Hello every body. I never do work Sunday's I'm always glad when Sunday comes so I can be home with Suzanne. Sheldon and Erma Jean are gone to church. I missed church this morning as Lawrence went on to work and the kids has to burn their way home, they can always come with some of the neighbors. we have neighbors close and I can't even remember their names. How is the weather down there. have you had much snow. we sure have lots of snow. and it is raining today and the roads are icy. we sure had some cold weather. but we don't mind it. as the kids keep good fire and the house is always good and warm when we get home. at 12. Suzanne don't have any cold. and

I only wish you could see her. she grows a lot. And I keep her dressed in little Unionalls. And does she look cute. she talks about all of youse down there. she says when she gets big. she will go to Bandon and see toney, and little Marjorie. How is Pa. and how did everything go Xmas. We had a very nice Christmas, and old Santa was pretty good. Have you seen Margaret or any of the folks out there. I've Jean reather wrote to Margaret all about Grace's operation, and about her mother dying.

Grace is much better now. but has to stay in a while yet. Johnny sure didnt have a very merry Christmas he has more troubles than any one, and still he can take those big laughs as usual. his little girl is a dandy. and so sweet. Tell Pa he should see little Marlene. she gets in everything she takes Johnies shoes off and hits on every thing and Johnie sits there and laugh. How is Uncle Eugenes leg. did he ever get that wooden leg. I bet this winter seems long to him. as he cant get out sides or go to the barn to feed the horses.

Have you heard any more from Clarence
 I'm still in hopes that you will get
 better news from him. Do you still
 write to Gussie? I hear from him
 quiet often, and am I glad to get his letters.
 Suzanne recieved a package from Margaret
 as you know Gussie is her God father.
 Have you all butchered yet. And some one
 wrote and told me, that Evelyn Soffner
 helped you out a lot, I sure am glad
 she does, as I know you always need help
 we butchered a 4 hundred lb hog, and Jean
 took care of it all, as I work and dont
 do much at home. I only play with Suzanne
 I havent got a scratch from Lula yet
 and I would like to know what is wrong.
 Henry had the mumps, and I hope he is
 better. Surely he could write me a line or two
 the girls could write, I didnt even get
 a Xmas card, looks like Lula could write
 all the other sisters do. We've not seen
 any of the Cassidy's since they moved up here
 Laurence says first chance he gets we
 are going to visit them. I seen Edgar
 Cassidy in Johnies place yesterday.

Aunt Mary, are you quilting any this winter.
 Does Rachel quilt so much I got a
 letter from her but she didnt say,
 How is Sarah Goffinet & Gusv. I havent
 heard a word from them sence we are here
 Willie how is Emma, is she somean yet
 does she ever come over, she may come
 in the spring, and get plants or ripe tomatoes ha
 Did she get Pa's house cleaned for Xmas,
 Did any of the kids come at Pa's Xmas
 Willie dont you think this is enough
 questions to answer, as you had better ans
 these questions cause no one els will.

Got a big letter from Gertrude at Xmas she
 had lots of News and Russel also.

Well folks I have to close, now and
 real soon, And dont forget we are
