Lexington Campus.

On motion by Mr. Bell and second by Mr. Larry Jones, the appointment of Dr. Ray M. Bowen as Dean of the College of Engineering, effective September 1, 1983, was approved unanimously. (See PR 5A at the end of the Minutes.)
