

THE LARUE COUNTY HERALD,

OFFICIAL COUNTY PAPER.

Hodgensville, Ky., Oct 9 1886.

Wm James K. Patterson

Dear Sir:- I in acceptance of your offer of Oct. 28, I will say that a Mr. Kirkpatrick, a young man of this county wishes to secure the benefits of your offer, and has applied to me for appointment. He is a steady, sober young man and will apply himself well to his duties. He is only in moderate circumstances, and he wished to know on what terms he can secure board etc. and if he can pay any of it in work. He is of one of our "first" families and I think will be a good advertisement for your school. I take pleasure in recommending him, & in fact, know of no one more worthy. If you can arrange agreeable terms etc, as perhaps you will understand better than I do, it will place me as well as others under obligations
