Dear Victor.

When I wrote yesterday I may have
given the impression that the only convenient
time for you to come next Thursday was
in the morning before 11:30. This is of course
not the case - you can also see me after
12:15. I remember last time you were
here after dinner. That is quite all right.

Just drop me a line & let me know whether
to expect you before or after noon.

With my best wishes - in Christ our Lord
