

+ Carolyn - can I have
address of the people who published yesterday 19 in
Dear Victor No de Cuba?

I am so glad you are
coming Saturday - and hope it
will be nice.

Does Carolyn have in the library
any of the works of Fenelon,
or of Madame Guyon? I
could use anything they may
have in French or English.

Hoping to have a good
visit with you both - all blessings
in Xt
Tom
