PREFACE

The proceeding list of newspapers and magazines published in Ogden in the past and at the present time has been compiled by Hugh O'Neil, project editor, assisted by Wilbur Dodson, research worker. The information shown for some of the publications is incomplete and probably some publications have been omitted from the list. Persons having knowledge of newspapers or magazines published in Ogden, which are not shown on this list, are requested to notify Mr. O'Neil at 201 Twenty-fourth Street, Ogden, Utah. We are also anxious to secure any additional information you may have on any of the above publications.

A revised list of Ogden publications will be issued at some time in the future. It is our desire to show in this revised list, the name of the publication, the names of the first and subsequent editors, date of first issue, frequency of publication, the name and address of the publisher, the date publication was discontinued, and any other interesting items about the publication.
