My Dear Nettie & John
your letter received this morning I
was surprised to hear that you had
moved It may be a good thing for you
to do & a wise thing to save that
rent I think I should like that
House better & prefer the southern
exposure but how large is the yard
that will be nice to be near Mrs. Haines
I think I should like her myself I do
like her because she has been so kind to
you, I think she looks like Aunt
Samantha please tell me if I am
right, well I trust that you will like
your new Home I would like to look
in upon you someday. Clarence and
I went up to Elmer's last week he
