Reunion Activities of '3' And '8' Are Great Success

Guests of Honor at Banquet

George G. Bryan, Robert T. Payne, and Prof. Henry Curtis, are shown as they were snapped at the annual Alumni Banquet, held in the ball room of the Student Union Building, June 2. They were honor guests of the occasion, being the only surviving members of the class of 1888, which celebrated its 50th reunion.

Climaxed by the annual alumni banquet in the large ball room of the Student Union Building, at which 500 alumni and friends were in attendance, Alumni Day, June 2, 1938, proved to be the greatest in the history of the Association.

Registration started at 9 a. m. in the Student Union Building, where alumni had the chance to inspect and enjoy the comfort and beauty of the Alumni Office and the new building in general. Returning alumni met and talked with old friends and classmates and formed small parties to tour the campus and note the many changes.

Class luncheons for returning alumni of classes ending in "3" and "8" were held at 12:30 p. m. Luncheons for the classes of '08, '18, '28, '33 were held in the ball room of the Student Union Building. Luncheons for the classes of '03, '13, '23, were held at downtown hotels.

Baccalaureate services were held

Classes of '4' and '9' To Return In June '39

Reunion classes ending in "4" and "9" are scheduled to return to the campus for Alumni Day, Thursday, June 1, 1939. Although this date is some eleven months distant it is not too early to start planning for Alumni Day of 1939. June, 1939, also marks the 50th anniversary of the Alumni Association.

Alumni Day for 1938 was a great one, the best in the Association's history. However, even greater plans are being made for 1939. Special attention will be devoted during the year to organizations and class reunions. Such plans include the appointment of class secretaries where there is no record of a permanent class secretary and the selection of representatives from each college having graduates in the class.

Alumni will be informed through the Alumnus and the alumni news column of the Kernel of all developments and just when permanent plans have been completed.

Redwine, Logan, Frankel, Wilson Are Elected for the Year 1938-39

Active members of the University of Kentucky Alumni Association elected Marcus Redwine, '19, president, and Miss Lullie Logan, '13, vice-president, for the year 1938-39. L. K. Frankel '00, and Dr. George H. Wilson, '04, were elected as members of the executive committee for terms of three years each.

Mr. Redwine, an attorney, of Winchester, Kentucky, was appointed as a member of the Alumni Executive Committee in 1934 and served as the Association's president in 1937-38.

Miss Logan, a life member of the Association, holds the position of Assistant State Home Demonstration

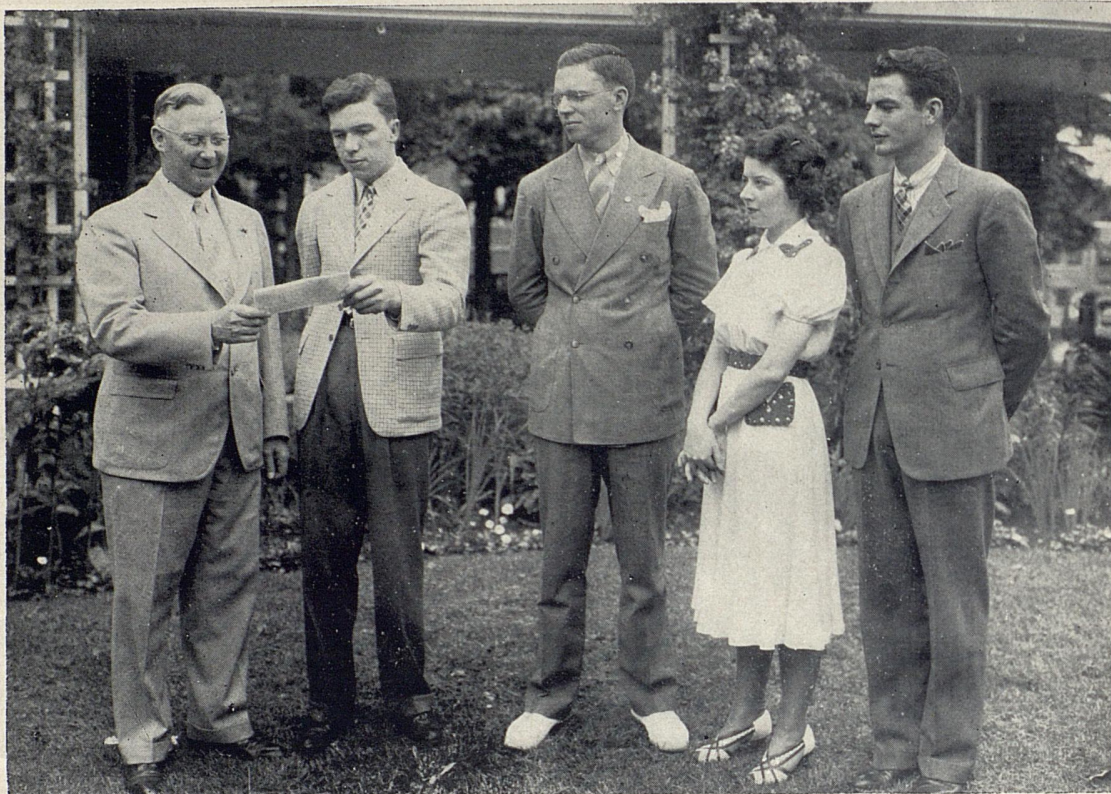

Agent in connection with the Agricultural Extension Division at the University of Kentucky.

Mr. Frankel, who has served on the Alumni Executive Committee for many years and is its incumbent chairman, was at one time professor of machine design at the University. He is at present a partner in the architectural and engineering firm of Frankel & Curtis, Lexington.

Dr. Wilson, who has been the Association's president and a member of the Alumni Executive Committee, served as Alumni Representative for the University Board of Trustees for six years. He is a practicing physician in Lexington.

Important News For Alumni On Pages 4 And 5

Graduating Class of 1938 Enrolls 100 Per Cent in Association

Robert Stilz, Lexington, president of the 1938 graduating class at the University of Kentucky, is seen here presenting to Marcus C. Redwine, Winchester, president of the University Alumni Association a check representing 100 per cent membership of the class in the organization. At Mr. Stilz's left are Rankin Terry of Marion, Ky., vice president of the class; Mary Lou Stark of Lexington, class secretary and Leon McCrosky of Harrodsburg, Ky., class treasurer. The picture was taken at Maxwell Place, President and Mrs. Frank L. McVey's home on the campus, where they were hosts to several hundred graduates, faculty and friends of the University at their annual senior breakfast.

Commencement Is Enjoyed By 5000

Over 5,000 persons attending the commencement exercises on June 3, 1938, enjoyed an innovation in its presentation. For the first time in many years commencement exercises were held on Stoll field instead of in the Alumni gymnasium.

The academic procession headed by the University Band formed at 6:30 p. m. on the walkway behind the south wall of Stoll field, proceeded to the gate at Euclid avenue opposite the Art Center, and crossed Stoll field to the chairs and platform on the football field directly in front of the south side stadium.

Commencement exercises proper started at 7 p. m. with the invocation by the Reverend Robert W. Miles, D.D., pastor, First Presbyterian Church, Lexington.

CLASS OF 1938 JOINS ASSOCIATION

Joining the Alumni Association 100 per cent the class of 1938 has followed the example set before it by the graduating classes of '36 and '37. The class of 1936 was the first class ever to join the Association 100 per cent the year following graduation. Not to be outdone the class of 1937 did likewise.

The picture on this page shows class officers presenting membership to the association president at the Senior Breakfast at the Maxwell Place.

As yet, this year, no other class has all of its members enrolled, but you can help your class to attain that goal by taking advantage of the Association's active membership plan as explained on pages 4 and 5.

Following two numbers by the University chorus, accompanied by the University Band, the commencement address was given by Dr. Walter A. Jessup, president of the Carnegie Foundation for the Advancement of Teaching. His subject was "You Can Take It With You."

Dr. Frank L. McVey, president of the University, presented the diplomas and Mrs. McVey was made the recipient of the Algernon Sydney Sullivan medallion for meritorious service to the commonwealth. Gov. A. B. Chandler of Kentucky was present to confer the medallion in behalf of the state.

Events of the day preceding the commencement ceremonies included the class luncheon in the Student Union Building for seniors, guests, alumni, and faculty members, and the open house at Maxwell Place from 3:30 to 5:30 p. m. where Dr. and Mrs. McVey entertained with a tea for alumni, guests, and graduates of 1938.

1661 Benefit From '37-'38 Association Membership

During the year 1937-38 the number of active members in the Association was the largest in its history. Each year sees a steady increase in memberships, and this is expected in 1938-39.

The number one news interest of 1937-38 in which the Alumni Association took a leading part was that of the reorganization of the athletic department of the University. Through the help and guidance of the Alumni Association, meetings were scheduled in various parts of the state so that alumni could express their views and offer their suggestions as to the situation. As a result of information gained from these meetings a proposed form of reorganization was drawn up and submitted. The reorganization as finally approved by the Board of Trustees followed almost in detail that submitted by the Alumni Association.

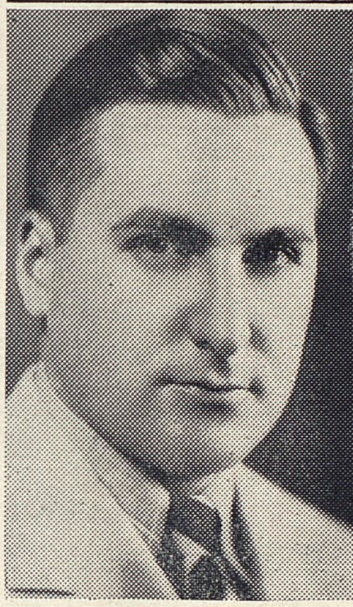

Active members of the Alumni Association during the year of 1937-38 received several mailings from the Alumni Office. These mailings informed them of the various Kentucky Headquarters held in connection with football and basketball games, swimming meets, and other events of interest to Kentucky alumni. Active alumni also received mailings of basketball and football schedules, football K stickers, radio programs, maps of the University campus, and other information of various kinds.

During 1937-38 alumni headquarters were established at various places in connection with athletic events and other alumni activities such as Homecoming, Thanksgiving, and Alumni Day. Whenever possible the Alumni Office has endeavored to set up headquarters where it knows that many of the alumni will assemble, to supply them with K buttons, K stickers, and complete information about the University events.

Homecoming for '38 Will Be October 29

Homecoming for Kentucky Alumni in 1938 will be held October 29. Highlight of the day, of course, will be when the Wildcats play their traditional rival, the crimson tide of Alabama. Closing the day's activities will be the annual Homecoming Dance which is always a delightful occasion for returning alumni. Don't forget Homecoming, October 29, when the Wildcats battle Alabama.

Alumni Secretary

ROBERT K. SALYERS

"Your Association has made progress during the past year. We solicit your interest and support as an active member in order that 1938-39, our 50th anniversary, may be even better."

Active members of the Alumni Association during the year 1937-38 read over 1,000 column inches or 83 feet of alumni news that appeared in the regular Tuesday issue of the Kentucky Kernel, the student newspaper of the University of Kentucky. All active members received the Tuesday Kernel during the regular school year.

Besides the latest up-to-the-minute news of the University and the campus, the Tuesday Kernel always contains an especially written column of alumni news about alumni and alumni activities.

Alumni have found that the Kernel is the best means of keeping abreast with the affairs and progress of the University and its alumni.

Besides the regular Tuesday editions of the Kernel, all active members of 1937-38 received a special edition telling about the new set up in athletics at the University.

The news in brief in that issue was that Bernie Shively, '36, was selected as director of the Department of Athletics, which functions as a department in the college of Arts and Sciences. Ab Kirwan, '26, was chosen as head football coach. The director and all coaches were put on the salary basis of professors.

A plaque honoring Dr. Franklin E. Tuttle, emeritus professor in chemistry, was placed in Kastle Hall, June 2, 1938.

Active U.K. Alumni Clubs Numbered 19 In 1937-38

During the year 1937-38 there were 19 University of Kentucky Alumni Clubs in active organization throughout Kentucky and eight other states. The Alumni Office has co-operated with the respective clubs in their work and news accounts of their activities have appeared in the alumni edition of the Kernel. Lists of alumni both by class and geographical classifications were compiled and made available for all alumni clubs. Such lists were also requested by alumni moving into new towns so that they could get in touch with former classmates or members of the nearest alumni club.

Alumni clubs in Kentucky and their respective presidents are:

Ashland, A. T. Bryson; Bowling Green, Charles Taylor; Covington, F. W. Dempsey; Harlan, J. Ray Rice; Lexington, Miss Marguerite McLaughlin; Louisville, Edd R. Gregg;

Owensboro, Beckham Robertson; Paducah, Adrian Terrell; Pineville (Bell county), R. H. Barker; Winchester (Clark county), John Stevenson, Jr.

Out of state clubs and presidents are:

Atlanta, Georgia, Robert Lee Porter; Birmingham, Alabama, A. B. Haswell; Buffalo, New York, John W. Gudgel; Chicago, Illinois, Charles H. Unger; Cleveland, Ohio, W. Crawford Bewlay; Topeka, Kansas, Charles G. Blakely; New York, New York, Dr. Harry Clo; Philadelphia, Pennsylvania, L. C. Davidson; Washington, D. C., Capt. Elbert DeCoursey.

Besure to read the important news announcement of interest to all Kentucky alumni, pages 4 and 5.

Share In Your University

THE ASSOCIATION'S 1938-39 LIBERAL MEMBERSHIP PLAN

Your Association's program for 1938-39 makes it easy for you to keep in touch with the University and its alumni. All graduates and former students are invited to become active members in the Alumni Association. Dues in the Association for 1938-39 will remain at the low figure of \$1.00—much less than in most university alumni organizations.

Active members will receive the alumni edition of the KENTUCKY KERNEL, usually the Tuesday issue. This edition is published weekly during the regular school year and contains all the up-to-the-minute news and features about University and campus affairs, PLUS a special section devoted entirely to news about alumni and alumni activities.

Alumni President

MARCUS C. REDWINE

"Keeping Alumni in touch with the University's purposes and progress, enabling them to contact old friends, furnishing a means of renewing pleasant and profitable acquaintances, increasing their interest and deepening their loyalty, these are the plans and purposes of the Alumni Association."

A WORD ABOUT THE ALUMNI FUND

Frequently someone asks "How can you do it?"

To be perfectly frank, it costs the Association practically the entire amount received from dues to pay for sending the Kernel and other communications to active members. Therefore, to carry on its general program the Alumni Office must depend upon the cooperation of the University and the generosity of the alumni in giving to the Alumni Fund.

Your gift to the Alumni Fund expresses your interest and loyalty in a tangible way. It is voluntary and has no relation to the regular dues. It is simply your share in making the alumni program more effective and increasingly useful and is used for the furtherance of general alumni activities.

SOMETHING MORE IMPORTANT

In order to serve Alumni and the University, your Association needs members and money. But even more vital to its growth are the interest and support of the Alumni. Whether or not you are able to pay dues or contribute to the Alumni Fund, you can help by letting us know where you are and what you are doing—by sending in news of yourself and other alumni—by acquainting young people of high type with the University—and by interpreting its problems, needs and accomplishments to the public in general.

May we count on you? Fill in the coupon on the opposite page and mail it today.

University's Alumni Program!

ACTIVE MEMBERS of the Association receive the Tuesday Kernel during the regular school year. Timely news of University activities and an especially written column of news about alumni and alumni activities feature each issue. Alumni say it is just like a letter from the campus.

LATEST ADDRESSES of classmates, class and geographical lists of alumni, information about athletic events and University activities, and co-operation in local alumni work is a service the Alumni Office renders to all **Active Members**.

UNIVERSITY ADVANCEMENT and progress is of vital interest to all the alumni. As an **Active Member** you receive the satisfaction which comes from helping to advance the best interests of your University.

MAILINGS to **Active Members** are sent out several times during the year. These contain information about alumni headquarters at various athletic events, basketball and football schedules, maps of the campus, radio programs, "K" stickers, special news bulletins of alumni events and other information and literature of various kinds.

NEW OFFICERS are elected each year by the Alumni Association. As an **Active Member** you have the privilege of voting and helping to select the Association's officers, and maintain an active part in determining the policies and activities of the Association.

ISSUES of the Kentucky Alumnus, published quarterly, are sent to **Active Members** of the Association. Every issue is full of news and pictures of campus and alumni activities, which due to space limitations do not appear in the Kernel.

Reunion '3' and '8'

(Continued from Page One)

at 4 p. m. and the annual alumni banquet at 7 p. m.

Marshall Barnes, '24, a member of the University Board of Trustees, served as toastmaster for the banquet. He introduced the guests of honor for the occasion, George Gist Bryan, Henry E. Curtis, and Robert T. Payne, the three living members of the class of 1888, who celebrated their 50th class reunion. All three members of the class of 1888 live in Lexington. Delegations of alumni of the classes of the years ending in "3" and "8" having reunions in connection with this year's commencement were also introduced.

Dr. Frank L. McVey, the first speaker of the program, talked briefly on various aspects of University life. In discussing the Student Union Building he stated that a more tangible thing than brick and mortar had gone into its making, these being the courage of the board of trustees in undertaking the obligations entailed by its construction; the ability of the architects; the supervision of Col. J. H. Graham; and the efforts of the furnishing committee.

Bernie Shively, '36, director of athletics, and Ab Kirwan, '26, head football coach described the new set up in athletics and urged that alumni give their support in the "building period" which will be necessary during the next two years.

Principal speaker was Tom Underwood, editor of the Lexington Herald. Speaking of the time when he was a student at the University he told how the University had only the main building, a cannon, a steam whistle, and a pond. Traditions of the University were reviewed and tribute paid to several of its faculty.

Chester Silvers, '29, of Lexington gave greetings from the Law Alumni and Robert Stilz, '38, president of the graduating class reported 100

Association To Observe 50th Anniversary In 1939

The year 1938-39 will mark the 50th anniversary of the Alumni Association of the University of Kentucky.

A statement by A. M. Peter, '80, the Association's first president says, "on the afternoon of June 4, 1889, sixteen graduates of the State College of Kentucky met at the college, in response to an invitation extended by the College authorities, and organized an Alumni Association by adopting a constitution and electing officers. The number in attendance was small but it was evident that they were desirous of renewing and strengthening those bonds of common devotions to the alma mater which it is the main purpose of this organization to cherish. The Association needs all possible help and support from its members, and if this be given we sincerely believe that it may yet assume proportions of which we will justly be proud."

Other officers for the first year were J. H. Kastle, '84, vice president; Belle C. Gunn, '88, treasurer; and William Prewitt, '86, secretary.

Members of the Alumni Executive Committee included M. L. Pence, '81; C. S. Graves, '84; G. T. Gess, '85; W. E. King, '83; N. J. Weller, '80.

Only four of these are living at present these being A. M. Peter, M. L. Pence, G. T. Gess, and C. S. Graves.

Enrollment Large At Summer Term

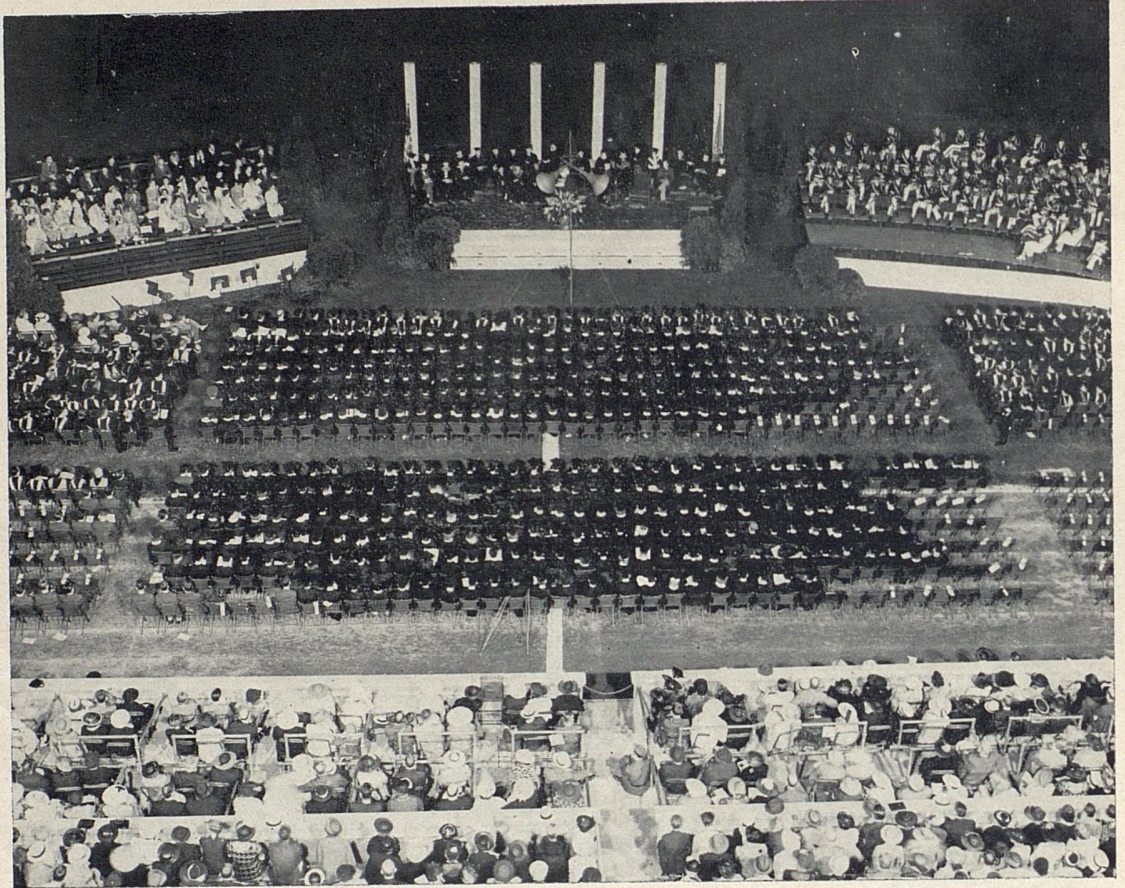

Registration for the first summer term for 1938 at this writing has reached a total of 1938. The largest number ever to enroll on an opening day of summer school was surpassed by 141 when 1706 students registered for the term on Monday, June 13.

Dr. Jesse E. Adams, director of the session, stated that the summer enrollment record would probably be broken when the final figure for the session could be tabulated.

More than 675 courses are offered during the two terms under the direction of a faculty of 150.

Commencement exercises for summer school graduates will be held Friday, August 19.

What Your Alumni Association Does

Maintains an alumni records bureau with biographical, class, and geographical files, containing information about those who have left the campus—an expensive record to maintain but very valuable to the University, the Association and the alumni.

Provides the organization for co-operative effort of former students in behalf of the University.

Maintains an office on the campus for a year-round service to alumni.

Furnishes the medium through which graduates help to select their representatives on the University Board of Trustees, and officers of the Association.

Sends the Kernel to active members of the Association during the regular school year.

Publishes the Kentucky Alumnus and other material which is sent to alumni from time to time.

Acts as a clearing house so that

alumni may keep in touch with each other and with the University.

Organizes, forms, and assists local alumni clubs.

Sponsors activities such as Homecoming, Alumni Day, class reunions, and other special events.

Performs many varied services for the University which your Alma Mater cannot do for herself.

Wildcat Booster Clubs Organized

The Wildcat Booster Clubs now organized throughout Kentucky number more than thirteen. These booster clubs have been organized by alumni and friends of the University through the help and co-operation of the Department of Athletics and the Alumni Association.

The object of the Wildcat Booster Clubs is to promote the growth of a wholesome athletic program for the University. This is done both by financial assistance and through helping locate and secure talented athletes for the University.

Membership fee in the clubs is \$10. This fee is placed with the University Business office and used in the best possible way for the promotion of the athletic program. All club members receive a Wildcat Bootser Club membership card and button.

The organization of booster clubs throughout the state was one of the various plans set into effect by which a better athletic program for the University is being built. This plan has been endorsed by the Executive Committee of the Alumni Association and the University authorities.

Many alumni have written in expressing their delight at such a program, and many more are expected to become members as the clubs in the various towns grow.

Alumni interested in becoming active members of the Wildcat Booster Club are invited to write to either the Alumni Office or the Department of Athletics, University of Kentucky.

The newly appointed football coaching staff authorized under the new set up of the Department of Athletics at the University is composed of five men. All are alumni.
