Judge George H. Williams
Boatmen's Bank Building
St. Louis, Missouri

My dear Judge Williams:

This is to ask you if you will be kind enough to give me the address of Mr. David Francis, Jr. A few days ago when going over a lot of old books which belonged to my Father I found a book with the name and address of David Francis, Richmond, Kentucky on the fly-leaf and I wish to send him this book.

I have not heard from you for some time but I believe that you are rejoicing with me in the election of Roosevelt as I know you did not support Mr. Hoover. It is too bad that the present session of Congress failed to pass a repeal resolution, but I suppose this was too much to hope for in view of a great number of "Lame Ducks" included in the present membership. It looks as if we will have to wait for a special session in order to get action, but I am sure that repeal will be voted at the special session.

I hope that you and yours enjoyed a Merry Christmas and that you will have a most happy and prosperous New Year.

With very kind regards and best wishes.

Sincerely,

Russell des Cognets
