MIK ON FILM

MIK's Instructional Services Dept. is creating a series of video tape instructional modules with the help of University Media Services. The first series consists of three short tapes that guide the viewer through the process of locating a periodical at MIK. Instruction is given in the use of the various indexes, interpreting the citations given, and locating the material in the stacks. The color video tapes will be available for use through MIK's Public Services.

COAL HOLE COVERS EXHIBITED

A unique photographic exhibition of 19th century cast iron coal hole covers, prepared by the University of Louisville, is currently on display in the Art Library. The exhibition can be seen during Art Library hours now through 29 February.
