ABBAY OF GETHSEMANI  
TRAPPIST, KENTUCKY

July 26, 1962

Dear Victor:

Here are the final proofs. I tried to carefully spot every little slip, and I find one must look closely to correct your uncial, as "a" and "o" are liable to look much alike. I think I got everything, including my own mistakes.

Could you please ask Carolyn to have them send me the following titles by MLW Laistner:

Beda Venerabilis

The Intellectual Heritage of the Early Middle Ages.

I may be going to the hospital for a checkup early in September or late in August so if you some sometime around the 23rd it would be best for me, or even earlier. There is nothing wrong with me, I just have to get an ex ray once in a while.

This is just a hurried note. Bless you both.

Cordially in Christ,

Tom.

*I just have not been able to write that page about the Gladden - my mind has been on other things.*
