### Oops

The Green Bean for 10/31/80 should have been numbered 342 not 341. Also, Bill James was awarded a "plaque" not a "plague" from Berea College. So sorry.

### United Way - Library Exceeds Goal

The Library has again exceeded the University's goal of 7.5% increase for the United Way. Our present amount is 10% over last year; a total of \$3,500.

This is very commendable when you realize we had a whopping 30% increase last year. We were also able to increase the number of donors by 10% this year.

I am very proud of the Library Staff for giving so well to a good cause. Special thanks go to the solicitors for the work they have done. They are: Terry Birdwhistell, Phil Dare, Evelyn Evans, Brad Grissom, Vivian Hall, Mildred Moore, Lynn Shrewsbury, Janet Sutherland, Ruth Vaughan, and Frances Williams.

The Library Staff Appreciation reception was held on Wednesday, November 12 at 9:30 a.m. - 10:30 a.m. in the Staff lounge, King North. Dr. David Stockham, campus chairman of the 1980 campaign was the guest of honor.
