

MEN'S STUDENT GOVERNMENT

The men's student government system was inaugurated at the university in the spring of 1921 under the leadership of a few faculty members and the president of the senior class.

The constitution was drawn up by a committee appointed by President McVey and after some revision it was accepted by the student body.

An election is held about the first of May each year in which the president and vice-presidents are elected from the members of the Junior class, the one receiving the most votes being president and the next highest vice-president. The other members of the council are elected later, four from the Senior class, of which one must be from each college, three from the Junior class and two from the Sophomore. The president of the Freshman class is the representative of that class.

The duties of the council are to co-operate with the faculty in arranging social activities and providing discipline. The power of the council is very limited but it has so far been popular with the student body which feels that it has some sayso in its affairs. The officers for this year are:

President.....C. T. "Turkey" Hughes

Vice-President.....Tom Ballantine
