

FAYETTE COUNTY

NOTICE DIVISION OF DRIVER'S LICENSING

1. Please note that remote processing of driver's license/ID card renewals or replacements in Fayette County will not begin until June 8, 2020 and shall end on July 31, 2020. You must use the Kentucky Department of Transportation (KYDOT) application form specific to Fayette County: [Form TC 94-192](#) and only driver's licenses/ID cards expired or lost between March 1, 2020 and June 30, 2020 are eligible. Applications MUST include the expiration date of your DL/ID and your signature, or it cannot be processed.
2. The processing time for renewal applications could take up to five (5) business days.
3. The mailing address for applications is: Division of Driver's Licensing, 141 Leestown Center Way, Lexington, Kentucky 40511 and checks are to be made to Fayette County Circuit Clerk.
4. There will be no in-person services or appointments available in Fayette County until August 3, 2020. If you need in-person services, please schedule an appointment with the KYDOT office located at 200 Mero Street, Frankfort, Kentucky 40601, via their website: www.drive.ky.gov.
5. If your address has changed, you will need to make an appointment at the KYDOT Office located at 200 Mero Street, Frankfort, Kentucky 40601 for replacement and to show proof of change of address. This option is not available via the email or mail-in application process.
6. The KYDOT Regional Office located 141 Leestown Center Way, Lexington, Kentucky 40511, will open for in-person services on August 3, 2020.
7. The fayettecountydil@kycourts.net email address is *only* for the submission of renewal/replacement applications and applications must be in PDF form when submitted via the email address or they will not be processed.
8. All specific questions related to driver's licensing/ID cards must be addressed to the KYDOT at www.drive.ky.gov.
9. All questions related to driver's testing (written or driving) should be addressed to the Kentucky State Police at www.kentuckystatepolice.org. The Kentucky State Police manages the driver's testing process.
