PLANS MADE FOR SIXTIETH U. K. COMMENCEMENT

Exercises Will Begin Wednesday Afternoon, May 25, When Annual R. O. T. C. Field Day Will Be Held

ENGINEERS TAKE THE 26 DIPLOMAS Will Be Given in New Gym on Monday May 30

For fifty-nine years the Commencement season of the University of Kentucky has witnessed solemn, black-robed young men and women, who after four years of service, receive the diplomas which proclaim them "college graduates."

Military pomp and ceremony will start the commencement exercises on Wednesday afternoon, May 25, when, led by the university band, the 26 members of the ROTC will march to the stadium to receive their diplomas.

Thursday, May 26, the festivities will be in charge of the engineering and the engineers will celebrate as benefactors of a college of national recognition.

Louisville First Nine Remaining Team to Have Hold on Championship; Split Series With 'Cats

BLUE MAKES BAD START Comes Back to Wallop Centre Twice and Take Measure of Vols

(By JOHN W. DUNDON, Jr.)

Hail to the Wildcat varsity baseball team as much champions in the realm of the diamond sport in Kentucky collegiate circles as any team.

The only team in the state which can lay claim to the title with Kentucky is the University of Louisville Cardinals.

Looking at the season as a whole, the Blue and White has done remarkably well, after getting off to a bad start.

At the start of the season Coach Pat Devereaux had quite a time in getting the team into condition as the weather had anything but ideal for baseball.

The game with the Michigan Wolverines was postponed and the Wildcats ventured southward to combat Georgia Tech.

The committee, which is in charge of the tournament, is composed of Prof. John Dicker, chairman; Misses Margaret Fry and Olive Dye, and Messrs. C. C. T. N. Armstrong, R. E. Sherman, and Alan Clarke, W. E.

AU REVOIR

With this issue of The Kernel we here in this office will close the Alumni Page until the beginning of the fall term next September.

In another column on this page you will find a financial report of the Alumni Association for this year.

There has been a slight increase in the number of members. But there has been a good show of interest among the members of the association.

The associations this year have been happy as far as this office has been concerned. We have enjoyed the work and realized a great satisfaction.

REPORT OF YEARS FINANCES MADE

Treasury of Alumni Association Will Show Surplus for Year of 1926-27

UNIVERSITY GIVES AID

With the close of the Alumni Association's fiscal year it always has been the custom for the secretary and treasurer to make up a report to read before the annual meeting.

The year as a whole has been fairly successful. There has been a small increase in membership and in interest. However the membership is far too small and it was necessary this year to obtain from the university a certain amount of financial assistance.

During the year that has just passed we have wiped out some debts that had accumulated. We have purchased some valuable equipment that enables us to take care of the duties of this office more efficiently and with greater ease.

The following brief financial report shows how the finances of the association have been handled. It is from necessity briefer than that which will be read at the annual meeting since there is not sufficient space to itemize the expenditures and receipts.

Financial Report of the Alumni Association as of May 20, 1927

Cash Received from Dues and Kernal Subscriptions \$1,497.75 Received from Alumni Dance 375.00 Received from Lexington Alumni Club 181.00

Total Cash Disbursed \$1,655.50 Salary advance to Helen J. Oshorn 100.00 Cash in Bank 298.16

Total Membership \$2,053.75 Total paid up and life members .605

There are no outstanding bills or notes. The university has paid all office help since July 1, 1926.

Secretary of the Interior, agreed to divide the fund with the colored population of Kentucky. When this action was reported to Governor Bucker, he immediately declared that Kentucky would not submit to any such arrangement as that; that if the colored people obtained a portion of the sum allotted, namely, \$25,000, equal to the percentage of the colored population in the Commonwealth that ought to suffice.

After some negotiations, it was agreed that 14 1-2 per cent of the \$25,000 annual income should be given to the colored people; that such, no less and no more, because they represented only 14 1-2 per cent of the population of the Commonwealth. This ruling was subsequently made applicable to all the states in the South and obtains to this day.

Afternoon Tea

Prof. and Mrs. J. C. Jones entertained with a tea for the seniors of the political science department of the University of Kentucky and the Sigma Beta Xi fraternity last Sunday afternoon from 4 until 6 o'clock.

The house was beautifully decorated with pink and white peonies. The hostess was assisted in entertaining by her sister, Mrs. Sauters.

About fifty guests were present for the delightful affair.

Initiation Ceremonies

The annual initiation ceremonies of Kappa Delta Pi, honorary educational fraternity of the University of Kentucky, were held in the palmroom of the Phoenix hotel on Saturday at 12:30 o'clock.

Mr. William Ashbrook presided as toastmaster at the luncheon, which followed the ceremonies and introduced the speakers.

Mr. Ezra Gillis gave an address of welcome to the initiates. Miss Julia Herd spoke interestingly on "The Ideals of Kappa Delta Pi." Dean William S. Taylor gave the closing talk, which was replete with inspiring thought.

The initiates were: Misses Dorothy Sellers, Dorothy Baker, Sallie Bell Hagan, Harriet Chaffield, Emma Yates, Mrs. Florence Ralston, Mr. E. E. Bratcher, Mr. R. H. Wood, Mrs. Harvey Sweeney.

Birthday Celebration

The staff of the Kentucky Experiment Station will entertain with a lawn party on the 25th of May in the afternoon at 6 o'clock in honor of Dr. Alfred M. Peter, who has been a member of the faculty of the University of Kentucky for many years. The event will be a celebration of the birthday of Dr. Peter.

Woman's Club

Tuesday morning the closing meeting for the season of the board of the Woman's Club of the University of Kentucky was held at 10:30 o'clock

at the College of Law building.

The last regular meeting of the club before the summer vacation will be a garden party, May 24, at the home of the president, Mrs. C. R. Melcher on the Nashville road.

Fraternity Dinner

Alpha Gamma Epsilon fraternity entertained with a dinner at the chapter home last Sunday in honor of Mr. Hampton Adams who left Sunday for Tennessee.

The guests were Misses Marion Sloan, Martha Shields, Edith Thomas, Clara Buys, Elizabeth Graham, Catherine Carey, Mr. and Mrs. E. W. Adams and Mr. and Mrs. James Carey.

Zeta Tau Tea

Zeta Tau Alpha sorority of the university entertained Wednesday afternoon at their home on East Blakely street with a tea in honor of Mrs. Charles Turk, who is leaving Lexington at an early date.

The house was beautifully decorated in spring flowers and the sorority colors.

Representatives from other sororities on the campus and the house mothers were present for the tea.

Engagement Announced

Mrs. Fannin Sanford, of Carlisle, announces the engagement of her daughter, Adaline, to Mr. J. Fithian Rye, of Paris, Ky.

Miss Sanford, who is the elder daughter of Mrs. Sanford, attended Randolph-Macon Woman's College and is a graduate of the University of Kentucky, where she was a member of the Zeta Tau Alpha sorority. For the last year Miss Sanford has taught in the Carlisle High school.

Mr. Rye, of Paris also attended the University of Kentucky and at present holds a position with Liggett and Myers Tobacco Company.

The wedding will take place the latter part of June.

Lamp and Cross Dance

Lamp and Cross, honorary senior fraternity of the University of Kentucky, were hosts for the annual formal dance Saturday evening from 9 until 12 o'clock in the men's gymnasium.

Music was furnished by the Rhythm Kings orchestra. White booklet programs embossed with the lamp and cross shield were given the guests and special lighting effects were used effectively during the no-breaks.

According to the annual custom, the fraternity held pledging services for the most outstanding juniors on the campus. Those pledged were: Messrs. Richard McIntosh, Leroy Miles, Oscar Stoesser, James Franceway, Paul Jenkins, Charles Wert, John Bullock, William Gess, Jr., Niel Plummer, Lowry Caldwell.

Members of the active chapter: Messrs. Charles Heidrich, Frank Smith, James Brady, Guthrie Bright, James Augustus, John Rachele, Arch Bennett, Frank Brown, Henry Cogswell, Fountain Raymer. Several hun-

dred guests were present for the affair.

Law Society Entertains

The Henry Clay Law Society of the university entertained Thursday evening with a dinner at the Lafayette hotel, in honor of Dean Charles J. Turk, who has recently been elected president of Centre College.

The dinner was a farewell party for Dean Turk who takes up his duties at Danville in September.

Many interesting talks were made by members of the law college and faculty. About 100 guests were present for the dinner.

Class Dance of Saturday

The freshman class of the University of Kentucky entertained Saturday afternoon from 3:30 until 6 o'clock with the annual freshman dance in the men's gymnasium. Music was furnished by the Rhythm Kings orchestra.

Members of the committee in charge of the arrangements were: Mr. Jack Rash, chairman; Miss D'Alis Chapman, Mr. John Baughman, Mr. Joe Stevens.

Class officers: Mr. Charles Rice, president; Miss Margaret Fry, vice president; Miss D'Alis Chapman, secretary; Mr. Lynn Rhodenmeyer, treasurer.

Several hundred guests were present.

FRATERNITY ROW

Miss Mary Colvin, Beatrice Gant and Alice Hudson spent the week-end in Louisville and attended the Derby. Miss Margaret McWilliams, of Shelbyville, was a week-end guest at the Kappa Kappa Gamma house.

Mr. Robert E. Craig, of New Orleans, spent the week-end at the Kappa Sigma house.

Mr. C. W. Chambers, a former student of the University of Kentucky, visited at the Kappa Sigma house last week-end.

Miss Lucille Bywater and Miss Lucille Poynter attended the Derby in Louisville last Saturday.

Miss Nell Cox, of Greenburg, was a week-end guest at the Beta Sigma Omicron house.

Messrs. T. Reed, J. M. Anderson, and J. W. Edwards, of Atlantic City, were guests at the Alpha Sigma Phi house for the week-end. They motored from Ohio State, where they are attending school, to witness the Derby.

Messrs. Bye and Claussen, of Cincinnati, were guests at the Alpha Sigma Phi house for the week-end.

Miss Mary Katherine Sutton, of Fort Thomas, is a guest at the Chi Omega house.

Miss Carolyn Rice, of Richmond, spent the week-end at the Chi Omega house.

Misses Margaret Wolridge, of Louisville, and Hannah Bell are guests at the Chi Omega house.

Miss Margaret Dickson spent the week-end at her home in Louisville and attended the Derby. Miss Virginia Hadley, of Sayre College, spent the week-end at the Alpha Gamma Delta house.

Miss Fannie Curie Woodhead, of Cynthia, spent the week-end with Miss Frances Baskett, and attended the Lamp and Cross dance Saturday evening.

Akkie's marriage has left me flabbergasted! You know how it is—so inconvenient to lose one's roommate at this time of the year and have her take all the rouge and tooth paste away, and have the dresses you thought were yours.

I just laughed and laughed for I knew she was going to get spliced 'cause she wasn't getting a sweet and philanthropic for nothing. She admitted about two weeks ago that she was in love with the fellow who so gracefully saved her at the Skatin' Derby, and I sez, "How do you know you're in love? You've told me that a million times before."

"Oh—those times! They weren't real. They were just itches around the heart which I couldn't scratch, but this is a feeling that you feel when you feel you are going to feel a feeling that you never felt before."

"Oh! I know all about it, just like the feeling you get after you have eaten a green apple."

Well, anyway, she got married! She eloped just like they do in the movies, climbing out of her window to the trellis and dropping her baggage on "His Cap'n." Sad! However, Akkie's father said he didn't think he had lost her, he thought only he had acquired a son.

That was one shock!
The next: Scene, Dean Boyd's office, the Dean speaking, "Ikkie, we've decided you know more than most of the profs can teach your class, I've given such a service to the university that we're presenting you with enough credits for you to graduate this June. Imagine, me, a sophomore! Well, I was weak after that and not having any rouge on due to Akkie's elopement, every one thought I had fallen into a state of coma."

However, the last came best. You know how 'tis when it rains tadpoles, it always pours nigger babies. Any way, I got a letter from the editor of the New York Times and he sez, "Dear Ikkie, "I am giving up my position. I can find no one in the whole country to fill it but you. Will you become the editor of this paper at a million bucks a year?"

Would I! Would a baby refuse Castoria?
But say, even if a university is a hothouse specializing in the sheltered rearing of persons who would be normal if they were left alone, every time Akkie or me will hear the strains of "On, On, U. of K." and we'll say with Shakespeare, "Them was the days."

As Revair, my fellow collegians. Look me up when you come to New York and I'll promise you a gay time.
"Hallo, when did you get the overcoat?"
"Oh, about three parties ago."
M. M. T. VooDoo.
She (stuck) "I'd rather dance with you than anybody here."
He (stuck) "Sh! Everybody seems to know it already."
"I want to buy a pencil."
"Hard or soft?"
"Hard, it's for a stiff exam."

1925-26 SESSION IS A FULL ONE

Chronological Table Recounts Most Prominent Events and Achievements of Year on U. K. Campus

TAKEN FROM KERNEL FILE (Compiled by James Mills)

September
24—University opens with largest enrollment in its history. More than 2,300 students enroll.
Old chemistry building is remodeled for needs of the College of Law.
Elmer G. Sulzer, graduate of U. K., is University chosen to succeed Sgt. Jack Kennedy, former leader of band.

October
1—University announces that degrees of doctor of philosophy will be conferred, courses to be established in September 1927.
Men's fraternalism assumes pledge of 199 men students—nearly all of whom are freshmen.
8—Prof. Charles J. Norwood and Mrs. Norwood celebrate fiftieth wedding anniversary.
The Kernel announces that a scholarship cup will be standing for four years.
Maryville loses to Kentucky in initial football game by score 25-0.

22—Washington and Lee trims Cats with score of 14-13.
The 1926 Kentuckian receives honorable mention in nation's contest of college year books.—Ted McDowell, editor.
29—New Law College building is dedicated. Hon. Charles S. Whitman is dedication speaker.
Wildcats beat Florida in sweltering weather and score is 18-13 Kittens beaten by Georgetown yearlings.

November
5—Wildcats tie with the V. P. I. Gobler outfit, 13 all.
6—Theta Sigma Phi pledges six members.
Band is outfitted with new blue and white uniforms, and Lexington "brokers" send the "Best Band in Dixie" to Alabama.
12—The Lexington Herald announces U. K. coming to the Strand on Sunday.

The fast riding Jack Holt plays the title role of Bent Wade, whose life is in danger at the hands of the home-steaders because of his suspected duplicity. The sequences in which he proves his innocence, at the same time gaining them back their reaped lands which they were in danger of losing, form one of the most exciting motion pictures of the year.

"HOTEL IMPERIAL"
Michael Vavitch, portraying a Russian spy, took the longest bath on record during the filming of "Hotel Imperial," Fola Negri's new Paramount production, which comes to the Strand theater next Wednesday.

This scene provides one of the sensational climaxes of this drama of love, intrigue and war, which has given the star the greatest vehicle of her career. For two days, from nine the morning till five at night, Vavitch was immersed in steaming water. When he finally emerged, he was conceded to be without question, the cleanest actor in the world. Director Maurice Stiller, may or may not have been displaying a subtle sense of humor when he completed the sequence on Saturday. In addition to Vavitch, the supporting cast includes James Hall, George Siegmann and Max Davidson.

KENTUCKY THEATER
"SEE YOU IN JAIL"
The smile that won't come off!
That used to be a popular saying. Jack Mulhall, handsome young leading artist in First National Pictures, has a smile that means what it says. And it is friendly, humorous, sincere.

Those who witness "See You In Jail" at the Kentucky Theater this week-end will have to admit that Jack's smile is as refreshing as a day in spring. It won him his first job in pictures and he's never lost it. It isn't stereotyped. It is genuine.
Alice Day, "pretty as a picture," plays opposite Jack in this Ray Rocket production which Joseph Henabery directed. She is charmingly cast and has the true comedy instinct.

"See You In Jail" tells the story of high finance in the least expected place—the jail tank. Also, there is romance and a million laughs.
No vitaphone program will be presented.
"THE DEMI-BRIDE"
Here is the latest aid to feminine coquetry!
It is called the flirt bow and it is worn for the first time by Carmel Myers in "The Demi-Bride," a Metro-Goldwyn-Mayer production starring Norma Shearer with Lew Cody, coming to the Kentucky Theater Sunday. When grandmother was a girl the sweet young thing could peep, with coy eyes, from behind a fan. But fans have grown to such proportions that they are too unwieldy for flirtations.
Something had to be done to remedy the situation, so along comes Carmel with the flirt bow, which permits

the revival of the almost lost art of coquetry.
Norma Shearer stars in this film.

BEN ALI THEATER

"FOR WIVES ONLY"
Ranking as one of the leading character actors among elderly screen players, Claude Gillingwater enjoys an enviable reputation. The veteran has earned a niche for himself in screenland and is eagerly sought after by directors anxious to utilize his type in their productions.

Gillingwater appears in "For Wives Only" a Metropolitan production starring Marie Prevost, which comes to the Ben Ali Theater next Sunday. A great cast with Victor Varconi in the male lead will be seen in support of the demure screen artist. Claude Gillingwater, Charles Gerrard, Arthur Hoyt, Josephine Crowell, Dorothy Cummings and William Courtright have the supporting roles.

"FAUST"
Magic will never die out of the world as long as motion pictures exist, according to F. W. Murnau, director of "Faust," UFA's latest release in this country, through Metro-Goldwyn-Mayer.
"The hand must be quicker than the eye, for ordinary feats of magic. For more involved tricks special apparatus is provided," he says, "but in motion pictures only that need be presented to the eye which makes for perfect illusion. The field is limitless. It is possible to show a man shaking hands with himself, cutting himself in two, changing his features, the shape and size of his body and many other impossible things. Demons and angels, Morphists and Gabriels are depicted in "Faust" which comes to the Ben Ali Theater on Monday for a three day run. Emil Jennings appears as the Devil, Camille Horn plays Marguerite and Gosta Ekman is Faust.

"LOVE MAKES 'EM WILD"
Albert Ray, whose forte is comedy-drama of the highest order, has again scored with "Love Makes 'Em Wild," Fox Films version of Willie the Worm," which begins a three day run at the Ben Ali Theater next Thursday.

This is a fast-moving comedy with Sally Phillips and Johnny Harron in the leading roles. Ray has made the most of the many amusing situations.

and it is said the screen version fairly abounds in chuckles. The cast includes J. Farrell MacDonald, Ben Bard, Natalie Kingston, Florence Gilbert, Albert Gran, William Davidson and others.

STRAND THEATER
"THE MYSTERIOUS RIDER"
Man's battle with the desert, his never ending fight to wrest a living from the arid wastelands, is the background into which is woven Zane Grey's story, "The Mysterious Rider," which comes to the Strand on Sunday.
The fast riding Jack Holt plays the title role of Bent Wade, whose life is in danger at the hands of the home-steaders because of his suspected duplicity. The sequences in which he proves his innocence, at the same time gaining them back their reaped lands which they were in danger of losing, form one of the most exciting motion pictures of the year.

Camel is the modern favorite

MODERN smokers make known their preference. And they call for Camels. Never in any age was there as smoking favorite like Camel is today. Camels understand every mood of the modern smoker. Camel mildness and smoothness are supreme with the critical taste of present-day people.

A purchase of Camels brings you the choicest Turkish and Domestic tobaccos. Blended by skill into the world's most popular smoke, and the best. Quality unapproached, is the distinguishing mark of Camel.

No matter what the price, there is no better cigarette than Camels. Smoke them as frequently as you please. You will never be left with a cigarette after-taste. Camels aren't made that way. That is why modern smokers everywhere demand them. That is why this age has discovered the tobacco phrase, "Have a Camel!"

Commencement isn't the end— It's just the Beginning

IT'S mighty easy to think of Commencement as the end of everything that's care-free and pleasant. But don't make that mistake.

The cold, gray world after college isn't so cold and gray to the fellow that tackles it in the right spirit.

Of course, it isn't going to pay you a fat salary right at the start-off. That isn't the way it does things. Instead, it is going to put you through a testing and seasoning process which will measure your grit and your stamina and find out whether you're a dependable performer.

Once you've proved your dependability, you'll get responsibility and with responsibility comes income. And remember this—you'll consider yourself an experienced and dependable engineer long before the world admits it. It's that waiting period which will try your pluck.

In the meantime build your reputation of top-quality materials. Team up with the best in every job you handle. Stand for, fight for the best materials, the best designs, the best construction methods. Don't let your name get associated with second-bests, make-shifts and could-have-been-betters.

It's a great world. I've seen something more than a century of it and I know. And it wants you to make good.

Sincerely yours,

Kentucky Closes Baseball Season by Routing Centre; Lay Claim to State Title

The Wildcats beat Centre's Colonels, the 1927 baseball season came to a close, and the University of Kentucky annexed the diamond championship of the state all in one afternoon.

It was Monday but it was not blue for anyone except the Colonels from Danville and the Blue and White sent them home with a defeat, the second of the season, by the score of 10 to 4. Being the last game on the card, the Kentucky boys were out to improve their batting averages—and they did it at the expense of the Centre team.

The game started off in a cool manner and appeared to be a pitching duel, but in the midst of all the smoke pandemonium broke loose in the Wildcat camp and before the cloud had settled the score keeper had marked up seven runs in the Kentucky column. Two more runs were garnered off Alexander, Centre hurler, in the fifth and one more in the eighth.

Charley Wert started on the mound for Kentucky and held the Colonels under his superior twirling during the five frames he worked. Red Bach took command in the sixth and was in trouble from the outset, but managed to survive the round only to be found for a run each in the seventh and eighth innings. McGary was called in and walked four men. This coupled with a scratch single gave the Colonels two more runs and that ended the counting.

Alexander went all the way for the Colonels, although the Wildcats found his number in the third. The scoring was accomplished on three hits, two walks and four errors. Crouch's double was the batting feature of the rally.

Two more runs were manufactured the fifth on Gill's single, Erickson's lusty triple to left-center and Alexander's balk. The tenth run came in the seventh on Layman's walk, stolen bases and Schulte's sharp single. Singles by Hyatt and Thompson and Bach's wild throw to first allowed the Colonels their first tally in the seventh. Purdon and Smith hit safely in the eighth and with a fielder's choice, the first named scored. The four bases on balls and Purdon's scratch single accounted for the other two Centre runs in the ninth. Purdon lead the hitters with three safeties. Layman appeared at the plate five times for the Blue getting three walks, being hit by pitcher once and sacrificing the other trip.

THREE KENTUCKY MARKS FALL IN MEET

The University of Kentucky track team of two individuals scored eight points to finish in ninth place in the Southern conference track and field meet held Saturday, May 14 at Baton Rouge, La. The meet, which was won by Louisiana State University, with a total of 45 points scored, was featured by the breaking of three conference records, all of which were held by University of Kentucky trackmen.

Bill Gess, with a second in the half mile run and a third in the quarter, scored seven points. These two races mark the first time this year that Gess has been defeated. His defeat in the 880 yard run was a tough one, as he was barely nosed out at the finish. Captain Ted Creech scored the other point for Kentucky with a fifth place in the javelin throw.

The records that fell were the two mile run, the broad jump, and the pole vault. Hamm, of Georgia, broke the broad jump record of Brady, of Kentucky, 22 feet, with a great leap of 24 feet, 11 3/4 inches, and each of his competitors also broke the old record. Brake's pole vault mark of 12 feet, 3 5/8 inches was smashed by O'Dell of Clemson, who cleared the bar at 13 feet, 3 1/4 inches. Pritchett, of North Carolina, ran away from his field to lower the two mile record of 9 minutes, 56.5 seconds, held by Hall, of Kentucky, to 9 minutes, 57 seconds.

The final ranking of the entries was as follows: L. S. U. 45; Georgia Tech 44; Mississippi A. & M. 32; North Carolina 24; Auburn 22; Sewanee 16; Clemson 13 1-2; Kentucky 8; Vanderbilt 5; Tulane 4.

KITTENS TO END SEASON MONDAY

Bad Luck Has Followed Green Team Through Season; Will Play M. M. I. in last Game

CUB GAME IS CANCELLED

Playing the last game of the season, Kentucky's Kitten aggregation will meet the M. M. I. freshmen next Monday afternoon at Millersburg, where they hope to avenge the sound defeat of 11 to 1 at the beginning of the season. Page, as moundsman, with Myers catching his slants, are scheduled to start the game.

The Kittens did not play the game scheduled with the Kentucky Wesleyan freshmen at Winchester last Wednesday on account of wet grounds. The game may be scheduled for a later date.

The Kittens began the season by defeating Pinedome 4 to 3, but took a disastrous turn to lose to Louisville du Pont Manual High school and M. M. I. by the score of 7 to 4 and 11 to 1, respectively. A week ago Wesleyan was engaged on Stoll field, but only two innings of the game were played when it was called off on account of rain. Coach Pribble complains that the team was hit hard by the ineptness of some of the players, and that a few outstanding men on the team left school, but he further comments that the team, as a whole, has played fair ball throughout the season and deserves much praise for its efforts.

W. A. A. NOTES

The rifle season for girls closed and the co-eds have made unusually good scores.

The following girls will receive 100 points in the W.A.A. for rifle marks: du Pont Manual High school and M. M. I. by the score of 7 to 4 and 11 to 1, respectively. A week ago Wesleyan was engaged on Stoll field, but only two innings of the game were played when it was called off on account of rain. Coach Pribble complains that the team was hit hard by the ineptness of some of the players, and that a few outstanding men on the team left school, but he further comments that the team, as a whole, has played fair ball throughout the season and deserves much praise for its efforts.

Y. W. C. A. NOTES

The regular Y. W. C. A. program will be arranged by the Zeta Tau Alpha sorority. It is to be an outdoor meeting at Maxwell Place. After the program, which will take place at 8:30 o'clock, a supper will be served. On Sunday, May 29, the Y. W. C. A.

A prime favorite on the campus

IN ANY group of regular fellows, you'll find Prince Albert. It belongs. It speaks the language. You get what we mean the minute you tamp a load of this wonderful tobacco into the bowl of your jimmy-pipe and make fire with a match.

Cool as a northeast bedroom. Sweet as a note from the Girl of Girls. Fragrant as a woodland trail. Prince Albert never bites your tongue or parches your throat, no matter how fast you feed it. You'll smoke pipe-load on pipe-load with never a regret.

Buy a tidy red tin of P. A. today. Throw back the hinged lid and breathe deeply of that real tobacco aroma. Then . . . tuck a neat wad into the business-end of your jimmy-pipe and light up. Now you have it . . . that taste! That's Prince Albert, Fellow!

DRINGE ALBERT
—no other tobacco is like it!

P. A. is sold everywhere in fifty and fifty-cent tins, and in bulk. It is a blend of the finest tobacco leaves, and is made in the United States. It is the only pipe tobacco that is so good and so pure. And it comes with every tin of the red and white covered by the Prince Albert process.

BLUE RIDGE
History of Institution Founded by Dr. W. W. Weatherford Twenty Years Ago is Related
COMPRISES 1561 ACRES
Blue Ridge the "Land of the Sky" was started in 1906 when the first track of land was purchased. Since then seven tracts have been secured, making an aggregate of 1561 acres. By 1912 there were three buildings on the grounds and at present there are forty-eight buildings, in which more than 800 people can be accommodated. The present valuation of the property is six hundred thousand dollars.
The founder and builder of Blue Ridge, Dr. W. D. Weatherford, has built his life and ideals into the institution, and the equipment is used to the maximum during the summer months for the promotion of these ideals. It is here that each of the 500 students who attend the conference this year will find a mountain top experience. After a long school year, with the grind of the classes and examinations and the constant round of activities—don't you sometimes long to steal away for a few days into some secluded spot in God's green outdoors—away up high—to meditate and pray—to gain inspiration and vigor for the great task before you? Our Master needs this refreshment, how much more must you and I need it.
Beautiful Scenery
There is no better place in all the world for such experience than the great outdoors in the Blue Ridge. For generations western North Carolina has been called the "Land of the Sky," and it has long been characterized as one of the most exquisitely beautiful regions in all America. United States Government, created by the National Congress, and through this reservation has become by statute the only National playground in the Southeast.
It is not so much the location and beauty of Blue Ridge as it is the spirit that makes the place worth while. Dr. Weatherford still maintains back of the institution, with all of its growth, the fundamental ideals that will lead into a great future.
Every student should plan to go to Blue Ridge at least once during his or her college career. Here the small vision of the average college student is enlarged into a world vision and they meet the challenge of a life dedicated to the service. One who expects to live the next 25 years, cannot afford to start that life with a cramped, selfish attitude of their duty as a citizen.
At the Student Conference, June 14-24, one will find mental, social, physical and spiritual uplift that cannot be estimated. I am frank to say that the first ten days at Blue Ridge is worth a semester in school and that you will return saying, "It is the best days I have ever spent."

To Mr. Advertiser
City.

Dear Sir:

This being the last issue of The Kernel for the present college year, we, the members of the staff, wish to take this opportunity to thank our friends and advertisers for the support they have given us.

This closes the most successful year in the history of The Kernel, and we feel that much of it is due to you.

We hope the service given our advertisers has been satisfactory, and trusting these pleasant relations may continue throughout the summer school and into the next college term.

Sincerely yours,

noses and philosophizing in a group-wise manner on life.

Being a journalist and a coed, we would avoid sentimentality but there is a touching something about the flurry of a Carnival Ball where freckle-faced ingenues pretend to be Cleopatras to accompany naïf knights in tin armor, where homemade Pierrettes rustle cambric at pajamaed Pierrots, where Helens with ash blonde hair raise provocative eyebrows at factors in rented togas.

Perhaps if we were not a senior we would feel no pathos in the ecstatic finality of a Senior Ball while the underclassmen dance with the same abandon as they always have—lower classmen who will take our places at the Senior Balls of other years. But we would not refrain our facetiousness with sentiment. Besides—the column is filled and the year is over.
