

RECEPTION COMMITTEE

The Y. W. C. A. wants all the new girls to have a hearty welcome as soon as they reach Lexington. For this purpose a reception committee, composed of the cabinet and other members, has been formed. These girls meet all the trains and may be recognized by their blue and white badges. The Cabinet will continue to wear these emblems two weeks after the beginning of school, indicative of the spirit of the Y. W.—always ready to give help and information.

SOCIAL AFFAIRS

Every year we have many parties to which all of you are invited. Just as soon as you enter school someone will ask you to come to a frolic for Freshman girls. There you will meet all the new girls. Later the Y. W. joins with the Y. M. in giving "College Night." All the students—old and new—come to this festivity. The affair is quite informal and as it is given within the first few days of school, the new boys and new girls are enabled to meet each other and have a general good time. At different times during the school year, hikes, marshmallow toasts, weiner roasts and socials are given. Come to these, girls, for we are expecting you.

MEETINGS

At 6:30 every Sunday night services are held at Patterson Hall. During the week, on all nights except Friday and Saturday, devotional services are conducted in all the halls from 10 to 10:15. Bible study classes are carried on weekly in both dormitories and fraternity houses. About once a month the Y. W. C. A. and the Y. M. C. A. come together for a joint Sunday night meeting which is held either at Patterson Hall or
