A message for young lovers.

Maybe the ring comes first. Maybe not.

The point is that sometime soon you and your maiden owe it to yourselves to find out the many advantages of Kentucky Central's University Key Plan.

You don't need a marriage counselor to tell you lots of things. One of them is this: the sooner young lovers start a sound life insurance program, the more economical it is.

But the University Key Plan is not just another life insurance plan. It's especially designed for the unique life insurance and savings needs of college people.

No military exclusions, and no first-year premium to pay until your business or professional career is soundly launched.

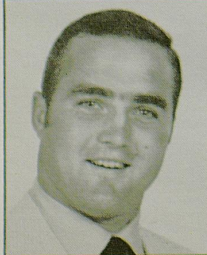

And, incidentally, if your tribe increases, your little ones are automatically insured 15 days after they're born.

Talk to your campus Kentucky Central representative today. Ask him to show you why the University Key Plan is the standout among college life insurance plans.

Either before or after the ring.
But soon.

GOVERNOR LOUIE B. NUNN, the Commonwealth's chief executive and chairman of the Board of Trustees, believes strongly that self-reliance, pride and courage are the by-products of intercollegiate athletics. His interest in Kentucky basketball was emphasized when he presented his first "Governor's Trophy" to Wildcat Coach Adolph Rupp. Governor Nunn, 46, is a native of Barren County. He attended Bowling Green Business University, the University of Cincinnati and the University of Louisville, where he earned a law degree in 1950. He is an avid sportsman and spectator and a successful attorney who has served in both executive and judicial positions. The third Republican this century to be elected Governor in Kentucky, he formerly served as a county judge and city attorney.

————— K —————

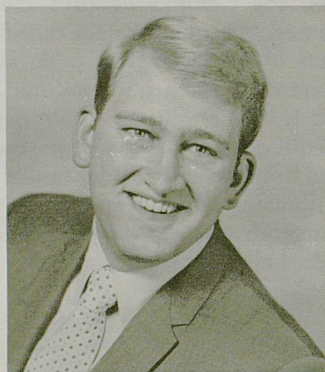

PRESIDENT OTIS A. SINGLETARY came to Lexington in August, 1969, from the University of Texas, Austin, where he was executive vice chancellor for academic affairs. Dr. Singletary, who is eighth president of the University, served a total of eight years at Texas, progressing during seven (1954-61) of those years from instructor to professor, associate dean of Arts and Sciences and assistant to the president. Then for five years (1961-66), he was chancellor of the University of North Carolina, although he was on leave from October 1964 to January 1966 to serve as director of the Job Corps, Office of Economic Opportunity.

————— K —————

ATHLETICS DIRECTOR HARRY C. LANCASTER—After a critical hospital stay last spring, Harry Lancaster bounced back courageously and kept the Wildcat athletic ship-of-state running smoothly. Lancaster was named acting AD in September 1968 and permanent AD three months later. He previously had been associated with Adolph Rupp since 1946 and remained as Rupp's chief assistant until the end of the 1968-69 season, when he left the coaching ranks to concentrate on the complex job of running the entire UK athletics program. A native of Paris, he is a graduate of Georgetown College with a master's degree from UK.

EDITOR'S NOTEBOOK

Mike Casey had just finished dinner in his Simpsonville home July 30, 1969, when University of Kentucky teammates Dan Issel and Mike Pratt called from Lexington and asked if he wanted to play basketball.

Casey, who had a softball tournament scheduled at 9:30 p.m. in Lexington, figured he could get in a half hour or so of basketball be-

fore the tournament. He swung by the home of a buddy, James Hayden, and they headed, after gassing up, for another friend's house to get Casey's softball equipment.

Six miles from home, Casey swung off the Southbound 55 exit on I-64 at approximately 50 miles an hour. The rear left tire blew out, the car spun completely around and headed for a light pole.

"I tried to jump over," Casey said. "I got all my body over except my left leg; it caught on the emergency brake."

Casey was conscious during the half hour he was pinned. The rescue squad had to pry loose both doors and jack the left door off the leg.

"I had stopped most of the bleeding myself with a handkerchief," he said. "I could see I had a broken leg. The bone was sticking through. I thought maybe my basketball days were over."

Casey was taken to a hospital at Shelbyville, "cleaned up" and transferred to Louisville, where he was in the St. Joseph Hospital operating room from 11:30 p.m. until 1:30 a.m.

Coach Adolph Rupp, one of the first persons called after Casey's parents were notified, recalls vividly his

reaction: "I thought what it would do to the boy's future in basketball. We would go along without him, but I was worried for him."

Casey's leg was broken in three places, including the big bone which heals slowest. Hopeful fans speculated that Casey would be back in the lineup by the first of the year, but persons in the know wondered if he would ever play basketball again.

The cast came off in December and Casey, a good 20 pounds over his playing weight and with a left leg noticeably shorter and skinnier than the right leg, began the long comeback battle. Hard work on a construction job and physical workouts during summer brought his weight down to a trim 190 pounds. Issel and Pratt, who invited Casey to assist their new basketball clinic at Danville, gleefully reported Casey was "good as ever."

And just how good was Casey?

Complimented by Coach Rupp as the best clutch player ever to wear a UK basketball uniform, Casey was All-SEC his sophomore and junior year, leading the team in scoring (20.1) as a sophomore and finishing second (19.1) to Issel as a junior. During his junior year, he set a UK record of 129 assists.

An All-State performer at Shelby County High, Casey averaged 28.5 points a game as the Rockets finished 33-1 and won the State Tournament. He was named honorary captain of the All-State team and Kentucky's "Mr. Basketball" for the Kentucky-Indiana series. He finished his high school career with 2,088 points in 96 games and headed Coach and Athlete Magazines' list of the nation's top 10 prep stars.

Casey is appearing on the home court tonight for the first time since March 8, 1969, when he scored 18 points and got 10 rebounds in an 84-69 victory over Tennessee.

ADOLPH FREDERICK RUPP

"World's Winningest Collegiate Basketball Coach" (40 Years — Won 836, Lost 177 — 82.5%)

Kentucky's legendary "Baron of Basketball" passed his 1,000th game as coach of the Wildcats during the middle of last season and the occasion was duly recorded and celebrated.

During the span which began with a 67-19 victory over Georgetown a week before Christmas in 1930, Rupp has garnered every major honor afforded his profession.

During the current season, he reigns as president of the National Association of Basketball Coaches and is a full-fledged member of the Naismith Memorial Basketball Hall of Fame, having been inducted into that shrine at Springfield, Mass., in the spring of 1969.

It is fitting that Rupp should occupy a hallowed niche in the Hall of Fame. During his collegiate days as a guard on two national championship teams at the University of Kansas, he was personally acquainted with Dr. Naismith, inventor of basketball and a faculty member at Kansas. Rupp's coach was the veteran Forrest Claire (Phog) Allen, who is past 80 and today lives quietly in retirement among his friends, souvenirs and memories in Lawrence, Kansas.

Rupp visited Allen during a weekend stay in Lawrence last spring.

The occasion was Commencement exercises at the University, where alumnus Rupp received the Distinguished Service Citation, highest honor the University and Alumni Association bestow. The citation was presented before a packed house in Allen Field House by Chancellor E. Laurence Chalmers.

The honor undoubtedly was a high point in a star-studded coaching, business and civic career which has elevated Rupp to the loftiest standing ever achieved by a collegiate basketball coach.

During the 1969-70 season, he overcame many unexpected and almost catastrophic setbacks to lead his team to the No. 1 rating in all national collegiate basketball polls.

The first blow came in the summer of 1969, when two-time All-SEC guard Mike Casey received a broken

leg (in three places) in an automobile accident and was out for the season.

Rupp also had foot trouble aggravated by diabetes and was ordered to bed as pre-season practice got under way. He left the bed only to attend practice sessions and utilized a foot rest during early season games.

Also during the season, All-SEC forward Mike Pratt received a broken nose, All-American center Dan Issel received a severe stone bruise which undoubtedly was a factor in the Wildcats' only regular season loss—to Vanderbilt—and two-year starter Larry Steele broke a wrist bone.

Despite the adversities, Rupp coached his team to its 25th SEC championship since the league was organized in 1933. En route to their record 18th appearance in the NCAA Tournament, the Wildcats set or tied 17 team records and went on the book as the most potent offensive unit in the school's fine basketball history.

The 26-2 record brought Rupp's score to 836 victories against only 177 losses, an amazing 82.5 winning percentage against the best opposition the nation could offer.

The magic of Rupp naturally has resulted in an increasing demand for that most scarce Kentucky product—a ticket to a University of Kentucky basketball game. For the past several years, there has been no public sale of the precious tickets; students, faculty, staff and holders of coveted season priorities are allotted the approximately 11,500 available seats and the waiting list grows longer and longer.

During the past spring and summer, a movement was instigated to determine the interest in a new "Rupp Arena" which would seat 28,000 for a basketball game. Thousands of computer cards, asking for pledges of so much money for the right to purchase tickets, were distributed throughout the state and the response was described as nothing short of tremendous, a fitting tribute to the "Baron of Basketball."

BASKETBALL STAFF

JOE B. HALL

Assistant Coach

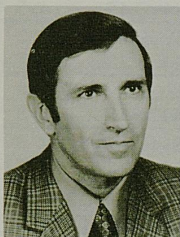

Joe B. Hall moved up as No. 1 varsity assistant and freshman coach after Harry C. Lancaster was named permanent athletic director Feb. 1, 1969.

Hall, who returned "home" to the University July 1, 1965, with a winning background—126 victories against 75 losses—posted a 19-6 record at Central Missouri in the 1964-65 season and guided the Mules to their first MIAA Conference championship since 1951 and to their first conference Christmas Tournament title in history.

Hall, who was a 6-foot-1 guard on the 1949 Wildcat team, entered the coaching profession after graduation from UK in 1955. He spent two years at Shepherdsville High School, achieving Coach of the Year honor in the Mid-Kentucky Conference in 1958 as Shepherdsville finished 12th in the state.

Moving into the collegiate field, he served one season as freshman coach and then five years as head coach at Regis College in Denver, Colo., where he posted a 57-49 record.

His first full year at the helm of the Kittens produced the third highest scoring freshman team in UK history. The Kittens scored 1,975 points in compiling a 16-6 ledger against top competition and finished with an 11-3 SEC record.

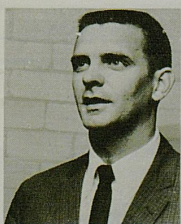

T. L. PLAIN

Assistant Coach

The newest member of the Wildcat staff, Plain joined Coach Rupp in July 1969 and is no stranger to the UK scene, having served as a graduate assistant for Rupp after leaving Kentucky Wesleyan College, where he compiled a 63-64 won-loss record.

A native of Sacramento, Ky., he received his B.S. at Western Kentucky University in 1950 and later attended Murray State, Indiana University and UK. He was athletic director, teacher and coach at Breckinridge County High from 1949-53; teacher, athletic director and coach at Henderson City High from 1953-57, and teacher and coach at Lincoln High in Vincennes, Ind., from 1957-59.

Plain returned to Vincennes in 1964 as director of physical education for the Community School Corp. and basketball coach at Lincoln High. He left there in 1967 to become assistant basketball coach and assistant coordinator of the student teaching program at the University of Louisville.

DICK PARSONS

Assistant Coach

A former Wildcat baseball All-America, Parsons had the distinction of serving as captain of both the UK basketball and baseball teams in 1961. He returned for post-graduate studies in 1968 and helped scout basketball foes. He joined UK as baseball coach in the summer of '69 and was added to Rupp's basketball staff with recruiting and scouting duties.

JANE ROLLINS

Secretary

A native Lexingtonian, Jane Rollins attended Sacred Heart Academy, Atherton High School and Bryan-Stratton Business College in Louisville and the University of Kentucky. Described by Coach Adolph Rupp as "one of the most loyal employees of our department . . . she's always willing to do her share to make our program successful," she has been secretary to UK basketball since 1955.

JIM ANDREWS

6-11 Sophomore Center

Lima, Ohio (9/1/51)

Jim Andrews has the potential to become one of the all-time greats at Kentucky, possessing good height complemented by a strong (225 lbs.) frame and good hands.

He moves well in the pivot and has an excellent medium range jump shot which also makes him a definite threat at forward.

rebounds per game, hitting 55 per cent of his shots. His season high was 43 points against Alabama.

An All-State, All-America, he averaged 33 points and 18 rebounds a game his senior year at Bath High, where he set single game records for most points (50) and rebounds (27).

It might make you feel better to know that Marathon guarantees everything *will* go the way you want when you use their petroleum products and automotive services. Or you'll get your money back.

Incidentally, maybe you'd better stop at a Marathon station after the game.

It looks like a long ride home.

If ever things *don't* go the way you want them to when you're using Marathon petroleum products and automotive services, you'll get your money back.

Incidentally, maybe you'd better stop at a Marathon station after the game.

No sense ruining a beautiful trip home by running out of gas.
