Mr. R. E. Galbreath,
Benham, Ky.

Dear Gal:-

Last year your office was so kind as to send me an International Harvester Company 1936 calendar which I liked very much and which I used. I have been hoping that I would receive a 1937 calendar but so far I havent. I am writing you asking that if you have an extra one of these calendars to please send it to me. If you will do this I will wish you a ~~Happy~~ Happy New Year-though I do that any how.

Yours very truly,

W. Sampson
