## **ENROLL BY MAIL**

This Journal contains an outlined and detailed program of both the general sessions and sectional meetings of the 66th Convention of the K. N. E. A. in Louisville, April 15-18, 1942. Note the outstanding national educators to appear on our program: Dr. Dorothy Ferebee, of Washington, D. C., Mr. Frank Etheridge, Louisville Courier Journal, Supt. John W. Brooker, Frankfort, and President Rufus B. Clement, Atlanta University.

Enroll now by mail or with your faculty or county as a group. A membership fee of \$1.00 permits each teacher to receive the K. N. E. A. Journal which will contain proceedings of the 1942 Convention. **ENROLL NOW IF YOU CANNOT ATTEND.** By paying a fee of \$1.50, a teacher may become an honor member. Many, this year, are taking advantage of the Life Membership fee of \$10.00 and others are enrolling as Honor Members. By all means, be sure to enroll—**SUPPORT YOUR PROFESSION: IT SUPPORTS YOU.**

## **THE 1942 ELECTION**

There are now two candidates for the secretary-treasurer of the K. N. E. A. at this writing, Mr. Lyman T. Johnson, Pres. L. A. T. C. S., Louisville and Mr. W. H. Perry, Principal Madison Junior High School, Louisville. There will probably be other announcements concerning candidates for this and other offices between now and the final date of the report of the nominating committee.

Voting will take place Friday, April 17 at the Quinn Chapel A. M. E. Church. Your membership card is necessary to secure a ballot.

## **TWENTY YEARS OF SERVICE**

With this issue of the K. N. E. A. Journal, the Secretary-Treasurer completes twenty years of service, having been elected in 1922. Throughout these years he has enjoyed the cooperation of the principals, teachers, and friends of education in the state of Kentucky.

During these years there have been ten presidents of the K. N. E. A.: Reed, Davis, Meyzeek, Humphrey, Anderson, Atwood, Blanton, Fouse, Barker and Goodloe. These gentlemen gave to the secretary-treasurer excellent cooperation in managing the affairs of the association.

During these years we have issued continuously either the K. N. E. A. Bulletin or K. N. E. A. Journal. We have set up the scholarship loan fund of more than \$500; we have donated \$500 to the Survey Commission; we have donated \$100 to the Teachers' Retirement System; we have donated \$500 to the Louisville Teachers in their fight for equal salaries; we have been continuously affiliated and represented in the American Teachers Association.

The organization has gained a membership of over 1500. We have

never been in debt during these twenty years, nor has there been any criticism of the financial transactions by any auditing committee or Board of Directors.

For these twenty years, the K. N. E. A. has presented outstanding educators of the nation on its convention programs. Thanks are extended to those who have made this achievement possible.

### **ANNOUNCEMENT**

Mr. W. H. Perry, Jr., principal of the Madison Street Junior High School, has announced his candidacy for the secretary-treasurership of the K. N. E. A. at the coming election. This is the first time he has sought a major office in the association during his twenty years of service in it.

He holds the Master of Education degree from the University of Cincinnati, and has wide experience on several levels of education, having served as teacher at Central High School and principal of the Western (Elementary) School of Louisville, before going to his present position. He has also taught at Kentucky State College and Louisville Municipal College during summer or evening sessions. Mr. Perry served as the first secretary of the Louisville Association of Teachers in Colored Schools, and later as its president. During his administration aggressive efforts to advance teacher interests were made. He has also served as secretary and chairman of the Louisville Principals' Council, and is now chairman of the High School and College Department of the K. N. E. A.

He is well known in the state because of his fraternal as well as educational activities, having served as Grand Secretary of the Royal Arch Masons and later as Grand Secretary of the Masonic Lodge of Kentucky. During World War 1 he served overseas as a Sergeant-Major, a high clerical position.

In announcing his platform, Mr. Perry plans the following:

#### **PLATFORM**

1. To perform efficiently and courteously the function of secretary-treasurer in carrying on the business of the association, under the direction of the president and board of directors.
2. To operate the office of secretary-treasurer with as great economy as is in harmony with efficiency.
3. To encourage use of the K. N. E. A. Journal by teachers and principals of the state for the exchange of ideas on problems of education and matters of interest to the members of the organization.
4. To cooperate with the various departments of the association in their efforts to increase and strengthen their effectiveness.
5. Under the direction of the president,
  - (a) to maintain a close relationship with other educational organizations on projects of mutual interest.
  - (b) to secure, where possible, recognition of the K. N. E. A. by the policy-making groups that affect Negro education.

I hope this program meets your approval, and that you, as a result of the election, will permit me to put it into operation.
