The Board of Trustees of the University of Kentucky met at 2 p.m. (Eastern Daylight Time) on Tuesday, August 25, 1981 in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington campus.

A. Meeting Opened and Roll Called

Mr. William B. Sturgill, Chairman, called the meeting to order at 2:10 p.m. and pronounced the invocation.

The following members of the Board of Trustees answered the call of the roll: Mr. William B. Sturgill, Chairman, Mr. William R. Black, Mr. Britt Brockman, Governor Albert Benjamin Chandler, Mrs. Betty Pace Clark, Mr. Albert G. Clay, Professor Opal Skaggs Conley, Mr. Tracy Farmer, Mrs. Edythe Jones Hayes, Mrs. Sally Hermansdorfer, Mr. Thomas B. Kessinger, Mr. W. Terry McBrayer, Mr. Robert T. McCowan, Mr. Frank Ramsey, Mr. Homer W. Ramsey, Mr. W. B. Terry, Professor William F. Wagner, and Professor Contance P. Wilson. Mr. A. Stevens Miles was absent from the meeting. The University administration was represented by President Otis A. Singletary; Vice Presidents Jack C. Blanton, Donald B. Clapp, Art Gallaher, Raymond R. Hornback, John T. Smith, Charles T. Wethington, Jr., and Robert G. Zumwinkle; Dr. Wimberly C. Royster, Dean of the Graduate School and Coordinator of Research; Mr. John C. Darsie, General Counsel; and Dr. Howard L. Bost representing Vice President Peter P. Bosomworth. Representatives of the various news media were in attendance. The Secretary, Mrs. Betty Pace Clark, reported a quorum present and the Chairman declared the meeting officially open for the conduct of business at 2:12 p.m.

B. Minutes Approved

The Minutes of the June 23, 1981 meeting of the Board of Trustees were approved without objection.

C. Nominating Committee Appointed

Mr. Sturgill named Mr. Homer Ramsey, Mr. Thomas Kessinger, and Mr. Frank Ramsey, with Mr. Homer Ramsey as Chairman, as a nominating committee to prepare a slate of officers of the Board and members of the Executive Committee to be presented at the September 15, 1981 meeting of the Board of Trustees.

D. President's Report to the Trustees (PR 1)

After calling attention to the million dollar gift to the University from the R. J. Reynolds Tobacco Company, President Singletary recommended that his monthly report, copies of which were distributed to the members, be accepted and filed. Without objection, it was so ordered by the Chairman.

E. Recommendations of the President (PR 2)

Prior to his recommendation that the appointments and staff changes in PR 2 be approved, President Singletary called attention to the following appointments: Professor James P. Chapman as Assistant Vice President for Academic Affairs, Professor Donald E. Sands as Associate Vice President for Academic Affairs, and Professor M. O'Neal Weeks as Acting Dean of the College of Home Economics. On motion by Mr. Homer Ramsey, seconded by Mrs. Hermansdorfer and passed, the appointments and staff changes as recommended in PR 2 were approved. (See PR 2 at the end of the Minutes.)

F. Supplemental Recommendations of the President (PR 3)

There were no supplemental recommendations.

G. 1981-82 Budget Revisions (PR 4)

Acting on the recommendation of President Singletary, Mr. Black moved that the revisions in the 1981-82 budget as recommended in PR 4 be approved. His motion was seconded by Mrs. Hayes and passed without dissent. (See PR 4 at the end of the Minutes).

H. Reduction in State Appropriation in 1981-82 Operating Budget (PR 5)

President Singletary stated that the budget revisions in PR 5 were the result of a reduction of \$8.8 million in planned support from state appropriation. With the use of charts he explained that in order for the University to absorb the loss and in order to maintain faculty and staff levels, a freeze on hiring has been instituted and in addition the Administration has had to "literally strip the University of additional dollars in operating expenses, equipment and facilities." These actions, he explained, will result in a balanced budget for the 1981-82 fiscal year but added that the longer term implications of the budget cut are still under review, and that a plan for the longer term reduction will be presented to the Board at a later date.

With President Singletary so recommending, on motion by Governor Chandler, seconded by Mr. McCowan and passed unanimously, the reduction in state appropriation in the 1981-82 Operating Budget as recommended in PR 5 was authorized and approved. (See PR 5 at the end of the Minutes).

I. Biennial Budget Request 1982-84 and Five Year Plan 1981-1986 (PR 6)

With the concurrence of the Chairman, President Singletary said he would present the Biennial Budget Request and Five Year Plan as his last agenda item.

J. Approval of Degree Candidates--University System (PR 7) and Candidates for Degrees--Community College System (PR 8)

President Singletary recommended that PR's 7 and 8, regarding candidates for degrees, be considered together. On motion by Mr. Terry, seconded by Mr. Homer Ramsey and passed, the recommendations for degree candidates in the University System and the Community College System as presented in PR 7 and PR 8 were approved without dissent. (See PR's 7 and 8 at the end of the Minutes.)

K. Report on Gifts and/or Grants (PR 9)

President Singletary recommended that the report on gifts and/or grants covering the period from April 1, 1981 to June 30, 1981 be accepted and made a matter of record. Mr. McCowan so moved. His motion was seconded by Mr. Black and passed without discussion. (See PR 9 at the end of the Minutes.)

L. Change in Responsibilities for Academic Unit (PR 10)

President Singletary stated that as part of last year's decision regarding the need to eliminate some positions, it was decided not to fill the position of Dean of Undergraduate Studies. He therefore recommended that the duties of the Dean of Undergraduate Studies be assigned to the Assistant Vice President for Academic Affairs and that the Dean of Undergraduate Studies' position be discontinued. On motion by Mr. McBrayer, seconded by Mr. Terry and passed, PR 10 was approved. (See PR 10 at the end of the Minutes.)

M. Waiver of Governing Regulations, Part VII-A-(7), (PR 11)

Explaining that normally the director of an interdisciplinary research institute would be a member of the faculty of an academic department, President Singletary requested that the Board of Trustees waive this requirement as set forth in the Governing Regulations VII-A-(7) and appoint Dr. David S. Walls as Acting Director of the Appalachian Center while Dr. John M. Stephenson, the current Director, is on sabbatical leave.

On motion by Professor Wilson, seconded by Mrs. Hermansdorfer and passed, approval was given for a waiver of Part VII-A-(7) of the Governing Regulations as recommended in PR 11. (See PR 11 at the end of the Minutes.)

N. Articles of Incorporation of the University of Kentucky - Business Partnership Foundation, Inc. (PR 12)

President Singletary stated that Dr. Richard Furst, the newly appointed Dean of the College of Business and Economics, had proposed the formation of a non-profit corporation to solicit gifts from businesses. He added that the gifts were to be used for special purposes within the College and for other purposes as specified in the Articles of Incorporation. President Singletary

said he agreed with the concept and recommended that the Board approve the Articles of Incorporation for the University of Kentucky - Business Partnership Foundation, Inc. as recommended in PR 12. On motion by Mr. Terry, seconded by Mrs. Hayes and passed, PR 12 was approved. (See PR 12 at the end of the Minutes.)

O. Biennial Budget Request 1982-1984 and Five Year Plan 1981-1986 (PR 6)

In opening his presentation of the Biennial Budget Request and Five Year Plan, President Singletary said he wished to make three basic points. First, he gave an overview of the 1980-82 budget cuts and what they had meant to the University. Assisted by Dr. Clapp, Vice President for Administration, and Dr. Peter Fitzgerald, Associate Vice President of Administration for Planning and Budget, President Singletary, through the use of charts, explained the \$5.8 million cut in state appropriations from the 1980-81 budget and the cumulative loss of \$23.2 million for the biennium. He also pointed out that the requested increase in state money did not take into account the latest budget cut of \$8.8 million because the Five Year Plan was being completed when the state reductions were announced on July 28.

Second, President Singletary displayed charts which indicated that the Southern Regional Education Board states' average spending per FTE student is \$3,082 compared with UK's average of \$2,627. He added that he was particularly concerned that the University's average spending for each student is less than the \$2,679 average spent for each student at Kentucky's eight public universities and that is without any weighting of the more costly doctoral and professional programs at UK. He also pointed out that UK's state appropriation for 1981-82 is \$34.2 million less than is called for by the Council on Higher Education formula and that it would take an increase of \$91.0 million to catch up to that formula standard by 1983-84. President Singletary said he feels the real issue is whether UK is to survive and remain competitive.

Third, increases in the state appropriation requested for 1982-84 total \$65.4 million, of which \$34.3 million is for salaries. The remainder includes \$7.4 million for current expenses, \$2.1 million for utilities, \$3.6 million for fixed costs, \$3.2 million for debt service, and \$14.8 million for special program emphasis. President Singletary reviewed the program plans along with the major capital construction priority list. (See PR 6 at the end of the Minutes.)

P. Adoption of a Resolution Amending Resolution Authorizing Issuance of Series G Consolidated Educational Buildings Revenue Bonds and Revenue Bond Anticipation Notes (FCR 1)

Thereupon, a motion was made by Mr. Clay and seconded by Mr. Homer Ramsey that the following Resolution, which was read in summary form to the Board of Trustees, be passed and adopted; said Resolution was entitled as follows:

A SECOND RESOLUTION AUTHORIZING THE ISSUANCE OF 17,100,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES G AND 17,100,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BOND ANTICIPATION NOTES, SERIES G, OF THE BOARD OF TRUSTEES OF THE UNIVERSITY OF KENTUCKY.

REDUCTION IN STATE APPROPRIATION
IN 1981-82 OPERATING BUDGET

Recommendation: that the 1981-82 Operating Budget be revised to reflect a reduction from \$148,259,200 to \$139,471,200 in the state appropriation for 1981-82.

Background: Because of unanticipated revenue shortfalls, the Governor has reduced budgets for state-supported programs for the 1981-82 fiscal year. The share of this reduction assigned to the University of Kentucky is \$8,788,000. To meet the demands of this reduction the University has instituted a freeze on hiring has curtailed current expense budgets, and has deferred needed equipment replacement and repair and maintenance projects. These actions will result in a balanced budget for the 1981-82 fiscal year, but the longer term implications of the budget cut are still under review. A plan for the longer term reduction will be presented to the Board at a later date.

WAIVER OF GOVERNING REGULATIONS
PART VII-A-(7)

Recommendation: that approval be given for a waiver of VII-A-(7) of the Governing Regulations in the appointment of Dr. David S. Walls, as Acting Director of the Appalachian Center.

Background: Interdisciplinary research institutes are defined in Part VII, Section A-1, of the Governing Regulations as units established for the administration of interdisciplinary programs that are primarily research in nature. The chief administrative officer of an institute is the director. Part VII, Section A-7, of the Governing Regulations states that, "the staff of an interdisciplinary research institute shall consist of: (1) regular faculty members on a joint appointment basis; (2) non-faculty employees appointed for the duration of a specific project; and (3) a director who shall also be a member of an academic department."

The Appalachian Center meets the definition of an interdisciplinary research program, and was in fact so created by the Board of Trustees on 20 September 1977. The current director, Professor John B. Stephenson, is on sabbatical leave, 1 July 1981 through 30 December 1981, and it is desirable to appoint an acting director for that period who is knowledgeable about the research and training programs in progress at the Center. Dr. Walls, who is not a member of an academic department is so knowledgeable and has been active in securing grants for the Center programs. He is considered a specialist on the Appalachian region and is well qualified to assume administrative responsibility for the Center in Dr. Stephenson's absence.

RESOLUTION AUTHORIZING ISSUANCE
OF CONSOLIDATED EDUCATIONAL BUILDINGS
REVENUE BONDS, SERIES G, AND REVENUE
BOND ANTICIPATION NOTES, SERIES G

Recommendation: That the Board of Trustees approve the following: A Second Resolution authorizing the issuance of \$17,100,000 Consolidated Educational Buildings Revenue Bonds, Series G and \$17,100,000 Consolidated Educational Buildings Revenue Bond Anticipation Notes, Series G, of the Board of Trustees of the University of Kentucky. Further, that the Board authorize the dissemination of a Notice of Sale of Notes, an Official Statement and Official Bid Form for the solicitation of proposals to purchase said Series G Notes.

Background: On December 9, 1980, the Board adopted a Resolution approving the issuance of both the Series G Bonds and the Series G Notes and, further, authorizing the Executive Committee of the Board to take all actions necessary to the issuance, sale, execution and delivery of the Notes and Bonds. On March 10, 1981, the Executive Committee adopted the Series G Resolution authorizing the issuance of the Notes and Bonds. Subsequently, it became necessary to delay the sale of the Series G Notes on two scheduled sale dates. Although the amount of Notes and Bonds remain the same, the delays require substantive revisions in the Series G Resolution. For this reason it is recommended that the Resolution adopted on March 10, 1981, be repealed in its entirety and the Second Series G Resolution be approved. The primary revisions are: (i) change in the date of the Notes from May 1, 1981, to September 16, 1981; (ii) change in the maturity date of the Notes from May 1, 1982, to May 1, 1983; (iii) change in the maturity schedule of the Series G Bonds with the first maturity on May 1, 1984; (iv) changes in the prior redemption dates for the Bonds.

The proceeds of the Series G Notes will provide funds (to the extent not otherwise provided) for payment of the costs of construction and related costs of additions to the University's Medical Center consisting of a Primary/Ambulatory Care Center with related patient parking structure and completion of the Center for Study of Aging.

A SECOND RESOLUTION AUTHORIZING THE ISSUANCE OF \$17,100,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES G AND \$17,100,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BOND ANTICIPATION NOTES, SERIES G, OF THE BOARD OF TRUSTEES OF THE UNIVERSITY OF KENTUCKY.

WHEREAS, the Board of Trustees of the University of Kentucky, by Resolution entitled:

"A RESOLUTION creating and establishing a Consolidated Educational Buildings Project of the University of Kentucky; creating and establishing an issue of Consolidated Educational Buildings Revenue Bonds of the Board of Trustees of the University of Kentucky; providing for the issuance from time to time of said bonds; providing for the payment of the principal of and interest on said bonds and repealing all resolutions or parts of resolutions in conflict with this resolution,"

adopted September 20, 1960 (hereinafter referred to as the "Resolution"), has created and established an issue of Consolidated Educational Buildings Revenue Bonds of the Board of Trustees of the University of Kentucky; and

WHEREAS, the Resolution authorizes the issuance by said Board of said Bonds in one or more series pursuant to a resolution authorizing such series; and

WHEREAS, there have heretofore been issued pursuant to such Resolution Series A Bonds in the original face amount of \$8,000,000 in 1960, of which \$2,275,000 face amount are still outstanding; Series B Bonds in the original face amount of \$7,500,000 in 1963, of which \$2,950,000 face amount are still outstanding; Series C Bonds in the original face amount of \$4,290,000 in 1970, of which \$2,790,000 face amount still remain outstanding; Series D Bonds in the original face amount of \$34,700,000, all of which having been refunded from the proceeds of Series D Refunding Bonds in the original face amount of \$31,000,000, of which all remain outstanding; Series E Bonds in the original face amount of \$4,750,000, of which \$4,690,000 remain outstanding; and Series F Bonds in the original face amount of \$7,500,000, of which \$7,245,000 remain outstanding; and

WHEREAS, the Board through its Executive Committee by Resolution (the "Original Series G Resolution") passed and adopted on March 10, 1981, authorized the issuance of \$18,600,000

"University of Kentucky Consolidated Educational Buildings Revenue Bonds, Series G" (the "Series G Bonds") and \$18,600,000 "University of Kentucky Consolidated Educational Buildings Revenue Bond Anticipation Notes, Series G" (the "Series G Notes") and determined that the conditions of the municipal bond market were then unfavorable to the issuers of municipal obligations in that higher interest rates for long-term financing were then unattractive to the issuers of bonds; provided, however, that it was then determined by the Board that it was necessary that the Board proceed immediately with the construction of the additions to the University's Medical Center facilities (Primary/Ambulatory Care Center and related patient parking structure and completion of the Center for Study of Aging) (the "Series G Project"), but the Board subsequently determined that the conditions of the municipal bond market even for interim loans represented by the Series G Notes were so unfavorable on May 5, 1981 (the date scheduled for the consideration for proposals for the purchase of said Series G Notes) that the Board withdrew said Series G Notes from consideration by prospective purchasers; and

WHEREAS, subsequent to the adoption of the Original Series G Resolution the Board has determined that the inclusion of the completion of the Center for the Study of Aging as part of the Series G Project is no longer feasible and desires to delete said Center from the Series G Project to be financed by the Series G Notes and the Series G Bonds; and

WHEREAS, the Board has now determined that (which determination has been concurred in by the Division of Investment and Debt Management of the State Department of Finance) the conditions of the municipal bond market with regard to interim construction loans represented by the Series G Notes have improved to some degree and that it is necessary that the Board revise certain of the provisions relating to the authorization of said Series G Notes and said Series G Bonds in order to now proceed to solicit proposals for the purchase of said Series G Notes;

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE UNIVERSITY OF KENTUCKY HEREBY RESOLVES AS FOLLOWS:

All provisions of the Original Series G Resolution passed and adopted by the Executive Committee of the Board on March 10, 1981 shall be and are hereby repealed and rescinded and the provisions of this Second Series G Resolution shall govern the issuance of said Series G Notes and said Series G Bonds; it is hereby specifically provided that the "Center for Study of Aging" shall no longer constitute a part of the Series G Project as defined in this Second Resolution and the principal amount of Series G Notes and Series G Bonds shall be adjusted downward accordingly.

of the Trustee under the Resolution, and such registration noted hereon, after which no valid transfer hereof shall be effective unless made on said books and similarly endorsed hereon at the written request of the registered holder of his duly authorized representative, but this Bond may be discharged from registration by being in like manner registered to bearer, whereupon full negotiability and transferability by delivery shall be restored but may again from time to time be registered as aforesaid. Section 3.08. There is hereby established in the State Treasury of the Commonwealth a Construction Account to be designated as "University of Kentucky Consolidated Educational Buildings Project-Series G Note Proceeds Construction Account" (the "Construction Account"). Immediately upon the issuance, sale and delivery of the Series G Notes, all sums received as accrued interest thereon plus an additional amount so that the total deposit shall equal interest to become due on May 1, 1982 on said Series G Notes shall be deposited by the Treasurer of the Commonwealth with the Trustee in the Bond Fund established under the Resolution. The balance of the Series G Note proceeds shall be deposited by the Treasurer of the Commonwealth in the Construction Account and shall be disbursed by such Treasurer according to such inspection, audit and disbursement procedures as may from time to time be provided by law for the purpose of paying the costs (to the extent not otherwise provided) of erecting the Series G Project as identified in the preamble to this Series G Resolution in accordance with the approved plans and specifications therefor, and only upon the certification of the Architect or Engineer having supervision of construction, as

to each disbursement, that the amount thereof has been duly earned by and is payable to the designated party or parties for materials, services and/or labor furnished pursuant to proper contract duly awarded therefor. Any balance remaining in said Construction Account after the erection of said Series G Project and the payment of all costs in connection therewith shall be deposited in the Bond Fund; provided, however, that if proceedings are then pending or imminently contemplated for the construction or completion of one or more additional educational buildings which are or will be financed by the issuance of additional Series Bonds pursuant to the Resolution, and which building or buildings constitute or will constitute a part of the Consolidated Educational Buildings Project, any such unexpended balance may be taken into account in determining the amount of Bonds to be authorized therefor, or may be otherwise applied to the proper costs thereof, in which event such unexpended balance may, upon authority of the Board, be transferred to the particular Series G Construction Account thereof.

Section 3.09. The Board covenants that sums derived from the proceeds of the Series G Notes or the Series G Bonds shall not be invested in any manner which will cause any of the Series G Notes or Series G Bonds to be treated as arbitrage bonds within the meaning of Section 103(c)(2) of the Internal Revenue Code of 1954, as amended (the "Code"), and the applicable Income Tax Regulations thereunder (the "Regulations").

On the basis of information furnished to the Board of Trustees, on known facts, circumstances and reasonable expectations on the date this Series G Resolution is adopted, the Board covenants and certifies as follows:

(A) That it is not expected or contemplated that the proceeds of the Series G Bonds or the Series G Notes will be used or invested in any manner which will cause any of the Bonds or the Notes to be treated as "arbitrage bonds" within the meaning of Section 103(c)(2) of the Code and the Regulations.

(B) That it is not expected or contemplated that the Board will make any use of the proceeds of the Series G Bonds or of the Series G Notes, which, if such use had been reasonably anticipated on the date of issuance of the Series G Bonds, or the Series G Notes, would have caused either to be arbitrage bonds.

(C) That it is expected and contemplated that the Board will comply with (i) all of the requirements of Section 103(c) of the Code; and (ii) all of the requirements of the Regulations.

Provided, however, that it is intended that the proceeds of

the Series G Notes and the Series G Bonds will be invested to whatever extent and whenever the Code and/or applicable Regulations permit same to be invested without causing same to be treated as arbitrage bonds.

Prior to or at the time of delivery of the Series G Notes, and prior to or at the time of delivery of the Series G Bonds, the Chairman or Vice-Chairman of the Board, or the University's Vice-President for Business Affairs and Treasurer, or any of them, are authorized to execute the appropriate certification with reference to the matters referred to in this Section 3.08, setting all known and contemplated facts and reasonable expectations concerning such anticipated construction, expenditures and investments, including the execution of necessary and/or desirable certifications of the type contemplated by the Code and the Regulations in order to assure that the interest on the Series G Notes and the Series G Bonds will be exempt from all federal income taxes and that said Series G Notes and Series G Bonds will not constitute or be treated as arbitrage Bonds.

NOTICE OF SALE OF NOTES

UNIVERSITY OF KENTUCKY
Lexington, Kentucky

\$18,600,000 CONSOLIDATED AND EDUCATIONAL BUILDINGS
REVENUE BOND ANTICIPATION NOTES, SERIES G

The Board of Trustees of the University of Kentucky (the "Board"), a public body corporate, education agency and instrumentality, and a political subdivision of the Commonwealth of Kentucky, hereby gives notice that until the 25th day of August, 1981, at the hour of 11:00 A.M., E.S.T., it will receive in the office of Mr. Jack C. Blanton, its Vice President for Business Affairs, in the Administration Building on the Campus of the University at Lexington, Kentucky 40506, proposals for the purchase of its \$18,600,000 Consolidated Educational Buildings Revenue Bond Anticipation Notes, Series G (the "Notes"), dated September 16, 1981, maturing on May 1, 1983. Proposals will be accepted or rejected by the Executive Committee of the Board at 2:00 P.M., E.S.T. on August 25, 1981. The Notes are to be issued in anticipation of the issuance of \$18,600,000 Consolidated Educational Buildings Revenue Bonds, Series G (the "Bonds") dated prior to the maturity date of the Notes, maturing serially in various amounts on May 1, in each of the years 1984 through 2008, callable on any interest payment date on or after May 1, 1993. The right is reserved in the University to issue Renewal Notes.

The maturity schedules, redemption provisions, and other details of the Bonds, together with Invitation to Submit Proposals for the Purchase and Official Bid Forms, and financial and other pertinent information concerning the University, the Consolidated Educational Buildings Project, and the Notes and Bonds are contained in the "Official Statement" which may be obtained by addressing the Vice President for Business Affairs, as above, or the Fiscal Agent, First Kentucky Securities Corporation, State National Bank Building, P. O. Box 554, Frankfort, Kentucky 40602.

The Bonds are not general obligations of the Board, the University, or the Commonwealth of Kentucky, but are special obligations payable solely from a first lien and charge upon the defined Revenues of the University's Consolidated Educational Buildings Project (the "Project") as defined in the original Resolution adopted by the Board on September 20, 1960 (the "Resolution") and will rank on a basis of parity and equality as to security and source of payment with Consolidated Educational Buildings Project Revenue Bonds, Series A to Series F, inclusive, previously issued in the aggregate principal amount of \$97,740,000 and now outstanding in the aggregate principal amount of \$50,950,000, under the Resolution which outstanding Bonds

are without default as to principal or interest. Statutory authority exists in Sections 162.340 to 162.380, inclusive, of the Kentucky Revised Statutes. The Bonds are being issued to pay for additions and improvements to the Project.

The Resolution provides that the Bonds and the Notes, the outstanding Bond Series A through F and additional parity bonds, which may hereafter be issued and outstanding under the terms of the Resolution, will be payable from and will constitute a paramount charge upon the Revenues to be derived by the University of Kentucky, at Lexington, Kentucky, from the operation of its Consolidated Educational Buildings Project as defined in said Resolution. The fee imposed upon and collected from all students of the University at Lexington as incident to registration at the beginning of each semester of the regular academic year and each summer session, including fees imposed for part-time students, night school and extension courses, is designated as the source of Revenues of the Consolidated Educational Buildings Project. Such fees are known as the Student Registration Fees and the Board of Trustees covenants that the same will be fixed (and if necessary revised and increased from time to time) at such rates as may be required to pay the interest on and principal of the Bonds as they respectively mature, to provide reserves therefor and to pay the operating costs of the Project to the extent that they are not otherwise provided. All collections of the Student Registration Fees are to be set aside, as received, into the Consolidated Educational Buildings Project Revenue Fund and made subject to a first lien and paramount charge for the security and source of payment of all outstanding Consolidated Educational Buildings Revenue Bonds.

The purchasers of the Notes will be furnished at delivery, at the cost of the Board, the unqualified approving opinion of Henry M. Reed III, Bond Counsel, Louisville, Kentucky, which will contain a statement that in Bond Counsel's opinion interest on the Notes will be exempt from federal income taxation, based upon statutes, regulations, court decisions and administrative rulings as interpreted and applied at that date, and that the Notes and interest thereon are exempt from all Kentucky ad valorem and income taxation. The Board expressly reserves the right to reject all bids and to waive informalities and irregularities which in the judgment of the Board do not impair the integrity of the bidding process. Delivery is guaranteed within 45 days after awards are made and it is now anticipated that delivery will be made on or about September 16, 1981.

The Board will tender the Notes to the purchasers thereof, at its own expense, at any bank or trust company in the continental United States (exclusive of Alaska).

BIDDING CONDITIONS: Purchase bids for the Notes shall be made on the Official Bid Form, shall be for cash and for all of the Notes or blocks thereof in the amounts of not less than \$100,000 each and shall be for not less than 99.25% of the face amount bid upon, to which shall be added accrued interest from September 16, 1981 to date of delivery; provided, however, no bid for less than \$500,000 of Notes shall be considered. Bidders shall stipulate interest rates of their own choosing in multiples of 1/100 of one percent; provided (i) all Notes of the same block shall bear interest at a single rate from date to maturity, (ii) there is no limit to the number of different rates, and (iii) no maximum rate is prescribed. An application for CUSIP numbers will not be made.

(d) Wholly by telephone, providing your authorized representative is identified to the satisfaction of Mr. Blanton, or his designee. You may arrange, in advance, a satisfactory means of identification.

A form of Series G Official Bid Form accompanies this Invitation and in no event will the Board or Mr. Blanton undertake any responsibility for your completion or delivery, of your proposal by the specified time, notwithstanding failure or delay in the mail or in any other form of communication.

Proposals will be received for the entire \$18,600,000 of Notes or for blocks thereof in amounts of not less than \$100,000 each; provided, however, that each bidder must bid on a block of not less than \$500,000 in order for a bid to be considered. The Board reserves the right to waive informalities and irregularities which it may deem to be immaterial, to reject any or all proposals for any reason it may deem to be sufficient, to award less than all of the Notes, and to award to bidder less than all of the Notes offered to be purchased (but not less than \$500,000 in any case). Each proposal shall contain an offer to purchase a permissible block of the Notes or all of the Notes; shall offer to pay therefor not less than 99.25% of the face amount thereof; and shall stipulate an interest rate or more than one interest rate in multiples of 1/100th of one percent for the Notes offered to be purchased. If more than one interest rate is stipulated, the amount of Notes to bear each such rate shall be made clear.

Each proposal shall stipulate how many Notes are desired, and the denominations desired, in multiples of \$25,000. A proposal will not be deemed incomplete if the denominations are not provided. However, upon being advised that the Notes have

been awarded, the bidder will be required to furnish desired denominations within twenty four hours. Otherwise, Notes will be tendered in the denomination of \$100,000.

Comparison of proposals will be upon the basis of interest cost to the Board. It is the express intent of the Board to accept the best proposal to the full amount of the Notes therein offered to be purchased, thereafter the next best proposal to the full amount thereof, etc. until all of the Notes are awarded; subject, nevertheless, to the reserved right of the Board to award less than all of the Notes offered.

If a bidder is awarded less than the amount of Notes offered to be purchased, the stipulated purchase price will be pro-rated; and if a single proposal contains an offer to purchase stated amounts of Notes at different rates, the Board may accept the offer to the extent one or more rates are stipulated while rejecting the proposal in other respects.

All communications will be held in the strictest confidence, no matter how submitted, until the day and hour hereinabove stated.
