YOUR LETTER

SUBJECT  
OR FILE NO.

Dear Sir:

The Industrial Engineering and Construction Department has requested us to obtain certain information each month in connection with our power bills; this information to be furnished by the Works on a form similar to the attached sample.

You will note that the enclosed form shows the information to be supplied monthly and the source from which it will be obtained. Any information which is not supplied by the bill for the questions to be answered from the invoice should be marked, "Information not Given."

You will, therefore, please prepare form similar to the attached and send it in as soon as possible each month, marked for the attention of Mr. J. R. Allan, Industrial Engineering and Construction Department.

It is desired that the information be furnished beginning with April, 1932, so you will please make up forms and send them in for the months of April to September as soon as possible.

Yours very truly,

WISCONSIN STEEL COMPANY.
