THE LIBRARIES

Serials Coordination Committee:

As approved at the last Library Faculty meeting, a Serials Coordination Committee has been formed and the following librarians have been asked to serve on the Committee:

- Ed O'Hara
- Florence Jones
- Agnes McDowell
- Toni Powell
- Omer Hamlin and Paul Willis, Ex-officio

The initial charge to the Committee follows:

1. Review existing and potential duplication of serials in the libraries on the Lexington campus.
2. Recommend cancellation of titles as appropriate.
3. As requested, participate in discussions relating to new purchases.
4. Consider recommendations for a collection development policy for all University libraries.

ASERL Statistics, 1975/76:

Statistics recently published by the Association of Southeastern Research Libraries give the following rankings for the University of Kentucky Libraries (excluding Medical):

- Number of microtexts: 2nd
- Number of periodicals: 4th
- Number of volumes: 9th
- Salary expenditures: 10th
- Book expenditures: 11th
- Total expenditures: 11th

Members of the ASERL include the 29 largest public and private university libraries in the southeast.

PUBLIC LIBRARY GALA:

Tonight, 27 February, the Friends of the Lexington Public Library are sponsoring a "Gala" which is: a rare book sale and auction, a concert, a dance and pub with entertainment. Begins at 5PM (auction at 7:30), Springs Motel Thoroughbred Room. Tickets are \$5.00 per person and proceeds will go toward the new Lansdowne Branch to open later this year.

COURIER JOURNAL INDEX

The Kentucky State Department of Libraries has subscribed to the Courier Journal Computerized Index. Public Libraries throughout the state will benefit from this service which is free to all librarians and citizens of Kentucky. The service will supply hard copy of newspaper articles published in the Courier.

LEGISLATIVE DAY IN WASHINGTON

Tuesday of National Library Week (6 April 76) delegations of librarians and trustees from every state will visit offices of legislators in Washington to make known the influence of federal programs in building library service for their citizens. Further details are available from Celeste Moore, Department of Library and Archives, P.O. Box 537, Frankfort.

LECTURES, CONFERENCES, ETC.

Gale Research Presentation:

The Library Science Student Organization (LSSO) is sponsoring a presentation to be given by Alice Nelson of the Gale Research Company, publisher of reference books, dictionaries and directories. The lecture-slide presentation gives an overview of reference book publishing and is open to the public. Wednesday, 3 March 76, 2-3:30 PM, Room 320, Chem./Physics Bldg.

Russian Hesychasm:

A lecture on Russian Hesychasm (a topic of current interest and enthusiasm in the Acquisitions Department) will be given by Dr. Daniel Rowland, Professor of History on Friday, February 27th at 3:00 in the Gallery of the Rare Book Room.

This discussion of Russian mystical thought will be followed by a reception for Dr. Rowland and refreshments. The public is invited.

U.K. Student SLA Chapter Meeting:

Greg Payne, President of ABI, Abstracted Business Information, Inc., will give a presentation and demonstration of INFORM, an on-line computer data bank of information compiled from hundreds of business publications throughout the U.S. and abroad and designed for the manager in business, industry, and institutional administration. The meeting will be held on Wednesday, March 24 from 6-8:00 P.M. on the 18th floor of Patterson Office Tower.

Spring Library Conference:

"Audiovisuals in the Academic Libraries" is the topic of the spring conference of the College and Research Section of the Kentucky Library Association. The conference will be held 2-3 April at Boone Tavern, Berea College. Reservation forms are available from Mary Moberly, Room 225 Medical Center Annex #2, UK, and should be returned by 24 March. Any staff member wishing to attend should submit a travel request to Faith Harders by March 15, 1976. When we know how many people will be going, the travel allotment will be made. At this time, we plan only to cover part of meals and registration.

PERSONNEL:

Jeff Sauer, Vivian Hall and Frances Williams are participating in the U.K. Training and Development program on Supervisory Management.

Debbie Garr, Circulation, has left the library to take a position with the College of Nursing.

The new night supervisor for Circulation is Thomas Bullock. He has a B.A. in English from Greenville College and has worked at Asbury Press.

Supervisor's Course: If the library has at least 8 or 9 interested supervisors, Martin May from U.K. Training and Development will give his course on Basic Principles of Supervisory Management at the library. It will be the week of May 10th (when school is out) and will be held Monday-Friday, 8-12 (or if people prefer, he can split it over a two week period.). If anyone is interested, in participating, please let me know as soon as possible so Mr. May can work us in to his schedule.
