

May 6.

Dear Victor + Carolyn.

I am sorry I cannot come over with J + Nicolar + Paula. Too much riding in a car is perhaps still to be avoided by me though the back is slowly getting better. In fact J seems to have more pain with his back now than I have with mine.

The weather is so beautiful it would have been wonderful to have you here - perhaps we might think of some time in June. I will write more about that at some other time.

So at this point I will leave J to bring you my very best wishes + greetings - as ever  
In Christ

Tom
