Dear Victor

Thanks for your welcome note - I am glad the printing is finished & still more glad that the work was meaningful. I certainly derived profit from my share in it. I hope the Desert Fathers will all be praying for us in heaven & I am sure they will.

I will be expecting you both about noon on Saturday. If you have a moment to bring a couple of books besides the Encyclopedia (!!)- here are some possible titles.

- °Heaven, Lefcadis - Two years in the French West Indies.
- °GUENON, René - East and West.
- °NICHOLSON, R.A. - Mystics of Islam
- °KRIVITZKY - In Stalin's Secret Service.
- ✓SNELLGROVE - Buddhist Hinayana.

Bring the sheets & I will sign them & send them later - no need to do it while you are there, time is too precious.

Looking forward to Saturday - God bless you.

As ever, in Christ
/m Louis
