GREEN BEAN

HEREINAFTER TO BE KNOWN AS

THE GREEN SCREEN

October 14, 1992

The staff newsletter, THE GREEN SCREEN, is now to be transmitted via E-mail. It will come out weekly - we'll see how that goes, and perhaps modify the timing in view of demand and the "news" supply.

Yes, most of us do have ORANGE screens, but we'd like to maintain some kind of continuity. And an occasional pun.....

some kind of continuity. And an occasional pun.....

Contributions are solicited from anyone in the library community. They should be brief, and in general, should pertain to our work and professional life. Tone, however, may be variable, and neither humor nor human interest will be excluded.

If you have anything to contribute, or that you would like publicised, there

are at least 3 ways to deliver messages:

- 1) by e-mail to KLIGMB@ukcc.uky.edu
- 2) in a folder in the DO
- 3) to me or my desk (JILL) in King Reference, or by phone 7-8397

DISTRIBUTION

Could someone in each department or branch be designated as responsible for printing out a copy and routing it? We especially wish
