Chf. Engr., Wisconsin Steel Co.,
Benham, Kentucky.

Dear Sir:-

Kindly refer to my letter of December 6th, 1918, in regard to the additional right of way desired by the Louisville & Nashville Railroad and advise as to the present status of the matter.

Very truly,

E. W. Cornick

Asst. Engr.

Referring to yours of the 22 and sorry to say I can not give you any information at present. The matter is ~~being taken up~~ before our people now and as soon as we reach a definite understanding I will let you know
