Fall Festival

For the first time since 1942, the annual Fall Festival of the Agriculture college was held under the joint sponsorship of Alpha Zeta and Block and Bridle, both Agriculture honoraries.

The function of the Festival is to offer a representative show of Kentucky's farm products and to provide entertainment in the traditional rural manner. Officials make a special attempt each year to reincarnate some of the country customs which, unfortunately, have become almost extinct in recent years.

The Festival includes showmanship, dairy and fat stock events and educational exhibits by most departments of the college.

This year's queen was Sylvia Smith, a sophomore from Brandenburg, and her attendants were Sue Warren and Marjorie Bradford. Tom Cobb reigned as king of the Festival.

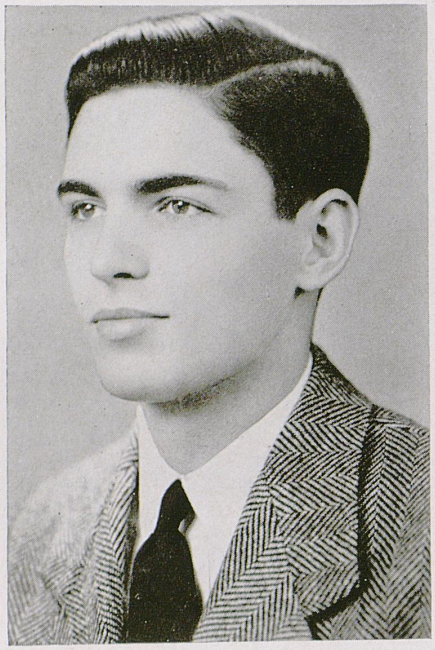
Student Government Association



Stephenson

The Student Government Association was installed on the University campus in 1939. It replaced a divided system in which men were represented by a Men's Student Government Council and women by a Women's Self-Governing System. The constitution of the Student Government Association was drawn up in the spring of 1939 and went into effect in September of the same year when it was ratified by the student body.

The constitution drawn up then was revised in 1943 and the revised constitution is now in effect.

The Student Government Assembly is composed of a president, vice-president, secretary and treasurer and twenty-nine members elected by and from the various colleges at elections held in the fall and spring quarters. The President and secretary of the Student Union Board and the president and secretary of the House President's Council are ex-officio non-voting members. Three non-voting faculty members, recommended by the Assembly and appointed by the University faculty, also attend Assembly meetings.

The official purpose of the Student Government Association is: To act as the responsible authority in relations among students and among student organizations; to act jointly with the University staff in matters affecting common interests; and to advise, request, and recommend action with respect to matters reserved to the University staff. It is also the purpose of the Student Government Association to promote projects that are of interest to the student body.

ADOLPH RUPP

Kentucky's cage coach, Adolph Rupp, came here in 1930. Since that time the Kansas-born mentor has produced many great teams, the 1946-47 aggregation being admittedly the finest.

In 384 games, Rupp's Wildcats have taken 317. Of the 67 losses in 18 cage campaigns, only eight have occurred on UK's home court. This record is probably the best of any major basketball team in the nation.

Known throughout the country as the "Man in the Brown Suit" or "The Baron," the 45-year-old Adolph Rupp has, year after year, kept Kentucky on top of the basketball world.

In 1944, he was elected to the hoop hall of fame, one of the highest honors in the basketball world. The inimitable Adolph Rupp was the tenth cage coach so honored.

Despite their loss to Utah, 49-45, in the final game of the National Invitational Tournament, the 1946-47 Wildcat basketball team was rated by many as the best cage squad in the nation. There is little doubt that this Kentucky aggregation was the finest hoop team in the long history of the University.

In a rugged 37-game schedule, the Blue and White quintet won 34 contests, while losing only to Oklahoma A. & M., DePaul, and Utah. Only a total of 16 scant points separated UK from an undefeated campaign.

By winning the Southeastern Conference last March in Louisville, Kentucky boosted their consecutive SEC titles to four straight seasons. The Fayette County Felines have now copped the conference crown ten times: in 1933, 1935, 1937, 1939, 1940, 1942, 1944, 1945, 1946, and 1947.

In their own lair—Alumni gym—the "Caintuckey" Cats are nearly invincible. They won 16 straight games on the home court this season and have now taken 52 consecutive cage battles in Alumni gym since 1943. The tall Kentuckians started off the 1946-47 season by winning 11 straight (and 26 consecutive victories over a two-year stretch), but this

streak was stopped in the Sugar Bowl cage game with the Oklahoma A. & M. Cowboys. The sharpshooters from Stillwater, Okla., upset the Wildcats, 37-31, in New Orleans.

The Lexington Lynxes bounced back to take ten more games before the DePaul disaster in Chicago. The Cats lost to DePaul, 53-47, in spite of having trimmed the Blue Demons earlier in the year by 20 points—65 to 45—in Louisville.

Between these first two losses, the fighting felines had trounced a strong Notre Dame quintet, 60-30, in the Louisville Armory. Just two nights later, the Wildcats went to Tuscaloosa, Alabama, and stopped the Crimson Tide's surprising 14-game winning streak.

Later Kentucky captured the conference halo by whipping Vanderbilt, Auburn, Georgia Tech and Tulane in rapid succession. A week later, UK humiliated the Temple Owls, 68-29, and prepared for the Invitational scrap several days later.

As defending champions, Kentucky nosed out Long Island U., 66-62, in a quarter-finals thriller. The king-sized Kentuckians then blasted North Carolina State, 60-42, to move into the N. I. T. finals with the "Blitz Kids" of Utah, who had previously bumped off two seeded teams, West Virginia and Duquesne. Although losing 49-45, Kentucky scored 18 field goals to Utah's 15; however, it was the free throws that lost the Kelleher Trophy for the Wildcats. The "Blitz Kids" collected 19 charity tosses, while UK made only nine. All in all, it was a great season for the wiry Wildcats of the University of Kentucky.

SENIORS

JACK TINGLE: a six-foot, four-inch forward from Bedford, Ky. "Jumping Jack," in four years with the Wildcats, scored a total of 950 points and was elected captain of the squad in his sophomore year. In 1944, he scored 177 points; 1945, 293; 1946, 278; and this season tossed in 202 tallies. The 22-year-old Kentuckian was nominated on the second team All-American cage squad last March. He made All-Southeastern four straight years, for a new record.

MUFF DAVIS: a six-foot forward from Elwood, Ind. The handsome Hoosier's cage career was interrupted by the war. Last year, after his discharge from the Army, Davis returned to the Wildcats for his final season. He scored 54 points in the 17 games in which he played. Mulford had the second highest average on the team of goals attempted and made, with a percentage of .387, being second only to Line's .41 average of shots made.

BUDDY PARKER: a five-foot, eleven-inch guard from Lexington. In three years on the varsity, Buddy

tallied a total of 225 points. In the fall of 1944, Parker was stricken with infantile paralysis but gamely fought back and won a place on the Wildcat cage crew. The 21-year-old Lexingtonian came to UK from Henry Clay High School. He served for a period in the Navy.

JUNIORS

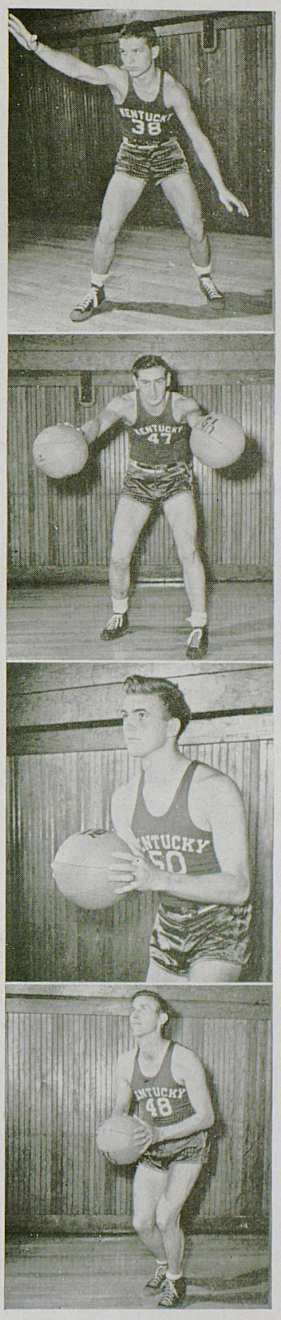
KENNY ROLLINS: a six-foot guard from Wickliffe, Ky. Last year Rollins was elected as captain of the Wildcats. He was also awarded the Most Valuable Player trophy of UK's team. The popular Kentuckian served for three years in the Navy during the war. He didn't get into the limelight as often as some of the other stars, but a Cincinnati sports writer called Ken "the classiest of the classy Kentucky Wildcats." Rollins flipped in 310 points to finish third in scoring on the Cat squad. He made All-Southeastern Conference and All-Southern this season.

DUTCH CAMPBELL: a six-foot, four-inch center from Newark, Ohio. "Big Dutch" made All-Southeastern in his freshman year, after tossing in 146 markers at the pivot position. He has scored 248 points in three years on the Lynx team. Campbell came to UK after starring for two years with the great Newark, Ohio, high school quintet. He served as a reserve center this season.

SOPHOMORES

RALPH BEARD: a five-foot, ten and one-half-inch guard from Louisville. A 175-pound ball of fire on the hardwood, he plays a dashing, driving, darting game. Tennessee fans, after watching Beard help trounce the Vols, called roaring Ralph "the closest thing to perpetual motion we've seen yet." The loquacious Louisville lad has made the All-Southeastern team two straight seasons. This past campaign, after scoring 392 points for Kentucky, Beard was a unanimous choice for All-American honors. He was also named as "the most outstanding visiting player to appear in New York" during the 1946-47 season. Ralph has tallied 671 points in two years with the Cats.

WAH WAH JONES: a six-foot, four-inch forward and center from Harlan. "The Harlan Hurricane" was the fifth highest scorer on the cage team with 217 points in 33 games. He was the "man of the hour" in both post-season tournaments, scoring 50 markers in the SEC tourney and was again UK's individual high scorer in the N. I. T. in New York with 36 tallies. Wallace Jones, like Beard, has made the All-SEC quintet in his first and second years with the Ruppmen. Wah Wah has scored 507



Beard

markers in his two seasons. He made All-American at forward late this spring.

ALEX GROZA: a six-foot, seven-inch center from Martin's Ferry, Ohio. The Brobdingnagian basketeer was the team's leading scorer with 393 points. Alex served in the Army after playing one season with the Lexington Lynxmen. He was discharged last September and was a big factor in UK's successful campaign. The gargantuan Groza was named on the All-American team after the season ended. He and Jones were also selected on the All-N.I.T. squad. He made All-Southern along with Beard and Rollins.

JOE HOLLAND: a six-foot, three-inch forward from Benton. Joe finished fourth in individual scoring with 224 tallies in 37 games. The Benton basketeer excels on rebounds under both hoops and is considered one of the best in the South when it comes to grabbing the ball off the backboards. Hustling Joe Holland served in the Navy and played with the strong Iowa Seahawks' cagers. He made All-SEC after playing brilliantly in the tournament.

CLIFF BARKER: a six-foot, one and one-half inch forward from Yorktown, Ind. The colorful and versatile cager, in 34 games, hooked in 120 points. Like Holland, clever Cliff hit his peak for the season in the SEC tourney in Louisville last March. He is rated by some experts as one of the best ball-handlers in the nation.

BOB BRANNUM: a six-foot, five-inch center from Winfield, Kansas. He made All-American here in 1944, before his induction into the Army. "Bruising Bob," playing in 29 contests, scored 125 markers at the pivot slot.

FRESHMEN

JIM JORDAN: a six-foot, three-inch guard from Chester, W. Va. At North Carolina, Jordan made All-American in 1945 and 1946, scoring 389 points in the latter season. The 185-pound cager appeared in 29 contests and scored 80 markers in his first year with UK.

JIM LINE: a six-foot, two-inch forward from Akron, Ohio. The 20-year-old Buckeye has a wicked left-handed push shot that tallied 199 points in 35 struggles. He finished seventh in the individual scoring column for the Lynxmen.

DALE BARNSTABLE: a six-foot, two-inch guard from Antioch, Ill. He started the season at forward, but was switched to guard early in the season. An Army veteran, Barney is one of the best long-shot artists on the squad. He tallied 71 markers in 29 games.

ALBERT CUMMINS: a five-foot, ten-inch guard from Brooksville. The smallest man on the squad is the 20-year-old Cummins, who scored 27 points as a reserve guard this season. He is also one of the fastest men on the team.

PAUL "BEAR" BRYANT

Paul "Bear" Bryant, the man picked by Kentucky to lead it from the football depths, did the expected. In fact, he did more than the expected when he directed the Wildcats to seven wins and three losses, their best record in 34 years.

Except for a couple of bad breaks the "Bear" and his boys might have enjoyed an undefeated season and certainly would have received a bowl bid. Hardest blow the Cats got was the ineligibility ruling on Ermal Allen after the triple-threat halfback had paced them to two triumphs. The "Mighty Mite" was not allowed a fourth year on the varsity, though wartime rules permitted this and other teams used such players.

Trainer Hudson, Balitsaris, McCubbin, Laslie, Bryant, Moseley, Atkinson

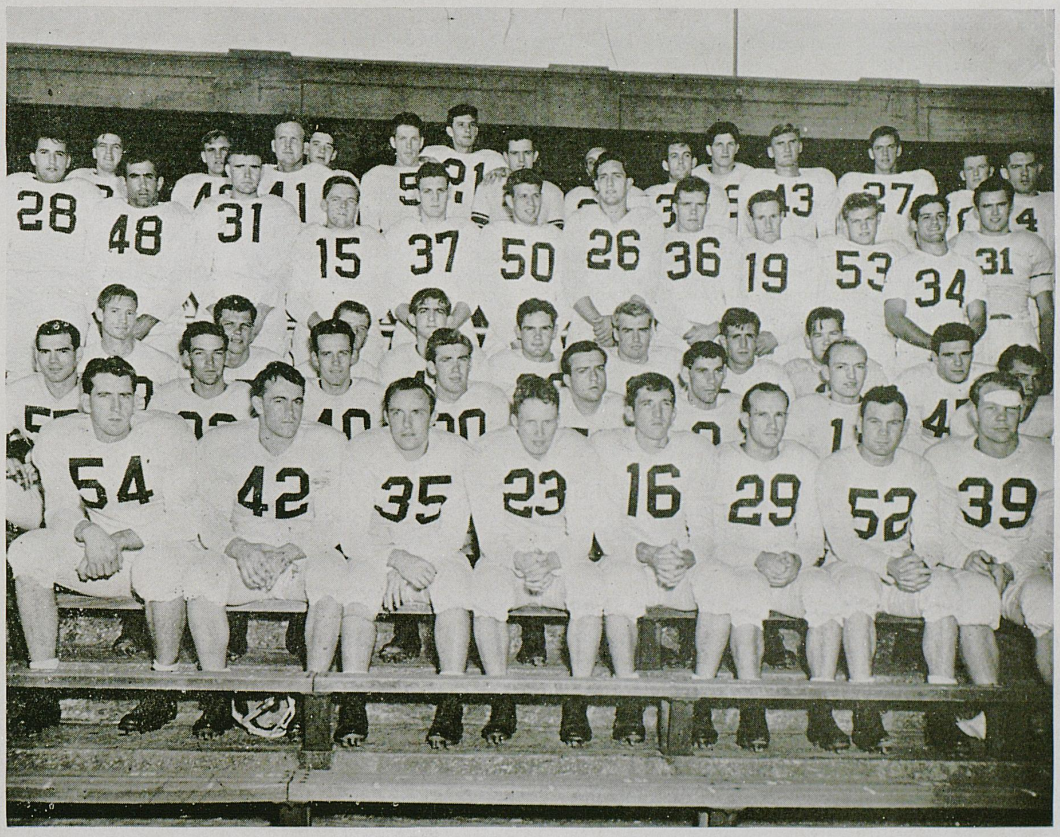
Mississippi fell, 20-6, as Kentucky ushered in its new era of pigskinnery. The Cats topped the University of Cincinnati, winner over Indiana, by a 26-7 margin to really set the footbal world thinking. Kentucky came back to rout Xavier, 70-0, and run its win streak to three straight before bowing to Georgia, 28-13, at Athens.

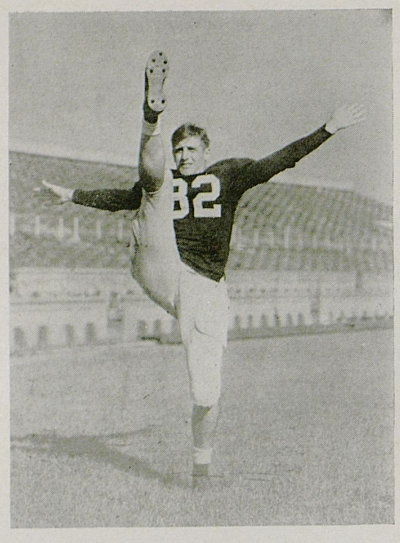
A field goal by Phil Cutchin enabled the Bryantmen to send more than 20,000 Homecoming fans home happy with a 10-7 win over Vanderbilt. Alabama put a damper on Cat enthusiasm with a 21-7 win in Montgomery; the Kentuckians recovered to smack Michigan State, 39-24. Marquette next felt the claw of the rejuvenated Wildcats, 35-7, West Virginia succumbed, 13-0, but Tennessee returned a punt for a one-touchdown 7-0 victory in the season finale.

Phil Cutchin, Allen's alternate before loss of the "Mighty Mite," bore the brunt of Kentucky's offense all fall. The Murray athlete led the team in the field, did most of the passing, most of the kicking, and a considerable share of the running. He was named "most valuable player" and honorary captain at the end of the season. Don "Dopey" Phelps, Danville's darling, was an able associate. Jim Kennard, Bill Boller, Bill Chambers, Jack Farris, Dennis Rice, Gene Meeks, Jimmy Babb and Bill Moseley were other ball carriers who gained much yardage. Farris probably would have developed into an outstanding back if an early season injury had not sidelined him for the rest of the campaign. Bill Blanda, Jerry Claiborne and Harry Ulinski shared quarterbacking duties.

The line was Kentucky's best asset because more experienced men played here. Dick Hensley and Wallace Jones at the end positions compared with any wingmen. "Wah-Wah" was named to the Associated Press All-Southeastern first team and made many other honor lists.

At tackle veteran "Wash" Serini and Hut Jones or Bill Griffin held forth. Guards were Matt Lair and Leo Yarutis or Len Preston and Gene Haas. Yarutis





Phil Cutchin

and Serini played with the Rebel eleven that beat the Yankee team in the annual Blue-Grey game in Montgomery, Ala.

Center position was handled by Jay Rhodemyre, who was ably assisted by Charley Bill Walker. Wealth in depth was one of the biggest reasons Kentucky recorded its best win tally since 1912 and looms as a real conference threat in 1947. No longer do the Wilcats present a weak status on the gridiron, but they figure as real power with which to reckon.

The 38 letters awarded to players represented the highest number ever given here. Athletes receiving the awards were Babb, Bentley, Blanda, Boller, Bradshaw, Browning, Chambers, Claiborne, Cutchin, Dawson, Farris, Ferrell, Carl Genito, Griffin, Haas, Hamilton, Heinzinger, Hensley, Roscoe Jones, Wallace Jones, Kennard, Klein, Lair, McDonald, Meeks, Moseley, Phelps, Preston, Rice, Rhodemyre, Ridge, Sengel, Serini, Tunstill, Ulinski, Walker, Yarutis, and student manager Sadler. Only Cutchin, Tunstill and Walker are seniors; thus Kentucky has high hopes for autumn.

Also helping the varsity next fall will be several additions from this year's B squad, which won four, lost two, and tied one in a seven-game schedule of its own. Numeral winners were Bassett, Brown, Dartt, Duncan, Fritts, Fucci, Ralph Genito, Frank Griffin, Hodges, Holway, Jacobs, James, Kennedy, McDermott, McKee, Mayhugh, Meihaus, Mullins, Odlivak, Porter, Ray, Richter, Rogers, Saylor, Schaffnit, Shields, Simpson, Smotherman, Southall, Clyde Spears, Donald Spears, Summers, Stephens, Troup, Truman, Williams, Young, Wanamaker and student manager Huey.

KENTUCKY 20, MISSISSIPPI 6

The largest crowd in Kentucky football history, 19,600, saw the Cats open the season by besting Mississippi, 20-6. The success gave Kentucky a 2-1 edge in the series which began in 1944.

Few moments had elapsed before it was evident that the Wildcats had carried onto the field some of the drive and power so publicized in pre-game reports. Kentucky's first touchdwon came on Cutchin's aerial to Jones. The second Cat score was realized on Allen's pass to Bill Portwood, and Cutchin's try for extra point was good. A long run-back by Phelps set up the last six-pointer, which Allen bulled over from the Mississippi six. Boller's kick was good.

The visitors escaped a shut-out by getting the best of Kentucky in a punt exchange, and by gaining on two penalties. Clayton Blount's toss to Ray Poole gave the southerners their only marker.

KENTUCKY 26, CINCINNATI 7

Bryant and his boys quieted bowl talk in Cincinnati by giving the Bearcats a sound 26-7 lashing. The Queen City men, surprise winners over Indiana's Big-

KENTUCKY 70, XAVIER 0

Kentucky ran up its biggest score in 24 years by overwhelming the Xavier Musketeers, 70-0, before 20,000 fans, an all-time record for Stoll field. Not since 1922, when the Wildcats outclassed the University of Louisville, 73-0, had Kentucky followers witnessed such a triumph.

Game statistics picture the game even more vividly; Coach Paul Bryant's men tallied 20 first downs to only one by the Ohio visitors. Xavier netted only one yard by rushing, while an assortment of Big Blue backs totalled 352 behind excellent blocking. Kentucky led in passes 133-23, completing nine of 13 passes. Only three of 18 Muskie aerials were completed.

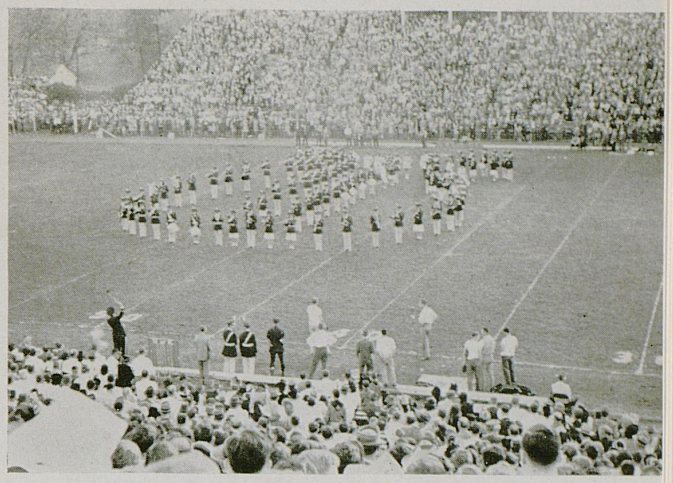
Picking out individual stars is like coming to grips with smoke; there were many great performances by Kentucky representatives. Touchdowns were scored by eight players. Cutchin kicked seven extra points and ran one marker across.

GEORGIA 28, KENTUCKY 13

Kentucky's winning streak was halted by Georgia's Bulldogs 28-13, when Charley Trippi ran and passed the Bulldogs to victory. While 25,000 onlookers braved showers in Athens' Sanford stadium, the Bulldog captain ran two touchdowns across and tossed the winners downfield in another drive. Quarterback Johnny Rausch grabbed a Cat fumble and headed for the other score.

Kentucky tallied seven plays after the kickoff scoring before Georgia ever got the ball. Cutchin plunged over from the four-yard line after a downfield drive.

The losers were outscored but not outfought. Kentucky's play could be termed "Almost, but not quite."



"Best Band in Dixie"

Several Cat drives were halted by fumbles of the wet ball or with only inches lacking for first downs.

KENTUCKY 10, VANDERBILT 7

Kentucky alumni went back to their homes talking about Kentucky's first Homecoming victory in 20 years. The Cats edged Vanderbilt's Commodores, 10-7, before 21,000 spectators—another record crowd— with Phil Cutchin figuring in all the point making.

His toss to "Wah-Wah" Jones for a touchdown on a double fake in the third quarter was the first time the Vandy goal had been crossed all season. His field goal later in the same period proved to be the margin of victory. Even the extra point was tallied by Cutchin.

The losers recovered Boller's fumble on the Kentucky 15 midway of the last quarter and went across

on four straight line bucks by J. P. Moore, chief Commie ground-gainer. Bobby Berry converted.

ALABAMA 21, KENTUCKY 7

"Gilmer" is a brief but accurate story of Kentucky's second defeat, for it was he who almost single-handedly engineered Alabama's 21-7 victory. A crowd of 22,500, largest ever at any sports event in 'Bama's capital, saw the contest.

The Wildcats counted their only touchdown when Bill Chambers intercepted a Gilmer aerial on his 35 and behind good blocking raced down the right side to score. "Hurlin' Harry" scored the Tide's first touchdown on a thrust through center in the second quarter. A few moments later he tossed from Kentucky's 37 to Hugh Morrow, who ran across. In the third period he passed to Ted Cook in the end zone from the 'Cat eight. Morrow converted all the tries.

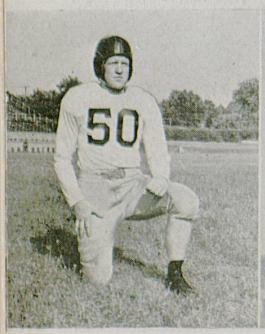
KENTUCKY 39, MICHIGAN STATE 14

It was not billed as "Phelps Day" at Stoll field, but the halfback made Michigan State wonder why not; he made four touchdowns as the Wildcats trounced the Spartans 39-14. Kentucky maintained its reputation of being a "second-half" team, having trailed, 14-13, at half-time.

KENTUCKY 35, MARQUETTE 7

Kentucky not only topped and stopped Marquette, 35-7, but beat the Hilltoppers at their own game.

Gene Haas



Dopey Phelps

Gene Meeks

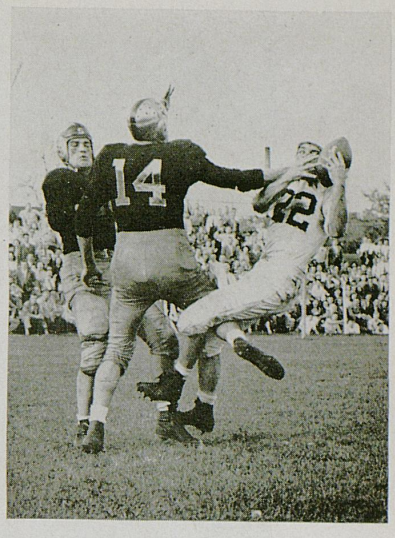
Marquette's offensive threat lay in its passing game; Kentucky held that aerial advance in check until the last two minutes of play, when the Wisconsin team brought some better-late-than-never joy to a small crowd. Even greater humiliation was realized in the 'Cats' scoring two of their five touchdowns on passes, gaining half of their total yardage on tosses.



KENTUCKY 13, WEST VIRGINIA 0

A steady drizzle failed to dampen the spirits of Kentucky's football squad in the home finale, for the Wildcats achieved a 13-0 win over West Virginia's Mountaineers. Phelps notched both 'Cat markers, running one across and receiving an aerial from Cutchin for the other.

TENNESSEE 7, KENTUCKY 0

For three quarters Kentucky and Tennessee waged a brilliant defensive duel in Knoxville's Shields-Watkins stadium before Walt Slater tucked a 'Cat punt under his arm and behind good blocking ran 54 yards for a touchdown and the decision. Charlie Mitchell added the extra point by placekick, but it proved unnecessary, for the host gridders resorted to time-consuming tactics for the remainder of the game.

Worst feature of all to at least 6,000 Kentucky rooters among the 40,000 fans present was the victory on the one run, the score not indicative of the great game between old rivals.

Baseball

After losing their first four games, the baseball Wildcats slowly picked themselves off the ground and grew stronger as the season progressed. In the last six contests, the Lexington lynxes won five of them. The Kentucky team finished the season with a record of seven wins against nine losses. Capable Harry Lancaster was the coach of the Wildcat nine.

The high spot of the campaign came near the end of the 16-game schedule when the Cats trounced the Vanderbilt Commodores twice on May 17 with Cliff Barker and Wallace Jones each hurling a shut-out. In the initial game, Barker bested Vandy's star pitcher, Jimmy Stephens, by the score of 8-0. Stephens, for the season, won seven games and had an earned run average of 2.63. In the nightcap, fast-ball pitcher, Wallace (Wah Wah) Jones, tossed another no-run game against the Nashville nine.

Coach Lancaster's biggest headache, besides the rainy weather, was his mound corps—especially early in the season. Wild, Hatchett, Yankey, Allen, Barker, and Chambers were all used on the hill in an attempt to find a consistant winner. It wasn't until early May that the pitchers found themselves, and later Jones joined the staff to help form a winning combination. For the year, Jones won three games; Hatchett took two; Barker and Wild each won one contest.

At bat, the leading hitters were Marion Smith, Tom Tabb, Wally Jones, John Stough and Cliff

Barker, the latter cavorting at first base and on the mound. Ralph Beard, infielder, collected two home runs to lead the Cats in that department.

In Southeastern Conference competition, the Kentuckians won four and lost the same number—all eight games being played against the Tennessee Volunteers and the Vanderbilt Commodores. Against other teams, the Blue Grass diamond athletes won three times in eight battles.

Early in April, 104 candidates reported to Coach Harry Lancaster for the baseball team. The squad was quickly reduced, and at the conclusion of the season 14 baseballers and two team managers were awarded K letters.

Those players were: four pitchers, Wah Jones, Harlan; Cliff Barker, Yorktown, Ind.; Willie Allen, Lexington; and Bob Hatchett, Danville. Catchers, Gary Butterman, Louisville, and Bill Thomas, Dearborn, Mich.

Outfielders, Ken Rollins, Wickliffe; Jay Cummins, Brooksville; Tom Tabb, Dover; and Marion Smith, Lexington. Infielders, Ralph Beard, Louisville; Al Cummins, Brooksville; Johnny Stough, Montgomery, Alabama; and Tevis Laudeman, Lexington. Humsey Yessin served as assistant to Harry Lancaster. The two team managers were Kent Hollingsworth, Georgetown and James Baskett, Lexington.

The breakdown by games follows:

XAVIER 18, KENTUCKY 15

Kentucky's baseball team inauspiciously lost the initial game of the 1946 season to Xavier, 18-15, in a three-hour battle held at Lexington's Legion Park. Lancaster used four pitchers in the fracas, none proving to be effective. Chambers started on the mound, followed by Wild, Barker and Allen. At the plate Thomas banged out three doubles; Stough, Hammer and Rollins got two each, and Beard smashed out a home run.

CINCINNATI 6 KENTUCKY 4

The invading Bearcats thumped Cat hurler, Hatchett, for six runs early in the game while UC's big flinger, Bob Huber, was holding the Blue Grass nine in check. For Kentucky 13 unlucky batters struck out in the game. Cliff Barker and Ken Rollins led the Wildcat attack with two hits apiece.

EASTERN 13 KENTUCKY 4

Six costly errors were committed by Kentucky defense as the hapless Cats suffered their third loss in a row. Eastern pounded out 11 runs in the first four innings off UK's Allen and Chambers. DeVenzio was the winning pitcher for the Maroons of Richmond.

MURRAY 9 KENTUCKY 7

The first game away from home found the Wildcats extending their losing streak to four games. Rain stopped the contest at the end of six innings with the Cats two run behind. Wild was the losing hurler and needed relief from Willie Allen in attempting to silence the Murray sluggers, who collected 10 safeties.

KENTUCKY 5 VANDERBILT 3
VANDERBILT 3 KENTUCKY 2

In a double-header played in Nashville, the Wildcats copped their first win in the opener as Chambers hurled six-hit ball while the Cat batters were collecting five runs. In the finale, Cliff Barker lost a close game to Vandy, 3-2. Each team got five hits and made one miscue in the field.

KENTUCKY 12 GEORGETOWN 2

At Legion Park, the Lexington lynxmen slammed Tiger hurler Bridges for 15 base knocks and 12 runs to take their second victory of the campaign with Hatchett the winning moundsman. Wild, Yankey and Hendrix were also used on the hill by UK. Beard garnered his second home-run of the season.

TENNESSEE 12 KENTUCKY 2

In Knoxville, the Vols scored six runs in the first two innings as Chambers and Wild had little control, giving up several walks early in the game. UT's tosser, McDonald, gave up seven hits and two runs to Kentucky.

TENNESSEE 3 KENTUCKY 2

Cliff Barker, Wildcat flinger, lost a tough game to the Vols, 3-2, as Orange pitcher, Bob Stewart, allowed but six hits to the UK felines. Rollins led the Cats with two bingles. The defeat was the seventh for the Lexington crew against two wins.

CINCINNATI 6 KENTUCKY 5

Two errors in the twelfth inning cost Kentucky its second one-run loss in a row. Bill Chambers hurled the entire game for UK, while the Bearcats used Huber, Wicke, and Heine. Seven miscues—five by UK—were made in the contest played in the Queen City.

KENTUCKY 8 VANDERBILT 0

ballers swept both games from Vandy in a doubleheader at Legion Park. The improved Cat defense fumbled only once in the 16 innings of play and UK nabbed their third and fourth wins of the season. Tom Tabb, Ken Rollins and Stough were the leading hitters for Lancaster's lynxes.

KENTUCKY 6 GEORGETOWN 2

Hatchett and Yankey gave up only two hits as the rejuvenated tabbies picked up their third straight victory, 6-2, in a game played at the Tigers' home park. Bridges was the losing pitcher.

TENNESSEE 6 KENTUCKY 5

Four miscues by the Cats gave the Orangemen a narrow win over Barker and the felines. McDonald was the winning slinger, setting the Catmen down with seven hits. Marian Smith and Beard got two each; Barker, Laudeman and Stough one apiece.

KENTUCKY 6 TENNESSEE 2

Led by Wah Wah Jones, the determined Lexingtonians came back the next day and pounded Steward, Vol hurler, for six runs at Legion Park to defeat the Orange and White nine. Big Wally Jones allowed but three scattered hits, one of them a two-run homer. For UK, Jones got three bingles, Rollins and Tabb one each.

KENTUCKY 12 EASTERN 2

In the final game of the season, UK gained revenge for an earlier defeat by trouncing the Richmond nine, 12-2 at the latter's home field. Marian Smith led the 12-hit attack with three singles; Jones, Beard and Tabb got two for the Kentucky team. Geltner, of Eastern, was the loser while Jones won his third game giving up only five hits.

Track

Led by big Jim Weber, an elongated 6′ 7″ lad from Pettisville, Ohio, the Kentucky track team, under the tutoring of UK Atheletic Trainer and Track Coach Phil Hudson, won three meets and lost two close ones by a total of seven points in the first full-scale track season at Kentucky since pre-war days.

Weber, a senior, entered four events in each meet and picked up 96 points this year, his last as a UK thinclad. His specialties were the 120-high and the 220-low hurdles, shot put, and the discus throw. His only two defeats were received in the discus heave when he was out-thrown by the 4-lb. weight-tossers from the Tennessee Polytechnic Institute and the University of Tennessee.

Kentucky's only two points earned in the Southeastern Conference meet, held at Birmingham, Ala. and won by Louisiana State University, were split between Weber and Johnny Meihaus, a product of Louisville's DuPont Manual high school, who finished fifth in the 120-high hurdles and the broadjump, respectively.

Had Don (Dopey) Phelps, football player from Danville, come out for track at the beginning of the season, the defeat given the UK thinlies by the Vanderbilt track and field performers would probably have been a victory for the Wildcats. Running the dashes in Kentucky's last three meets, Phelps won every running event he entered.

In the Vandy meet a Tennessee harrier won the century in .10:9, while Dashman Phelps was never clocked in a meet at a time slower than 10 seconds flat. In the longer sprinting distance, the 220, winning time by a Vanderbilt man was 24 seconds even, but had Phelps even entered and run the race in his average time of 22.8, the meet victory would have been Kentucky's by three points.

In Kentucky's other loss, a 59½-57½ defeat at the hands of the Tennessee Volunteers, three-fourths of the Wildcat mile-relay team was declared ineligible scholastically on the day before the dual meet. As it turned out, closing event of the meet was the mile relay and the Volunteers were trailing three points, 54½-57½, but the Kentucky substitutes put together at the last minute were not fast enough to give UK the much-wanted victory. Winning time in this event 3:33.3, a full four seconds slower than the time of 3.29.2 recorded in a meet by the Wildcat regulars.

Wildcat harriers dominated much of the TPI meet at Cookesville, Tenn., as they copped 10 firsts, 10 seconds, three thirds and tied for two other third places in piling up a margin of 84 5-6 points over TPI's 45 1-6, in their first outing. They were prepared for the meet by only a few weeks of practice because of the unpredictable Kentucky weather.

After losing to Vanderbilt, 56-61, Kentucky came roaring back to topple the combined strength of Georgetown and Centre colleges by a score of 78-42. Led by Weber, who tallied 20 points, the UK men captured 12 firsts and 6 seconds, to build up an overwhelming margin in a meet in which third places were not even counted.

Taking first places in all fifteen events, the Wildcats nearly multiplied Berea's total by four in the meet that was to be the warmup for the SEC meet held in Alabama. The final tally was Kentucky 104, and Berea 27. UK also took seven seconds and seven thirds in this meet to pile up their highest score of the season.

Plans for 1948 include the organization of a chapter of the National Society of the Spiked Shoe, a fraternity for men that have letters in track. There will be a cross country team beginning next season, besides a possible Kentucky Relay, to be an invitational event.

Tennis

The UK tennis team, although blocked and almost tackled several times by rain, an inadequate schedule, and an all-over lack of enthusiasm from the University, finished their season with three wins and five losses.

Elmer Reusch proved the only ray of sunshine on Kentucky's damp, clay courts, as his game improved steadily throughout the season. Reusch didn't even make the team for the first part of the season, but broke in with a win as the number six man, in the first Wildcat encounter with the Centre Colonels, of Danville, garnering one of the three team points. At the next match, with Xavier University in Cincinnati, Ruesch displaced Juan Balzola and won the number five match, as Kentucky won 7 to 0. The next match, with Centre, Reusch ousted Bob Collins from the number four position, finishing the season in that spot.

Tommy Asbury, number two man, won the most individual matches, five, losing only to Notre Dame, Cincinnati, and Sewanee.

Danny Dickerson, Kentucky's ace, had tough going, winning only from Xavier and Berea twice.

With only five days' practice, due to lack of all weather tennis courts, the Wildcat netmen journeyed to Sewanee and back, losing 9 to 0 during their disastrously short stay.

Fresh from one day of practice, the Wildcats scratched and clawed on the University of Cincinnati's cement courts without making a mark, losing again, 9 to 0.

Defeating Berea 9 to 0 built up the Cat's morale, but not quite high enough to counteract the 9 to 0 crushing loss to Notre Dame.

Out of the eleven men who participated in the tennis matches, seven received letters: Tommy Asbury, Juan Balzola, Bob Collins, Danny Dickerson, Ed Lander, Elmer Reusch, and Omar Tatum.

Golf

With a record of seventeen wins, one tie, and one loss, the Kentucky varsity golf team finished the season sporting the best record of any UK team, including the basketball team, which was rated No. 1 throughout the cage season.

Leading the all-freshman quartet was Captain Johnny Owens of Lexington, who was the actual as well as the nominal leader of the '47 Wildcat linkmen. Five times during the season he posted a score in the sixties, including a five-under-par 61 over the Miami, Ohio, greens, to average a score of just a fraction over 72, the par of an average course, for the 19-match campaign.

Topping the par-busting Kentuckians in the number of triumphs was Marvin Lear, also of Lexington, who was downed by his individual rival only once in 19 starts. But it must be remembered that Owens drew the opponents' top shotmaker in every match and still finished with a record of 15 wins against four losses.

Bill Dudley Baker, also a Lexington product, downed 12 men, tied two, and received setbacks from five others, while Leland (Bud) Lewis, of Ashland, held in reserve for the first six engagements, came on in fine style to win 11 matches, lose two and tie one.

Before being sidelined because of academic difficulties, Dick Hicks, another Lexingtonian, won all of his starts to finish with a perfect record of six wins, suffering no losses or ties. Hicks was last year's Kentucky captain and winner of the state amateur title last summer.

After the close of the season this spring, Captain Owens continued his below-par firing to win the Winchester Memorial Invitational tournament for the third time. Marvin Lear, also a tourney entry, won the final match in the fourth flight.

Over the same Maysville course where he won the '45 Kirk Memorial tourney, Owens won the 12th Annual Chippeways, invitational tournament of the Maysville Country Club, over his UK teammate, Hicks. In becoming the first two-time winner (his first winner's trophy came in '45) Owens was the tourney medalist. Lear, continuing to rise in his golfing activities, finished third in the contest by winning the finals of the second flight.

Kentucky's scores for the 19-match schedule are printed below, with the UK niblickers' points given first each time. UK nearly trebled the score over their opponents by picking up 306 of the possible 420, and giving up only 114 points.

Intramurals

Intramural sports had one of the largest years in Kentucky history with 2,682 individuals participating in 15 sports and 22 tournaments during the fall, winter, and spring months.

The over-all participation trophy, presented annually before the war, was reinstated and the coveted prize went to the Delta Tau Delta fraternity. The ATO's received the runner-up trophy, and the SAE's finished third.

Under the guidance of Bill McCubbin, intramural director, the student sports program was enlarged beyond its pre-war size, and additional expansion plans are figured for 1948.

Touch football highlighted the fall schedule, and 20 teams scrimmaged on the gridiron for the championship that finally went to the Sigma Chis.

In volleyball, it was the Sigs again, winning this time in a 14-team tournament played in Alumni Gym.

Golf and tennis rounded out the fall program, with both doubles and singles offered in each sport. The Delts, off to an early start in the trophy race, claimed both events. Bill List copped the singles crown, and Marvin Lear teamed with Jim Stewart for the doubles title.

The SAE's captured the tennis tourneys. Bill Evans took the singles, and joined with George Dudley to win the doubles.

For the winter quarter, basketball was the main attraction, and 40 teams signed up for the competition. After a hard-fought elimination tournament which saw favorite after favorite drop from the running, Sigma Chi was victorious.

Bill Barlow of the Sigma Nus outlasted 42 contestants and won the free-throw contest.

Bowling was initiated into the intramural program, and 108 keglers from 14 teams rolled for the trophies. The Phi Sigma Kappa team, a dark horse in the running, finished an easy winner.

Badminton and ping-pong made up the balance of the winter intramurals, with singles and doubles in both sports being offered. All four drew large fields, and while Jerry Thornton took the singles in ping-pong for the ATO's and Bill Corman and Dave Hatchett, an Alpha Sigma Phi team, walked off with the doubles, the newly organized Lambda Chi Alphas dominated badminton.

Nathan Smith topped 43 men in the singles and with the assistance of Jim Dance brought home the doubles prize.

Spring intramurals saw three new sports introduced into the program. Boxing and wrestling were offered for the first time since the war and had a combined registration of more than 50 musclemen.

Large crowds witnessed the battles held at night under the ring lights in Alumni Gym. The Delts came through in both sports to virtually cinch the participation trophy with six tournaments still undecided.

Again golf and tennis singles and doubles were included. The Kappa Alphas ruled the golf links this time and recorded their first wins. Bill Griffin was the singles champion, and Charles Gorman played with Lucien Kinsolving for the doubles title.

The tennis singles ended with a fast final match between Teddy Ray and the 1945-46 defending champ, Bill Sullivan, both Phi Delta Thetas. Sullivan won and retained the crown. ATO's Claude Sprowls and Jerry Thornton defeated all opponents in the doubles.

Track made its debut during the spring session, and 283 thinlies entered in the meet. The Sigma Chis and the SAE's fielded the largest groups of contestants, and the final results showed the SAE's first and the Sigs a decided second.

Softball brought down the curtain on the year's intramural program, and the hard-luck Phi Kappa Taus finally recorded a winner in the 22-team competition.

The SAE's were knocked out of the tournament and dropped second place in the participation contest to the ATO's, but the Delts remained safely out in front and rode home easy winners for the year.

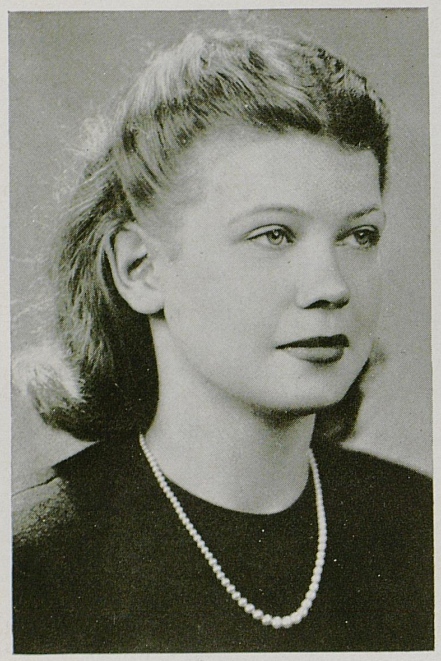
Kernel



Burnett

The Kernel provides training for future journalists and an outlet for student opinion. From a weekly of strong opinion, virulent attacks, and "good-will" advertising, it has developed since the first issue in 1915 into a weekly of campus news coverage, editorial campaigns, objective presentation, interpretation, and profit-returning advertising.

The newspaper is printed in a $60,000 student-operated plant, which contains three linotypes, two automatic Kelly presses, and a Duplex press capable of printing 3,500 papers an hour.

On the pages of The Kernel are found campus news, editorials, sports coverage, notices, gossip and other columns, and features. It furnishes an actual laboratory for tyro journalists. Many graduates of the department of journalism who are now successful newspapermen had their start as reporters for The Kernel.

Military Staff

The object of the Reserve Officers' Training Corps at the University of Kentucky is to provide systematic military training for the purpose of qualifying selected students as Reserve Officers in the military forces of the United States. This objective is attained by employing methods which fit men physically, mentally, and morally for pursuits of peace as well as for duties as leaders in the defensive forces of the nation in an emergency. The primary purpose of all training is the development of character, leadership, and good citizenship; character through high standards of honor and integrity, leadership through the acquisition and use of knowledge, good citizenship through the idea of service as the real measurement of accomplishment and success.

During the past year the ROTC has experienced a rapid growth. The Elementary and Advanced Course enrollment has more than doubled in the past year. The majority of the students entering the Advanced Course are veterans of the Army, Navy, Air Force and Marine Corps with continuous service ranging between one and four years. In addition to the established Infantry and Signal Corps units, an Air Force ROTC unit was activated at the beginning of the

ROTC Regimental Staff

fall quarter. The University Staff and the students have received the Air Force program enthusiastically. The post war courses include the following new subjects which have stimulated the interests of the students: World Military Situation, Occupied Territories Military Problems, and Methods of Instruction.

The Regiment turned out for close order drill at the beginning of the spring quarter. Almost immediately the Regiment was called upon to perform a full-dress review. During the same week, the entire ROTC Unit participated in an Army Day Parade through the city of Lexington. Upon completion of these activities, the attention of the ROTC was focused on May 13th the date of the War Department Annual Inspection. Every effort was made to prepare the Regiment for a commendable performance on that date. On the date of the Inspection, the Regiment was in excellent condition and performed in a manner that was a credit to both the students and the University. On May 21st, the Regiment participated in Military Field Day. Companies, Platoons, Squads and Individuals competed against one another for high honors and drill proficiency.

Rifle Team

Despite the fact that the 1946-47 season was the first since 1942 when enrollment in the Military Dept. could be considered normal the Rifle Teams snapped back and turned in perfect records on Postal Meets. The Varsity Team late in getting started was sucessful in obtaining nine matches winning all of them. The ROTC Team was able to get a slightly earlier start and fired in 14 Postal meets with a perfect record. The ROTC Team also engaged in the William Randolph Hearst National Intercollegiate ROTC Match and placed eighth in the Second Army Area. It was more fortunate in the Second Army Inter-Collegiate where it placed fifth and thus earned the right to be one of the teams representing the Second Army in the National ROTC Inter-Collegiate. Results have not been received to date on this match but the scores submitted are higher than in the past and it is felt that there is an excellent opportunity for a good standing. Those men whose efforts and ability did a great deal to produce this record include Master Sergeant Elmer Kinker, assistant coach; Whit Watson, and Edwin Walters of the Varsity, and Jimmie Ally, Meddis Hay, Delbert Robinson and Ryburn Weakley of the ROTC. It was a rare afternoon that several of these men could not be found on the range at practice. To the ROTC freshmen go the bulk of the credit for the work accomplished. The ROTC Squad included over twenty men with only two Juniors and three Sophmores listed.

CLUBS

Electrical Engineers

Founded in Philadelphia, Pennsylvania, 1884
Installed on the University of Kentucky campus in 1910

PURPOSE

To contribute to the technical and general development of students of electrical engineering; to offer the opportunity to begin a lifetime connection with the national organization in electrical engineering and for acquaintance with the personnel and the problems of those engaged in this field. Also to aid in the development of the latent abilities of students by giving them opportunities to carry on activities similar to those carried on by the Institute, such as holding meetings, presentation and discussion of papers, reports, abstracts, etc.; participation in inspection trips to places of engineering interest.

Howard C. Bowles	*President*
Darrell B. Hancock	*Vice-President*
William C. Spragens	*Secretary*
Eli C. Hall	*Treasurer*

In fall of 1945 the Veterans Club had some 150 members. A year later the total membership was 2,125. This phenomenal growth has a story behind it, and it reflects the new emphasis of the postwar University—an effort on the part of veterans to render service while settling down to serious study.

The president of the Veterans Club for 1946-47, Howard C. Bowles of Hazard, surrounded himself with capable workers and the office of the club was a beehive of activity all year.

To give some idea of what the club did during the year, we quote from POSTwarrior's editorial, "Just For The Record," in the March 14, 1947 issue:

"A quick thumbing through the pages of past issues of POSTwarrior, of the Kernel, of publications throughout the state and nation shows what the club has done and what has been said about its actions.

"Space doesn't permit a glowing account of past achievements, but some of them we will list briefly.

"Said the Cincinnati Enquirer: Cincinnati . . . might well take a lesson from veterans attending the University of Kentucky at Lexington, who dug up a total of 650 housing spaces for veteran students in a town supposed to be filled to capacity months ago.'

"Club leaders—the president in particular—spent untold hours night and day last summer to nudge University FPHA and construction officials onward in getting housing space on the campus to accommodate students. The club was solely responsible for settling the housing strike when everyone else was afraid to 'touch the delicate situation.' On a comparative basis the housing situation is better at the University of Kentucky than at any other school in the nation. . . .

"From a mere handful of men the club has grown to be outstanding and active on the campus. . . . It has had aggressive leadership which stopped at nothing short of academic exclusion to get things done for the veterans enrolled at UK . . .

"The club has sponsored a weekly radio program which disseminates information to veterans in this area via a Lexington radio station. . . .

"It has maintained a full-time secretary and office, serving as a 'co-ordinating center' for veterans on the campus in helping them obtain needed information on any subject.

"It has organized and operated a job placement agency for veterans. . . .

"Through its influence, the club helped secure passage of important veterans legislation by the 79th Congress.

"Through its activities it has gained prestige for Kentucky veterans all over the nation."

Committees

HOUSING COMMITTEE

John Murphy, *chairman*

The housing committee, headed by John Murphy, was the biggest and busiest of all the committees for several weeks when it made a complete housing canvass of Lexington. At one time, more than 250 workers were aiding in the drive to locate additional rooms for students.

STEERING COMMITTEE

Edward Breathitt, *chairman*

The steering committee, headed by Edward (Ned) Breathitt, served as the "guiding eye" in determining club policy. It met weekly with club officers and mapped out overall policy to be approved later at general club meetings.

RADIO COMMITTEE

Kirby Cox, *chairman*

The radio committee has directed a weekly radio show over local radio stations which was designed to air problems concerning veterans on the campus. Many prominent men in the fields of education, politics, industry, and foreign affairs have been heard on these programs.

SOCIAL COMMITTEE

Vincent Spagnuolo, *chairman*

The social committee handled club dances and other social events. It sponsored a party for freshmen and directed a Halloween dance during the fall quarter. Several other events were scheduled later in the school year.

WOMEN'S DIVISION

Marsha Cloyd, *chairman*

A women's division of the Veterans Club was organized on November 14 and Marsha Cloyd of Richmond was named chairman. The division holds separate meetings from the club in line with the different interests of the Club's women-membership.

3 Plus 6 Equals 3

Three and six can equal three. Our lowest terminal leave check contest winner, Samuel L. Hamilton, Commerce freshman, reported his government check in the amount of $0.03. Our prize offer was to double the amount of the smallest check reported to us by February 15.

With our prize-money check, Mr. Hamilton then had two checks amounting to nine cents. Minimum fee for cashing the two checks is six cents (three cents each at the Bookstore), so the winner actually ended up with the fabulous sum of—again three cents.
