

and a super-hetrodyne receiving set. In addition, an auxiliary transmitter can also be used consisting of a one KW Rotary Spark Set.

Headquarters of the club is open at all times to the members during the regular term of school. Officers are: President, J. W. Stark; Vice-President, E. B. Boston; Secretary-Treasurer, J. C. Warren; Member in Charge, J. A. Weingartener.

MUSIC

The Music Department of the University was organized only a few years ago but has grown very rapidly under the able direction of Prof. Carl Lampert. The largest organization under Music Department is the Choral Club, composed of those students desiring to cultivate their vocal talents. It presents an opera each year in Lexington and neighboring towns. Those having been presented so far are in order since 1920, "Robin Hood," "The Mikado," "Ermine" and "Martha."

Several of the most talented male singers compose the men's glee club. They give many concerts every year in Lexington, besides making a tour lasting for one week, giving concerts in other towns and cities in the state. Features of their concerts are the Male Quartet and the Syncopated Saxophone Sextet, which always receives much applause.

"QUARTETTE IN OREGON"

The Quartette spent the past summer in Oregon. They were selected from among forty-six other college quartettes as the best. The quartette is composed of Robert Clem, Elbert De Coursey, E. M. Heavrin, and Earl Baughman.
