My Dear Mother

I wrote a few lines
to Pa from Louisville and mentioned
that Mr Morgan had purchased some
little articles for you which I hope you
received and also hope that they may be
good as he ordered the very best to be
sent - We left Louisville on Sunday at
twelve o'clock and arrived at Cincinnati
sometime in the night - at six o'clock
in the morning we took the Car and
reached Pittsburg at eight in the evening
having travelled in that time from
six in the morning until eight at night
~~three~~ three hundred & fifty seven miles - We
remained in Pittsburg about one hour when
we took the Car again - travelled all night
and reached Baltimore Tuesday at twelve o'clock
