DR. OTIS A. SINGLETARY

President, University of Kentucky

Dr. Otis A. Singletary has maintained an active role both in academics and athletics since he became the University of Kentucky's eighth president in August 1969.

Great strides toward academic excellence have characterized Dr. Singletary's presidency at UK. The Schools of Dentistry and Pharmacy consistently rank among the best in the nation. Departments such as political science, history, and mathematics have also gained nationwide attention while the UK Library now rates among the best in the Southeast.

Under Singletary's leadership, the University of Kentucky has also become a major research institution. The Albert B. Chandler Medical Center is an established leader in research on cancer and the aging. UK's agricultural college

has provided important research in tobacco and equine diseases while other University research has focused on the field of coal and other energy sources.

Singletary's involvement in athletics is as impressive as his academic achievements. A former president of the Southeastern Conference, Dr. Singletary is a member of the NCAA Select Committee on Athletic Problems and Concerns in Higher Education. He is also chairman of the board of directors of the College Football Association.

As president of the principal institution of higher learning in the Commonwealth, Dr. Singletary is greatly concerned with the University's role as a land grant institution, a "people's university" accessible to all who can profit from education.

In the 13 years Singletary has been president, the University of Kentucky has grown in enrollment to about 23,000

students on its Lexington campus and more than 22,000 students in the University's 13 community colleges.

Recognition of his service to the University of Kentucky was evidenced by the UK Alumni Association which presented to Dr. Singletary its Alumni Service Award, an honor rarely bestowed upon a non-alumnus of the University.

A native of Gulfport, Miss., Singletary holds degrees from Millsaps College and Louisiana State University. An accomplished administrator, Dr. Singletary served as chancellor of the University of North Carolina at Greensboro and was executive vice chancellor for academic affairs for the University of Texas system prior to coming to Kentucky.

He and Mrs. Singletary, the former Gloria Walton, have three children: Bonnie, Scot, and Kendall.

CLIFFORD O. HAGAN

Athletics Director

the 1984 NCAA Basketball Championships. In 1985, the prestigious NCAA "Final Four" basketball championships will be hosted by UK and held in Rupp Arena.

Having graduated from the University of Kentucky with high distinction in 1954, Hagan has been a long-time advocate of a strong scholar-athlete program.

Hagan, one of the greatest players in UK basketball history, received one of his highest individual honors in 1978 when he became the first University of Kentucky player to be inducted in the Naismith Memorial Basketball Hall of Fame in Springfield, Mass.

An Owensboro, Ky. native, Hagan is married to the former Martha Milton,

also of Owensboro. They have four children: Mrs. Barry "Lisa" Thaxton of Lexington; Mrs. Jim "Laurie" Hill of West Liberty; Amy, a senior at the University of Alabama; and Kip, a sophomore member of the Transylvania University basketball and tennis teams.

Continued growth in practically all phases of UK athletics has been the hallmark of Cliff Hagan's nine-year reign as athletics director with outstanding attendance at football and men's basketball games, increased attendance at Lady Kat basketball games, and a steady upgrading of facilities.

In the coming year, the University will host the 1984 NCAA Volleyball Championships and the Mideast Regional of

When Terry Hall arrived at Kentucky in 1980, the Lady Kats were coming off their most successful season ever and beginning to gain national respect. They had been ranked in the Top 20 throughout the 1979-80 season and had finished the year with a 24-5 record and a berth in the AIAW National playoffs.

But the season was just a hint of the great things to come under Hall's guidance. The Lady Kats have gone far beyond respectability and into the perennial role of national contender. They have been ranked in the Top 20 every week and averaged 24 wins per season since Hall's arrival.

In her first year at UK, Hall's Lady Kats went 25-6, winning the Kentucky Women's Intercollegiate Conference and reaching the final round of 16 in the AIAW National tournament. Hall was named the KWIC Coach of the Year that season.

In 1982 and again last season the Lady Kats were considered among the top contenders for the NCAA championship. The 1981-82 squad won the Southeastern Conference championship and reached the quarter-finals of NCAA play before losing to eventual national champion Louisiana Tech on the Lady Techsters' home floor. Last year's Lady Kats were ranked fourth

COACH TERRY HALL

in the nation but fell to Indiana in the first round of the NCAA tournament.

Hall's record at Kentucky is 72-19, and considering Kentucky's tough scheduling habits (10 games with ranked opponents last season AND this season), a .791 winning percentage is outstanding. Her career record is 165-79. That mark includes one season at Eastern Kentucky, five at Louisville and three at Kentucky.

Hall began her coaching career in the high school ranks. Following her graduation from Indiana State in 1966, she was named head coach at Butler High School in Louisville. In five seasons at Butler, Hall coached her teams to two Jefferson County titles and an overall record of 69-33.

Then it was on to Eastern Kentucky University, where Hall earned her Master's Degree in 1974 and was immediately named head basketball coach. The Lady Colonels went 14-6 that season and won the KWIC title over Kentucky, Louisville, Western, Morehead, Murray and Northern Kentucky.

Hall then accepted the coaching job at Louisville, where she was faced with rebuilding a program. She succeeded, guiding the Lady Cards to a 79-54 record over five years. In 1979-80, her last season at U of L, the Lady Cards won their first Metro Conference championship. Hall also coached tennis and softball at U of L.

A native of Salem, Ind., Hall earned both her undergraduate and graduate degrees in Health and P.E. While attending Indiana State, she starred in basketball, field hockey and volleyball. She was honored with the "I" Woman Award in 1965, and received the prestigious Hillman Award in 1966 as the most outstanding female athlete at ISU.

Coach Hall on Kentucky's Style of Play: "Our style of play, or trademark, is the fast break. We believe that applying immediate pressure on the defensive team is one of the best ways to win a basketball game. Kentucky is one of few teams in the country totally dedicated to fast break basketball. Defensively, we play whatever defense we feel will exploit our opponents' weaknesses. Our main concerns are controlling the tempo of the game, teamwork, and shot selection by our players."

Coach Hall on Working With the Players: "I place a high premium on hard work and dedication to the task at hand. I want my players to feel the same way. I try to teach them that "doors of opportunity" open and close very quickly in life as well as on the basketball court. So always be prepared. In the span of a lifetime, their 4 years of college basketball is short, therefore they should work hard, be dedicated, excel, and enjoy the opportunity that exists."

Mike Kindred

**Assistant Coach
Eastern Kentucky University, 1980**

Mike was hired as a part-time assistant at UK in July, and then was elevated to full-time assistant in late September following the resignation of assistant coach Dottie Berry. A 1980 graduate of Eastern Kentucky, Mike served for two seasons as assistant girls' basketball coach at Estill County High School in Irvine, Ky., before coming to UK.

A native of Winchester, Ky., Mike graduated from Clark County High School in 1975. He then attended Morehead State University for one year before transferring to Eastern. He received a degree in Industrial Education, and then taught at Clark County for one year before accepting a job at Estill County.

In his first season at Estill, Mike helped direct the varsity squad to its first-ever winning season in 1982. The following year, the Lady Engineers won their first district championship. Mike's junior varsity squad, meanwhile, was doing even better, finishing with a 15-4 record in 1982 and a 19-4 record in 1983.

Mike is very active in the Big Brothers-Big Sisters program, and currently sits on the organization's Advisory Board in Winchester. He is also an active member of the Fellowship of Christian Athletes, and was the FCA's 10th Region representative last year while coaching at Estill County.

Joining the coaching staff at UK fulfills a life-time dream for Mike, a 26-year old bachelor who has always been a "Big Blue" fan.

ROBIN BOARD

**Graduate Assistant
Louisville, 1983**

A former player for Coach Terry Hall at Louisville, Robin joined the Lady Kat staff in September. While at Louisville, Robin lettered in basketball four consecutive years, two of those seasons with Coach Hall at the helm. She was a member of the Lady Card teams that won Metro Conference titles in 1979 and 1981 and is in the record book for best free throw percentage in a season, which she set in 1979. Robin was also an outstanding high school player at Louisville Butler High. She helped her team to the Girls' State Tournament in 1976 and 1978. She was All-State honorable mention for three straight years and played in the East-West All-Star game in 1978. She also played tennis for three seasons and ran track one year at Butler.

Robin is pursuing a Masters Degree in Recreational Therapy at UK. She has a great interest in young people and has participated as a volunteer for Special Olympics for five straight years. She also is credited with starting two Youth Basketball Camps in 1981 and 1982 at the St. Matthews YMCA in Louisville.

TWO SURPRISE TEAMS MEET IN TONIGHT'S GAME

RECORDS: Kentucky 5-1
Alabama 8-1

Series Record: UK leads, 4-2

When Kentucky and Alabama tip off tonight, it will be a meeting of two of the biggest surprises of the 1983-84 season. The Crimson Tide, 16-13 last season, was expected to be much improved this year, but few would have guessed the team would be ranked 17th just three weeks into the campaign.

Coach Ken Weeks has done a good job with his young squad. Last year, seven of the 12 Alabama players were freshmen. One of those 1983 frosh, center Carol Smith, is the leading scorer and a fine rebounder for Bama, with averages of 14.3 points and 7.2 rebounds. And two current freshmen, 6-3 DeeDee Davis and 6-2 Justina Smith, are adding 12 and 10.5 points, respectively. Smith is the team's top rebounder with an 8.5 average.

Giving experience to the squad are seniors Cassandra Crumpton, Terri Hillard and Dottie Kelso, all who are in the starting lineup for the second straight year.

"Last year we defeated Alabama but they scored 77 points on us," said UK Coach Terry Hall. "They were young but very talented so I knew they would be very strong this year."

Kentucky is also a young squad that has pulled some surprises this season. Like Alabama, the Lady Kats were not ranked in the preseason. They hope that a victory tonight will bring them some national recognition.

Kentucky is led in scoring by sophomore forward Leslie Nichols, who averages 19.2 points on 60.3 percent shooting. Nichols suffered a broken nose in UK's recent win over Indiana and underwent surgery three days later. She missed Kentucky's 77-69 road victory over South Carolina, and was out of action a total of seven days.

Kentucky's other sophomore forward, Karen Mosley, is averaging 19 points and leads the team with a 9.7 rebounding average. Freshman point guard Sandy Harding leads the team in assists (39) and field goal percentage (62.5).

Alabama's only loss this season has been to No. 4 Texas. The biggest win for the Crimson Tide came against No. 13 N.C. State on a neutral court.

Kentucky's loss came in its opener at Cincinnati. Since then, the Lady Kats have won five straight, including a big 73-68 upset win at No. 16 Ohio State.

LADY KAT FEATURE

By DONNIE WARD

Diane Stephens has played a big part in the success of the Lady Kats since coming to UK as a freshman two years ago. During those years, she held a supportive role behind her former teammates Patty Jo Hedges and Lea Wise at the guard spots, but this year will be different. Her continued hard work and dedication will be key ingredients to help spark the Lady Kats to a successful season.

Stephens is a real believer in placing the team's success above her own and has said she will do her part as "the most experienced guard" on the Kentucky team. She adds strength to the squad through her impressive shooting ability and enthusiasm. Head coach Terry Hall calls her a "sparkplug" that will be counted on to provide outside scoring and some of the much-needed experience out front.

"I have great confidence in Diane in clutch situations," said Hall. "Right now, she's our number one player off the bench. She can come in and give our team an added lift of enthusiasm, and that's what she's been doing for us."

At South Carolina, Stephens provided that "added lift" in the way of an 18-point second-half performance to help lead the Lady Kats to a surprising 77-69 win over the Lady Gamecocks. That victory improved the Kat's record to 5-1. Stephens currently ranks third in scoring for Kentucky and third in shots taken, so she is not afraid to shoot the ball. Her determination has earned her a 46.6 percent shooting average from the floor so far this year.

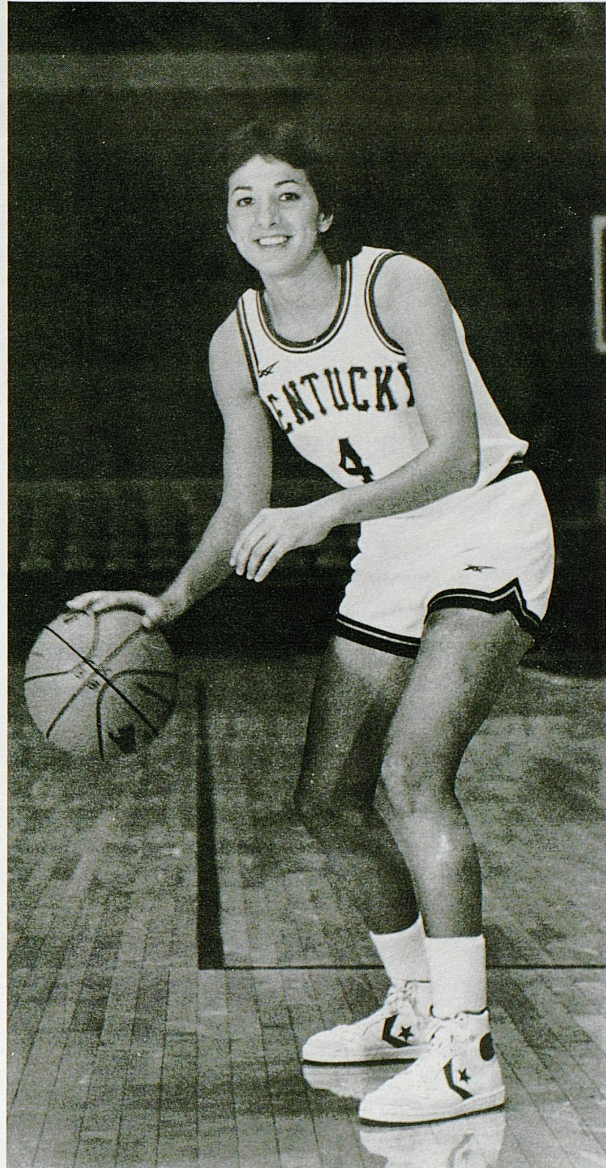

Stephens also holds the team record in consecutive free throws at 22 and has a career average of 84 percent. So far this season she is four for four from the line.

But according to Hall, Stephens' contributions to the Lady Kats comes not just during games, but off the floor as well. "As a junior, Diane provides a lot of leadership off the court on a more personal level, over in the dorms helping the freshmen and younger players. She's an extremely hard worker, she's self-motivated and very sincere about caring for her teammates," Hall said.

Stephens was in the starting lineup for the first two games this year, but did not start the following three. Though she started at South Carolina when teammate Leslie Nichols was out to injury, Stephens says that starting each game is not really important to her. "At the first of the year I was really excited about starting, but as I got into the season, I came to realize that I may be better at coming off the bench," Stephens said. "It wasn't a matter of me playing bad, we just wanted a bigger lineup and I seemed to do better when I had a chance to see what was happening on the floor before I went in. Now I feel a lot more comfortable coming off the bench."

Stephens said she has gladly accepted her role to help out the team in any way she can. "I think it's exciting to be a spark on the team and I hope I can play consistently throughout the year. I try to do exactly what Coach Hall tells me to do and I think that's important," she said. "That way, she can learn to depend on me to play hard and do my best for the team. After all, I'm not a fancy-type player like Sandy (Harding) or Leslie (Nichols), so I must contribute in other ways."

A graduate of Southern High School in Louisville, Stephens was an All-State player her senior year. She is studying Telecommunications at UK but said she is thinking about a career in the coaching profession after graduation. But her main concern these days is

on the floor at Memorial Coliseum where she hopes to help her team break into the Top 20 in the coming weeks.

"At this point, we just want to beat some good teams and be recognized for our abilities. We're going to play each game as it comes and hopefully gain more experience as we go. Our freshmen are doing well, which is a big factor for us," she said. "As long as they keep developing, I think we'll continue to get better and better as season progresses."

Already, the team has realized a wealth of talent against their opponents. And with Diane Stephens on hand, the Lady Kats can rest assured that her ability can spark the team over the rough spots.

CONFIDENT HARDEN RECOGNIZES HIS ROLE

By Leslie Huddleston

Roger Harden knows his role on the 1983-84 edition of the Kentucky Wildcats.

After an average freshman year, the 6'1" sophomore was called upon to take over starting point guard duties when the injured Dicky Beal failed to fully recover. His first regular season starting assignment came in the opener against Louisville, a team with what many believed to be the nation's premiere backcourt in Lancaster Gordon and Milt Wagner. Harden didn't score any points in that game. In fact, he didn't attempt any shots. What he did do was calmly break a solid full-court press, grab a rebound, dish out two assists, and play a tough defense which contributed to a poor six of 21 shooting performance by the U of L guard tandem. Fans can expect that performance to be characteristic of Harden's play this season.

"I recognize my role here" said Harden, who just turned 20 years old yesterday. "I don't think Roger Harden needs to be a big offensive scorer here for Kentucky to be a top team. It's not that I don't have confidence in myself, but I feel scoring must be done inside."

Indeed, Harden does have confidence in his shooting abilities. However, this has not always been the case. After averaging 27.6 points per game as a senior at Indiana's Valparaiso High, Harden connected on only 30.4% from the field last year.

"I didn't have much confidence last year. I had a good summer, though. I lifted weights and worked on my shooting. I had to prove to myself that I could do it. The biggest adjustment was mental, but I feel confident now."

While he may have self-confidence, Harden realizes that many opponents may not respect his shooting abilities. Such was the case when the Indiana Hoosiers allowed him to put up five uncontested shots in the UK victory earlier this season. Though he hit on three of those attempts, don't expect him to shoot every time a defense sags.

"My job is to get everyone involved in the offense. You've got to take the shot you want, not the shot they (the opponents) give you."

Roommate Sam Bowie notes that the rest of the team recognizes the sacrifices Harden makes.

"Roger has done a great job and we have a great deal of confidence in him. We realize that he gives

up a lot of shots for the betterment of the team and we appreciate that."

Without question, Harden is a team player. He knows he must put team goals ahead of his own individual ones.

"I've realized I have a certain amount of ability. I'm all for my teammates who are better than I am. If I get beat out of a position, well, it's a tough pill to swallow, but you can't have a bad attitude about it because that can be contagious to the whole team. We have a healthy competition here that everyone understands. As long as we're winning, I'll be happy."

UNIVERSITY OF KENTUCKY

Social, Cultural and Recreational

Opportunities for UK students are not limited to the academic world. Involvement in the social and cultural aspects of University life also is important.

Recognizing this, the University provides the widest range of opportunities for personal and social development. If a student likes music, for instance, the Concert and Lecture Series brings outstanding soloists and symphonies on campus. There are chamber music concerts and hard rock concerts, impromptu bluegrass groups and flute recitals. If one likes to participate, opportunities abound—there are several choral groups, a marching band, the symphony orchestra, the symphonic band—or there is always the guitar with a few friends under the trees. Whichever one chooses, at UK it's available—and there's someone to share it.

There are 22 national fraternities and 16 national sororities on campus. "Rush," or member recruitment, takes place before classes begin, and informally throughout the year.

In addition to supporting the various Wildcat and Lady Kat teams, men and women students take part

as individuals or in groups in competitive sports and in intramural programs. The Seaton Center houses facilities in basketball, volleyball, badminton, squash, wrestling, and table tennis. An Olympic-size swimming pool, tennis courts, and several sports fields are available to students.

A similar variety of opportunities in drama, student government, athletics, service organizations, and recreation, is available.

The city of Lexington also offers UK students much in the way of entertainment. Lexington has a Philharmonic Orchestra, Chamber Music Society, the Lexington Singers, a Council of Arts, and a local Ballet Company. Movie theaters, international restaurants, coffee-houses, top-ranked acts of all types at fabulous Rupp Arena in the Lexington Center, historical landmarks, parks, and shopping centers, thoroughbred and harness

racing, fine fishing in lakes, ponds and streams . . . all in easy distance of the UK campus.

Tailgating at football games, lining up for tickets to see nationally famous Wildcat teams in Rupp Arena or Lady Kat games in Memorial Coliseum, participating in the "Little Kentucky Derby," attending concerts at the downtown arena or in the 11,500-seat Coliseum on the UK campus, visiting the internationally famous Kentucky Horse Park . . . all just a few of the many attractions of Lexington and the University of Kentucky.
