

ABBAY OF GETHSEMANI
TRAPPIST, KENTUCKY

Dear Carolyn.

Do you by any chance have one or other of the following -

no - R. Niebuhr - The Irony of American History.

no - L. Barzini - Americans are Alone

917.3 [✓] Something on America by Denis Brogan

1952 [✓] C. Wright Mills - The Power Elite.

no - J. Lartéguy - The Centurions (in English & French)

no - M. Sparks - The Prime of Miss Jean Brodie -

Blessings to you + Victor. Get well quickly again. Do I still have any of the library books? I seem to see none around her.

Ever cordially in Xt
for Louis.
