

Stephen Fisher

Dear Sir

I will satisfy you if you will have commissioners appointed to attend in Ohio County on the north bank of Green river to establish the calls of a preemption entry of 1000 acres entered in my name Aug. 24<sup>th</sup> 1781 about six miles below Leecass entry at the sole mine and a half mile above a fish dam in the river.

I wish it done as soon as possible and write me by the post immediately after you have them appointed also by a Special hand if you have an opportunity as I wish to have the entry established as soon as possible, take an account
