## ABOUT THE LIBRARIES

### Archival Theft

The Kentucky Council on Archives will meet April 21, King Library North, University of Kentucky. The featured speaker will be Philip Mason, Director, Archives of Labor and Urban Affairs, Wayne State University, Detroit. For more specific information contact Bill Marshall, Special Collections, 258-8611.

### ...with Photographs from Nature

An exhibition of photographically illustrated books from the collections of the Photographic Archives, the University of Louisville and the Photographic Archives, Special Collections, University of Kentucky Libraries will be on display in the Special Collections Gallery from April 17-21 for a preview by the Kentucky Council on Archives which meets here on April 21. The exhibition will then be shown at the Museum of Natural History in Louisville during May before returning to the Gallery from June 19 to July 28. For additional information call Gerry Munoff at 8-8634.

### Processing Conversion Project Coordinator

Gail Kennedy has been asked to assume, temporarily, the position of Processing Conversion Project coordinator. Her responsibility will be to initiate and coordinate the planning and implementation of the classification change and to look into related activities, such as a COM catalog, for the Library. She will report to the Associate Director, but will work closely with the Assistant Directors for Public and Technical Services. Although Gail will continue as Head of Acquisitions, it will be necessary to provide additional professional coverage for the unit; so it has been recommended by the Administrative Committee to hire a temporary Assistant Head effective May 1978. Because of the time element and the temporary nature of the position, the applicant pool will consist of current staff members and local outside people. The Director's Office is now reviewing the outside resumes currently on file. Anyone now on the staff who is interested in the position should talk to either Paul Willis or Faith Harders by Wednesday, April 19.

### Notes from ACTS

John Cleveland resigned from the UK Library System to accept another job in Toledo, Ohio. His position on the ACTS Executive Committee has been filled by the election of Vicky Walker, a staff member in Special Collections.

The Education Committee has begun its schedule of tours for the staff with two tours of the Medical Center Library. A questionnaire is being circulated to determine interest in other tours of branches and departments in King.

The next general assembly meeting is tentatively set for May 15.

Warm Up Those Overhead Projectors, Folks...

Copy Service, located in the Newspaper/Microtext Department, now has the capability to produce transparencies on its IBM Copier II. The cost per transparency is one thin dime; hours are 8 am - 5 pm, Monday-Friday. For further information contact Bill Bull or Judy Sackett at 257-2666.

LSO Bake Sale

In order to build its treasury for programs and social activities, the Library Staff Organization will hold a bake sale from 11:30 am to 1:30 pm, Friday, April 21, in the staff lounge on the third floor of MIK North. Baked goods, lemonade, and Kool-aid will be on sale. Bring your lunch and join the LSO for dessert.

Please help your staff organization by supporting this sale and, if asked to contribute, by donating baked goods. Bring your donations to the Collection Development meeting room by 11:00 am, Friday, April 21.

LSO Staff Room Committee

Committee members and a chairperson are desperately needed for the Staff Room Committee. The committee looks after the well-being of the MIK North and South staff lounges. Duties include monitoring the condition of the lounges, occasionally laundering towels and dishcloths and (hopefully) little cleanup. If we can form a large committee, duties can be performed on a rotating basis. Please call Wanda Dole in the Architecture Library (8-5700) for information.

Vacation and Sick Leave Note

University Personnel has called it to our attention that if a person has a zero balance of vacation or sick leave and takes time off before the 21st of the month, it must be turned in as leave without pay.

Chandler Collection Inventory

The Guide/Inventory to the Albert B. Chandler Collection, 198pp., is now available for sale for \$5.50 (including postage and handling). Please direct orders to Ms. Victoria Walker, Dept.

of Special Collections and Archives, King Library-North, University of Kentucky, Lexington, KY 40506. Checks should be made payable to the University of Kentucky Libraries.
