## COLONEL FREEMAN MAKES FINAL ANNOUNCEMENT FOR MONDAY'S FIELD DAY

Governor Edwin P. Morrow to Review Battalion and Sponsors

### PRIZES TO BE GIVEN

Program To Start At 3:00 O'Clock

Final announcement of the field-day program to be given on Stoll Field, Monday, May 23, has been made by Colonel Freeman. The battalion, led by Herndon Evans, cadet-major, will parade the field, and immediately following the parade there will be individual contests between the cadets to determine who is the most proficient. There will then be a prize drill for the companies, and it is planned to have a demonstration of physical drill with arms, the military band will play during the exhibition, after which the winners will be announced and the prizes presented. The program will be presented under the direction of Colonel George D. Freeman, head of the Military Department, of the University; Major A. S. J. Tucker and Captain J. E. Torrence. Governor Edwin P. Morrow, accompanied by Colonel Charles Morrow, Colonel Henry C. Whitehead and General Roger D. Williams, will review the battalion and sponsors.

The program which will consist of five main features, beginning at 3:00 o'clock in the afternoon, follows:

1. Battalion parade.
2. Competitive drill between individual cadets.
3. Competitive drill between companies. Judges: General Rodger Williams, Colonel H. C. Whitehead, and Lieutenant-Colonel Charles H. Morrow.
4. Exhibition of Butt's Manual of Arms by a specially trained team of cadets.
5. Battalion review in honor of Governor Morrow. The sponsors will take part in this feature of the program.

## ART DEPARTMENT GIVES EXHIBIT OF CARICATURES

Works of Wyncie King on Display, May 16 to 30

An exhibit of about seventy-five caricatures by Wyncie King, one of the most eminent caricaturists of America, is being given under the direction of the Art Department of the University in its rooms on the third floor of White Hall from May 16 to May 30 inclusive.

Mr. King, who is on the staff of the Louisville Herald, is a caricaturist of nation-wide reputation. Among his caricatures which may be seen in the Art Department are those of many well-known Kentuckians, as well as many universally known persons among whom are: Gall-Curci, Irvin Cobb, Robert Mantell, Rachmannoff, Count Ilyia Tolstol and George Cray Bonard. Mr. King is at present preparing an exhibit to be sent to New York.

The art Studios are open daily from 9 a. m. until 5 p. m. The public and especially the faculty and students of the University are cordially invited to this exhibit.

There will also be on exhibition in the Art Studios this week a number of beautiful batik scarfs which have been designed and executed by students of the department.

## LITTLE THEATRE WILL CLOSE SEASON MAY 28

Final Play at Woman's Club; Other L. T. Notes.

The last performance of the Little Theatre will be "A Slave of Two Faces," which will be presented at the Woman's Club, Saturday afternoon, May 28, at 3:00 o'clock. It will be given for the benefit of the Chinese Relief Fund.

The last matinee under the auspices of the Dramatic Production Class will be given, Thursday afternoon, May 26. The play to be presented will be "Hunger," and the cast includes Jessie Dodd, Katie Gatewood, Marquis Garnett, Margaret Cole and Nancy Anderson.

A little play was given under the direction of Professor Mikesell at the Faculty Engineers Dance last Wednesday evening.

## STROLLER OFFICERS ARE CONCENTRATED

Organization to Embrace Only Those Who Have Won A Pin

Concentration of the various officers of the Strollers into an Executive Committee under the head of a Director instead of a president as in the past and the creation of new officers and the elimination of old offices marked the special meeting of the dramatic organization in the Stroller room Tuesday afternoon.

Under the new arrangement the organization will be headed by the Director who will have complete power and will direct all the activities of the organization. The Stage Manager will have charge of the scenic part of the productions and will select his own staff of assistants. The office of secretary-treasurer was absorbed by that of the business manager who will have complete charge of finances and handling of all business of the organization. The secretary will preserve a history of the organization in addition to her other duties.

Another important change was that by which members of the staff who do exceptionally good work may become Strollers and be permitted to wear the Stroller pin. Pearls will be awarded to members of the cast who show exceptional ability in dramatics and others of mediocre ability and members of the staff will wear plain pins. The director will be given a diamond and the stage manager a pearl.

Perhaps the most important change, or that which will affect more students, is the narrowing of the term Strollers to embrace only those who have won a pin. Those who try out Amateur Night will be known as "eligibles" and will have no voice in the business of the Strollers. Only "eligibles" will be permitted to try for parts in the annual play.

### PATTERSON SOCIETY MEETS

The Patterson Literary Society met last Friday evening, May 13, in Alumni Hall. John L. Hays read a journal, "The Patterson Squawker," which was a treat to the members of the society in the way of fun. A talk on preventable diseases was given by Ben Rader, a member of the society who is taking pre-med. In this talk Rader showed that many of our commonest and most serious diseases are preventable and he spoke of the legal steps being taken by many states to prevent epidemics.

## 1000 Students To Meet Commission

One thousand students are wanted to meet at the Administration building at 10:20 o'clock Saturday morning and march to the Southern station to meet the Commission which is returning from its trip to the Northern universities. Yells and songs will be given at the station and the students will accompany the men back to the campus. President McVey has wired that school be dismissed at the end of the second hour Saturday to allow all students to take part in the celebration. Men and women both are expected to attend.

## PERKINSON REPRESENTS A. A. E. AT CONVENTION

University Has Only Student Delegate at Buffalo Meeting

P. M. Perkinson, a senior in the College of Engineering, represented the Kentucky chapter of A. A. E. at the seventh annual convention of the American Association of Engineers, held at Buffalo, May 9, 10 and 11. About 150 delegates, including the leading engineers of the country, attended the meeting and practically every branch of engineering was represented.

Mr. Perkinson was the only student delegate at the convention, all those present being experienced professionals. Many other student chapters were represented in conjunction with certified chapters, but Kentucky was the only engineering institution to have a special representative.

The A. A. E. now has a membership of 25,000. It was decided at the meeting that its policy from now on will be to carry out its ideals in preference to increasing the number of members.

Mayor Buck, of Buffalo, in addressing the A. A. E. members said:

"I am by profession a lawyer, but since I have been Mayor of the city I have had no time to practice as my profession. I have had in a number of instances in connection with the work of the city to depend upon the judgment and advice of engineers, and never yet have I been misled by any trust which I have placed in a member of your profession."

H. O. Garman, of Indianapolis, chief engineer of the Indiana public utilities commission, was elected president of the association. A. N. Johnson, dean of engineering at Maryland State college, was elected first vice president; A. S. Morris, auditor of the C. & N. W. railroad, second vice president; and E. F. Ayers, Webster L. Benham, Garrison Babcock, Morris Blen, G. M. Butler and W. R. McKeen, directors.

Mr. Perkinson, besides deriving much benefit from the business sessions, had a very enjoyable trip; the engineers being entertained at theatre parties, dinners and dances. He also visited Niagara Falls before returning to the University.

What is the American Association of Engineers?

The American Association of Engineers is an all inclusive engineering society which stands for everything that will benefit an engineer. At present 70% of the students of the College of Engineering are enjoying the privileges of this organization. We extend a cordial invitation to the other 30% to line up with us this year so as to be active members at the beginning of the school year next fall. Ken-

## SU KY CIRCLE STARTS MOVEMENT FOR TRACK

Officers for Next Year Elected at Tuesday's Meeting.

At the meeting of the SuKy Circle, held in Chapel, fifth hour Tuesday, preparations were made for the drive Monday and Tuesday for funds for the building of a cinder track on Stoll Field. At present there is no cinder track for the athletes of the University. The track cannot be used in wet weather and it is necessary to make great expenditures to keep the track in repair. If a cinder track was laid it would be possible to entertain the S. I. A. A. here next year.

Officers for the 1921-22 year were elected as follows: Ryan Ringo, President; Charles Mahony, Vice-President; A. B. Cammack, Secretary; and Arthur Bradshaw, Treasurer.

Plans were made to meet the commission of forty men returning from Illinois at fourth hour Saturday.

## SURVEY COMMISSION VISITS OHIO STATE

Members Impressed by Equipment for Engineering and "Ag" Courses

The University of Kentucky Survey Commission, with its twenty-five representatives of the state-at-large, the press, university and board of trustees, visited Ohio State University, Tuesday, noting especially its facilities for agricultural development and experimental engineering. Members of the commission expressed wonder at the equipment provided here for agriculture and engineering and at the fact, officials of the local institution are preparing for a further expansion more stupendous than that which has been accomplished hertofore.

The Kentucky party was met at the station Tuesday morning by the Ohio delegation, headed by President W. O. Thompson, who made them a short address of welcome as soon as they had been taken to the university campus, explaining briefly the development of the institution and plans for its future growth.

Several members of the Kentucky party made a special study of the Ohio state budget and the plan of financial management. They observed the model of the million dollar stadium which will be under construction in June.

Two University of Kentucky alumni were in the delegation that escorted the survey commission on its inspection of the university, George R. Eastwood, district supervisor of county agents, and Dr. A. B. Waller, formerly of Louisville, an instructor in the Department of Botany. The party will visit Purdue Wednesday, Wisconsin Thursday, Illinois Friday, and will return to Lexington Saturday night.

The names of those on the committee were given in Tuesday's Kernel of last week.

### AG. SOCIETY PROGRAM

A splendid program has been arranged for the next meeting of the Ag. Society to be held Monday night, May 23, at 7:30.

The program is as follows: "Color Harmony in Clothing," Miss King; "The Future of the Horse in Kentucky," R. O. Wilson; "The Farm Poultry Flock and its Care," Jack Atherson; "A Trip with the Genetics Class to the Reformatory at Frankfort," Miss Kinchelor.

This will be the last meeting of the Ag Society this year and it is important that all members be present.

## ANNUAL STATE TRACK MEET TO BE HELD AT GEORGETOWN SATURDAY

Kentucky Will Be Favorite When Teams Go To Post

### CENTRE IS CONTENDER

Special Interurbans Leave Campus at 1:40

The Annual Kentucky Intercollegiate track meet is to be held in Georgetown Saturday afternoon, at 2:30 o'clock and as is the custom, George Buchheit will be there with his whole squad of runners expecting to take off first place as "has been done before." Several special interurbans have been procured for the student body and they will leave the campus at 1:40 o'clock sharp.

Last year the Blue and White took first place, getting more points than all the other colleges in the state combined. A repetition of this performance is expected again this year.

There are one or two events of which we are not certain but we stand a good show at the remainder. Mountjoy is expected to look awfully well in the high jump and the pole vault and Walden also of Centre, is a dandy good javelin man.

Clare will take the dashes, so we think, without much effort. Thornton and Porter will take the distance runs and Hayden, Boyd and Nance will also come in for a good share of the points. Dorman, Clark and Wilson will make them work for the high jump, two mile and pole vault. Wilhelm is also working up true to form in the relay, quarter and high jump.

Snyder, who placed in the All-Southern at Atlanta will probably take the quarter and Clare, as he is in the habit of doing, will be the high point man of the contest.

A large number of students are expected to make the trip and the interurbans, sufficient to transport them safely and sanely over and back, have been chartered by the SuKy Circle to leave the "Greeks" at 1:40 p. m. and returning immediately after the meet.

## LOVING CUP TO WINNER OF GIRLS' TRACK MEET

Female Athletes To Perform On Stoll Field

A silver loving cup will be given to the group winning the girls' track meet to be held May 31 at 3:30 o'clock on Stoll Field. The seven events that will determine the winner will be the 50-yard dash, 100-yard dash, running broad jump, standing broad jump, running high jump, hop, step and jump and the 440 relay race.

The competing teams will be composed of members of the frat and non-frat girls. Each fraternity will elect its captain and representatives in the contest. The non-fraternity girls will also have one team headed by a captain to represent them.

Probably not more than two from each representative group will be permitted to take part in each event. No one girl may take part in more than five events.

All girls desiring to take part in this meet must hand in their names and the name of their captain to Sarah Blanding by Saturday, May 21.

FRIDAY, MAY 20, 1921.

WE BID FAREWELL.

However cordial the welcome, however pleasant the stay, there must always be a parting.

It is the beauty of the setting sun and the haziness of approaching twilight that makes one appreciate more the wonders of the day that has been.

At this time in the school year our thoughts are turning to the inevitable partings that must come in a few days. Classmates, fraternity brothers, club associates and fellow workers of every organization are soon to scatter—many never to return to Kentucky's Campus.

Last meetings,—secret conclaves where a note of sadness is distinguished in every utterance—are at this time the daily order. Retiring officers are bidding farewell to those with whom they have labored during the year. Expressions of hope, ambition, enthusiasm are voiced by those who have been elected to "carry on," but omnipresence is the unescapable not of sadness.

In this somewhat disconcerting condition the retiring staff of the The Kentucky Kernel finds itself. Having labored long and patiently shoulder to shoulder with our associates we have gained an intimacy that borders on brotherhood, and we are experiencing to the highest degree the feeling of sadness that predominates on the Campus.

We take this opportunity of one last backward glance over our year's work in serving the students of the University of Kentucky, as best we could, with the news of undergraduate activity. We find that during the latter months we have labored under the most trying conditions possible and, notwithstanding, during the year have made two major improvements in The Kernel.

The first of these steps of progress is the doubling of the circulation, from approximately one thousand to two thousand circulation, due to the co-operation of Kentucky alumni. The second improvement is the change from a weekly newspaper to a semi-weekly, which allows a wider distribution of the labor required to issue the paper, and also the most important reason that it permits the publication of news items while they are still of interest, and of announcements and notices when they are real value.

The difficulties under which we have labored were the continuous irregularities in the mechanical department, in the job printing plant where The Kernel is printed. Conditions not conducive to promptness nor to efficiency have been as a stumbling block in our path. But our readers have patiently borne the inconveniences that result-

ed from shortage of labor and of printers' strikes, and to them we owe our heartfelt thanks.

It is more in the spirit of explanation than of apology that we include these paragraphs in this message of farewell. To the talented staff which is to succeed us do we offer our best wishes for success and a better Kernel, and to our friends and those who have assisted us we tender our most sincere thanks, and say farewell.

UNIVERSITY AND ITS FUTURE

On May 16, the University of Kentucky had as guests, twenty-two outstanding citizens of the State. They came here at the invitation of President McVey to investigate the physical equipment of the University in order that they might acquaint themselves with its needs. Following the day spent inspecting the plant of Kentucky's leading educational institution, they departed on a tour which will take them to the Universities of Ohio, Illinois, Indiana and other neighbor institutions. The purpose of the Board of Survey is to give Kentuckians an opportunity to compare the equipment of the University of Kentucky with that of neighboring universities.

A more representative body of men could not be assembled in Kentucky. They reflect the highest type of Kentucky citizenship. They are men who have the best interests of their state at heart. They realize that someone must take up the fight for higher education in the state. Their high conception of the duties of a citizen, prompted them to leave their affairs for a week and gather information that will make it possible for them to get an accurate conception of the needs.

While on this tour of inspection, they will visit a state university whose library alone cost more than the entire physical equipment of the University of Kentucky. At the Ohio State SIX—Kernel

University, they will see under construction, the handsome, new, concrete stadium which will cost \$1,000,000 or \$100,000 more than all the buildings on the University of Kentucky campus.

We feel that this survey will be productive of good results. Twenty-two prominent Kentuckians will return home with a clearer understanding of the necessity for enlarging and expanding their own university into a modern institution capable of giving the best there is in education to the young men and women of the state. The men who compose this body feel so keenly the responsibility which is theirs by virtue of their citizenship as Kentuckians, that they will feel it their duty, as good citizens, to champion the cause of the University and lead others to see her needs as they have come to see them.

The Kernel desires to express the appreciation of the student body for the service which the members of the Board of Survey are rendering the University. We feel that in them our cause will find worthy champions and that they will rejoice with us in the realization of the far-reaching plans President McVey has outlined for the future University of Kentucky.

DELTA CHI HOLDS BANQUET AT PHOENIX

The Kentucky chapter of Delta Chi fraternity held its annual Spring banquet at the Phoenix Hotel last Saturday evening, following the initiation Friday night of three new members.

Several alumni were present at the banquet including: J. O. Reynolds, Goodson Reynolds, J. B. McBrayer and Harry Miller. Active chapter: Jack Hewitt, Edward Richie, Maury Coles, Haynes Barr, Ryan Ringo, Calvin Lisman, J. W. Cook, M. K. Cook, William Worthington, Charles Spillman, Patrick Dabbs, James Farmer, Harry Hoffman, Carroll Carter, Leland Hanks, Riccart Bottom, Sam Martin, Herndon Wolf, James Cammack, Allen Camack, Asa Samuels and R. JOURNALISM PICNIC SATURDAY, MAY 28

Prof. and Mrs. Grehan to Entertain Students on Ky. River

May 28 has been chosen as the date for the annual journalism picnic to be given by Professor and Mrs. Enoch Grehan at Cherry Lodge, at Clifton, on the Kentucky River.

Much to the regret of Professor and Mrs. Grehan, it will be impossible to include the students in freshman journalism among those who are invited to the picnic this year, for the enrollment of the department has so increased that the entire department could not be accommodated at Cherry Lodge.

But all students in sophomore, junior and senior journalism classes, which will include about eighty students, are invited to the picnic. Any one who cannot go is asked to let Professor Grehan know.

The afternoon will be taken up with boating and swimming and the evening will be given over to dancing at Cherry Lodge.

Theta Sigma Phi, woman's national honorary journalistic fraternity, will hold its initiation at Idlewild, just opposite Cherry Lodge after supper on the night of the picnic. Those who will be initiated into Theta Sigma Phi are: Dorothea Murphy, Jessie Dodd, Virginia Throckmorton, Katherine Megibben, Claribel Kay, Elizabeth Hume, Frances Marsh, Ruth Hughson, Anna Louise Conner, Kitty Conroy, Irene McNamara, Margaret Smith, Sip Akers, Mary Elizabeth James, Adeline Mann, Elizabeth Murphy, Eliza Piggot and Eliza Spurrier. The members of the active chapter of Theta Sigma Phi are: Martha Buckman, Lucille Moore and Katherine Weakley.

POLITICAL ANNOUNCEMENT

OF GEORGE R. SMITH

For the first time in the history of the University of Kentucky one of her graduates seeks the office of Commonwealth's Attorney for Fayette County.

The University has not grown, in the past, with the strides which have marked the progress of many of her sister institutions. One reason for this has been due to the failure of our university to exhibit a genuine interest and concern in the welfare of her graduates—an interest so strikingly noticeable in the policies of other institutions in the state, whose graduates, in turn, have striven for the upbuilding of their alma maters, but whose regard for the University of Kentucky is secondary.

I assure you that I have the interest of the University at heart, and I request, and will greatly appreciate, the consideration and loyal support of university men and women, and of the alumni. The results of my candidacy, as I sincerely believe and intend, will accrue to the mutual advantage of us all.

# Men To Vote On Student Government Constitution Tuesday

## Committee Reports With Student Government Constitution

### 374 "AYES" NEEDED All Men Requested To Cast Vote In Chapel Tuesday

The committee of students appointed to draft a constitution for student co-operative government in the University of Kentucky has completed its work and is in this issue of the Kernel submitting the proposed Constitution in full, awaiting the pleasure of the male student of the University.

All men are requested to meet in chapel at the fifth hour Tuesday, May 24, to hear and participate in discussion concerning the adoption of the constitution, and at the end of the hour to cast a vote for or against the proposed constitution.

According to the Registrar's report there are seven hundred and forty-seven (747) male students regularly enrolled, and since the constitution provides that a majority of the male students shall cast a favorable vote for the adoption, it will be necessary for at least three hundred, seventy four (374) to vote Yes in chapel Tuesday.

Efforts will be made through posters, announcements, etc., to secure the presence of the entire male element of the University.

#### VOTE ON CONSTITUTION.

(Editorial)

Kentucky students will have an opportunity of hearing at the chapel exercises next Tuesday full explanation regarding the constitution for student co-operative government at the University of Kentucky and it will be their privilege at that time to accept or reject the work of the drafting committee appointed by President McVey.

It is the duty of every male student to acquaint himself with every phase of the proposed system and to cast his ballot intelligently and conscientiously. It is for every student to be his own judge of the merits of the proposed system.

The Kernel must compliment the constitution committee on the results of their labors. It is our opinion, as interested bystanders, that the document awaiting the pleasure of the students is exactly the constitution needed for the conditions existing at this University.

For the benefit of those who expected the Constitution to allow both men and women to vote and hold office in the Student Government Council we might say that the Committee arrived at their conclusion in regard to this matter after consulting with the Dean of Women and gaining her assurance that the women of the University preferred, and were planning to inaugurate a student Government council of their own, and that when the occasion arrived for concerted action the two councils could meet in joint session. With the knowledge of this intention of the University women the committee wisely decided to prepare its constitution exclusively for the men.

The voice of the students will be heard Tuesday in chapel. It is the duty of every University man to see that every student qualified to vote is in attendance on this occasion. All fifth hour classes will be excused and there will be no excuse for there not being one hundred per cent attendance. Three hundred seventy-four votes are necessary. Be there!

## CONSTITUTION OF STUDENT COUNCIL

### PREAMBLE

We, the students of the University of Kentucky, in order to secure an effective organization of student government in accordance with the Charter granted to the Student Council do establish this Constitution.

### ARTICLE I

#### Name

The name of this organization shall be The Student Council of the University of Kentucky.

### ARTICLE II

#### Membership

The membership of the Student Council shall consist of twelve male students elected by the qualified electors of the student body of the University of Kentucky. (A qualified elector, within the meaning of this Constitution, shall be any male student regularly enrolled or registered in any College of the University of Kentucky, except such as may be enrolled in short courses not leading to a college degree, or in the Summer Session, and except such as may be disqualified or disfranchised by the action of the Student Council.)

### ARTICLE III

#### Election of Council Members

The twelve members of the Student Council shall be:

Two members of the Junior Class, elected from the student body at large and elected to serve as President and Vice President of the Student Council; four members of the Junior Class, three members of the Sophomore Class; two members of the Freshman Class, and one member of the incoming class, to be chosen by the qualified electors of their respective classes, to serve during the following year.

### ARTICLE IV

#### Nomination and Election of Members

The Senior Class shall have four representatives on the Student Council, other than the President and the Vice-President, who shall be elected, one from each College, by the qualified voters of the Senior Class of that College—at a meeting called for that purpose, which shall be held the second Friday in May.

The Junior Class shall have three representatives on the Student Council, who shall be elected from eight nominees; two of whom shall be chosen by the qualified voters of the Junior Class of their College, at a meeting held the first Friday in May. The three members shall of the Council be elected from these nominees by the qualified voters of the entire Junior Class at a meeting held for that purpose on the second Friday in May. No three members of the Junior Class may be elected from any one College.

The Sophomore Class shall have two representatives on the Student Council to be chosen from four nominees, one from each College, selected by the qualified voters of their respective Colleges at a meeting called for the purpose, on the first Friday in May. Both Sophomore representatives may not be from the same College.

The incoming class shall be represented by its male officer of highest rank, his election immediately qualifies him for membership for the Student Council.

### ARTICLE V

#### Officers of the Council

Section 1. The officers of the Council shall be a President, Vice President and Secretary-Treasurer.

Sec. 2. The President and Vice President shall be elected on the first Friday in May of each year and shall be sworn in at the last regular meeting of the Council. The term of office shall be for one year, beginning at the opening of the semester following the election.

Sec. 3. The following rules shall

govern the election of the President and Vice President of the Council:

1. The President and Vice President shall be bonafide male students of the Junior Class, whose standing is such as to guarantee their graduation the following year.

2. All candidates for President and Vice President shall announce their candidacy in the Kentucky Kernel at least two weeks before the date set for the election.

3. Every bonafide male student of the University of Kentucky shall be allowed one vote.

4. The student receiving the greatest number of votes in the election shall be declared elected President and the Student receiving the next greatest number of votes shall be declared elected Vice President of the Student Council. In case of a tie the vote of the entire Council shall be taken and the man receiving the most votes shall be declared elected President.

5. The election of the President and Vice President shall be under the direction of the Council.

6. Ballots shall be prepared under the direction of the Council. Each voter shall sign his ballot before depositing it in the ballot box. Unsigned ballots shall not be counted. No student can vote by proxy.

7. Voting booths with locked ballot boxes shall be placed in the Administration Building for the students in the College of Arts and Sciences and the College of Law; in the Agriculture Building for the students in the College of Agriculture; in Mechanical Hall for students in the College of Engineering. Students not in the above classification shall vote in the Administration Building.

8. At least two members of the Council shall be present at each booth throughout the hours of voting and they shall have the right of challenging any voter.

9. Voting shall not begin before 7:00 a. m. and shall not continue after 4:30 p. m. on the date set for the election.

10. At 4:30 p. m. the ballot boxes shall be taken to the quarters of the Council where they will be unlocked and the vote will be tabulated. At least seven members of the Council, including the President or Vice President, must be present for the counting of the votes. Rosters of each class shall be prepared and as each vote is recorded the name of the voter shall be checked off the list.

11. The results of the election shall be made known by the President within twenty-four hours after the closing of the balloting.

12. Each candidate shall file with the President of the Council on the day following the election a statement of the expenses incurred in the furtherance of his candidacy. No more than ten-five dollars (\$25) shall be expended in advertising his candidacy.

Sec. 4. In the event of the duly elected President not returning to the University or in the event of his declining to take up his duties upon his return to the University, the duties of this office shall devolve upon the Vice President.

Sec. 5. In case the duly elected Vice President does not return to the University or in the event of his declining to take up his duties upon his return to the University a Vice President shall be elected by the Council from its membership, who shall serve as Vice President until the next regular election.

Sec. 6. In the event of the duly elected President and Vice President not returning to the University or in the event of their declining to take up their duties upon their return to the University, their offices shall be declared vacant and such vacancy shall be filled by the Council from its

membership.

Sec. 7. The Secretary-Treasurer shall be elected by the Council from its members at the first regular meeting following its election.

Sec. 8. In case of the death or permanent absence of a Council member from the University, the vacancy shall be filled by the election of a successor at an election called for this purpose, and participated in by those voters qualified to vote at the general election and to be conducted in the same manner as the general election.

### ARTICLE VI

Section 1. The president shall preside at all meetings, appoint all committees unless otherwise provided for, and perform such duties as are usually incumbent upon such officer.

Sec. 2. The Vice President shall perform the duties of the President if he is absent or incapacitated.

Sec. 3. It shall be the duty of the Secretary-Treasurer to keep and preserve correct minutes of the proceedings of the Council; notify committees and officers of their election or appointment; to notify all members of the Council of any special meeting that may be called by the President; to read all papers handed to him for that purpose by the President; to conduct all correspondence and report the communications received; to keep a complete record of the funds received by him; make a complete account of same at the end of the term and turn over the balance to his successor; to pay our money only upon the order of the Council and perform such other duties as usually devolve upon a Secretary-Treasurer.

### ARTICLE VII

Section 1. Roberts' Rules of Order shall govern the procedure of all meetings, special or regular, except cases wherein such rules conflict with the provisions of this Constitution and these By-Laws.

Sec. 2. A quorum, consisting of at least seven members of the Council, shall be necessary for the conducting of any business.

Sec. 3. Meeting shall be held regularly throughout the school year at the discretion of the Council, provided that such shall be held at least once a month.

Sec. 4. A favorable vote of two-thirds of the members present shall be necessary for the passage of any measure.

### ARTICLE VIII

Section 1. A petition of one-third of the students shall impeach a councillor, who shall be brought to trial at the next meeting of the Council. A by the vote of three-fourths of the voters shall remove the impeached member from office. The vacancy caused by this removal shall be filled in the same manner as prescribed for absent members.

### ARTICLE IX

#### Powers of Council

Section 1. The Council in co-operation with a faculty committee shall have original and exclusive jurisdiction in all cases of discipline of undergraduates. The degrees of discipline authorized to be exercised by the Council shall be: expulsion, dismissal, suspension and reprimand. Expulsion is permanent exclusion from the University. Dismissal is exclusion for a set time, not to exceed two semesters. Suspension is exclusion without a definite period, not to exceed one semester. Reprimand is an admonition given by the proper officer referring to the circumstances in the particular case.

Sec. 2. A student dismissed or suspended from the University must absent himself from the University grounds and buildings and his Fraternity Club House and shall be barred from all student activities during the period of said dismissal or suspension.

Sec. 3. Sentences imposed by the Council may be appealed by the accused to the Faculty, and if the latter so advised, the case will be recon-

sidered by the Council.

Sec. 4. All sentences of the Council shall be sent in duplicate to a Faculty Committee before being imposed or announced.

Sec. 5. The Council shall arrange the social calendar and shall set rules for the holding of all cotillions, dances, hops, entertainments and exhibitions.

Sec. 6. All holidays not included in the regular school calendar shall be recommended by the Council.

Sec. 7. The Council shall observe closely the handling of school finances such as class funds, expenditures of athletic teams, etc.

### ARTICLE X

#### Handbook

Section 1. Early in the school year the Council shall have printed and distributed the Constitution and By-Laws of the Student Council, and all worthy traditions that may lead to genuine University ideals. These pamphlets shall be primarily for Freshmen and new students at the University, but all students will be responsible for close adherence to the traditions and rules set forth.

Sec. 2. This pamphlet shall be separate and distinct from the Student Handbook issued by the Faculty.

### ARTICLE XI

This Constitution may be amended by vote of three-fourths of the Council and a majority of the qualified voters of the student body.

### ARTICLE XII

Section 1. This Constitution shall become effective upon ratification by a majority of the resident students of the University of Kentucky, and the granting of a Charter by the University authorities.

## WILDCATS MAKE VANDY GO 11 FRAMES TO WIN

### Kentucky Makes a Percentage of Zero on Southern Trip

The breaks of the game continued to go against the Wildcats on their southern trip. After losing a two-game series to the University of Tennessee, the Blue and White went to Nashville where the Vanderbilt Commodores took two contests. In the first game with the Vandy outfit the southern sluggers hit freely and piled up a score of eighteen runs, while the best the Cats could garner was three tallies. The second was more of a ball game. After eleven innings of see-saw leading the Commodores drove in the necessary run, winning 6-5.

The contests with Tennessee were won on the breaks of the game; a home run by a Volunteer player in the last inning with two out, two on and two strikes defeated the Wildcats by a lead of two. The last game with the Vols was lost on hard luck playing of Kentucky. The first game with the Nashville organization was just a walkaway, but in the second contest hard luck defeated the Blue and White after two extra frames.

One thing noticeable on the trip was the improved hitting of the players. Muth garnered more hits than usual, Slomer hit them hard and frequent and the others were not slow in getting more safeties. The squad continued to miscue, however, and it was this phase of the game that assisted them in going down to defeat. In every game at least several errors were made by the Cats.

### CAMPUS GOSSIP

Meers, May and James attended the meeting of the North Central Regional Conference held at Chicago, May 9, 10, and 11, where they heard some interesting discussions and took part in committee work on vocational education.

Dean P. F. Boyd announces that next year's conference of deans of Arts and Science College connected with State universities, will be held in Lexington. Fifteen state universities will be represented, from Ohio and Kentucky, as far West as Colorado, and from North Dakota as far South as Texas.

Professor E. F. Farquhar, of the English Department, will go to Blue Ridge, N. C. June 3 and remain until June 15 to deliver a course of lectures on "Literature of the Bible" at the Southern Conference of the Young Women's Christian Association.

McHenry Rhoads, of the Education Department, delivered the commencement address of Providence High School, Thursday, May 19, and of Hardinsburg High School, Friday, May 30. He will address the graduating class of Cloverport High School, Saturday, May 21.

W. D. Funkhouser delivered an address to the Alumni Association at Mayfield, Wednesday, May 18.

E. Farquhar gave a lecture on the Modern Drama at Bloomfield Thursday. He is delivering the commencement addresses at the high schools of Little Rock, Lewisport and Perryville this week-end.

## MASKED BALL TO BE ON ENGINEER'S DAY

### Several Features of Entertainment Being Prepared For Evening

Thursday, May 26, has been set aside as Engineers Day. The afternoon will be devoted to a general inspection of the College of Engineering by all interested persons. In the evening a masked ball will be given in Dicker Hall by the University of Kentucky chapter of the American Association of Engineers.

Elaborate preparations are being made for the ball. A costumer from Cincinnati has been engaged to aid in the preparation of the costumes, and will be given a special room in the Civil and Physics building on May 25

and 26.

Invitations will be extended to all members of the College of Engineering and their girl friends. Prizes will be awarded to the individual with the best costume and to the couple having the best costumes. Several features of entertainment are being prepared for the evening. Refreshments will be served.

Dr. Charles A. Shull, of the faculty of the University, has an article in the last number of "Ecology," on the subject, "Some Changes in Vegetation of Western Kentucky." It gives an account of the changes in vegetation on Barrens and Cane Hills of the Southern and Western parts of the State. Doctor Shull spent a part of the summer of 1919 in the bluff region along the Mississippi River where he made some interesting observations in river vegetation.

**"FIGHTING PARSON"  
SPEAKS TO STUDENTS**

**Urges Them to Realize Responsibilities; Chapel Programs Announced**

Dr. Elmer Lynn Williams, of Chicago, "The Fighting Parson," was the speaker at the Chapel Tuesday. He urged that the college men and women realize their responsibility to America, to see that all laws including the eighteenth amendment are enforced and that we must never again let this country be found in the condition which it was when the war began. He also told of the struggle to get prohibition into the land and of the fight that was made against the corrupt courts which tried to prevent it.

Doctor Williams said in part: "Following the war, there were a great many evils prevalent, the foremost among these being gambling, especially on intercollegiate games. The slogan during the war was: 'Make the World Safe For Democracy.' The slogan for the world today should be: 'Make the World Safe For Boyhood and Girlhood.' We must present the ideals of America to people coming to our land. Thousands of students of other lands come over here and we must send them home with the spirit that will initiate the elimination of the evils from their own country which we have overcome here. Also we are counting upon the college men and women to lead the health program."

"There are two main things that we are counting upon in this country: the forty-two million people who are christians and the patriotism of the American students, particularly the college students. It is up to us to see that the seventy-nine thousand who died across the sea and the two-hundred thousand who came back broken in body and mind have not died in vain and that their work will go on by us seeing that the pre-war conditions do not exist again."

The chapel program for the rest of the year was announced as follows:

May 24, Tuesday—President McVey's last address to student body this year.

May 27, Friday—State Superintendent, George Colvin, will address the students.

May 31, Tuesday—Band concert. Professor Lampert, directing.

**DOCTOR GANFIELD SPEAKS AT JOINT "Y" MEETING**

**"A Christian Program For Our Modern Life"**

The Y. W. C. A. and the Y. M. C. A. had one of the most looked-forward-to treats of the year last Sunday night when Doctor Ganfield, of Centre College, addressed them. Doctor Ganfield's subject was "A Christian Program for Our Modern Life."

Among other things, he said that humanity without religion is suicide and religion without humanity is a cartoon. Christianity offers a program for every human life, and it offers something that is really worth while. Christianity is a sincere practice of the teachings of Jesus Christ.

A feature of the evening was a solo by Roxane Trimble. Elizabeth Kimbrough was the student leader of the meeting.

**SHOWER FOR BRIDES-ELECT.**  
Mrs. F. E. Tuttle will entertain with a shower next Thursday afternoon for Mary Harkleroad and Anna Jean Smith. Miss Smith and Miss Harkleroad, who are members of Alpha Xi Delta sorority, will be married in June.

**KENTUCKY JOURNEYS TO CINCINNATI SATURDAY**

**Wildcats Meet Georgetown Monday and Wesleyan Tuesday**

The Wildcats cross bats with the University of Cincinnati tomorrow in the Queen City. The squad has been practicing daily since it returned from the South and they are in a fighting humor. Their recent defeats have riled the Cats up to a pitch that is higher than ever before. Cincinnati has already defeated the Blue and White and they must do some tall playing to be in front tomorrow afternoon. Coach Gill will take the same squad with him to Cincy that accompanied him to Tennessee.

Georgetown will be the next opponent of the Cats after the game tomorrow. Monday finds Kentucky playing the Tigers on their field. Georgetown fell before the Blue and White earlier this season and they are primed to avenge the setback. Tuesday afternoon Kentucky Wesleyan will entertain the Wildcats at Winchester. They have a similar purpose to that of the Tigers.

Kentucky will close the year with the game with Centre next Saturday. Centre lost a very close game to the Cats on Stoll Field and it can be imagined with a good degree of accuracy that they are ready like Georgetown and Wesleyan to get revenge. Although Kentucky has had a very bad season, the records show that the Wildcats are still the best in the state. It takes the last three games to change this position of the Blue and White.

**LOUISVILLE CLUB IS TO MEET FRIDAY**

There will be an important meeting of the Louisville Club, Friday, at 3:30 p. m., in the Journalism rooms. Plans will be made and officers elected for next year. Every student in school from Louisville or Jefferson County is urged to attend.
